SAGE Institute of
**ARTS AND
HUMANITIES**

About Institute

Humanities is a vast field and it can not be defined in few words. In general, humanities deal with the study and understanding of the human behavior. This includes unearthing the historical background, understanding the reasons behind the evolution of human behavior, socio-cultural, economic and political systems in the human society. The Department offers a vast range of career options for students. Many opportunities are available in present times for an arts graduate in the subjects like Political Science, Geography, History, English, Economics & Psychology.

Our graduates-to-be become effective communicators and critical thinkers. This degree equips them with an ability to pursue professional and academic opportunities of their interest. The holistic nature of the program empowers students to take up a wide range of internships, projects and field work. Students who have completed their graduation in arts can opt a variety of careers in humanities ranging from Assistant Administrative Officer, Content Editors to Librarian. After graduation, candidates can also prepare for Civil Service Examination.

Our Vision

To endeavor for enhancing the humanitarian capital of the society and cater the limitless possibilities.

Our Mission

1. To get enriched with knowledge and spread the light with the team of dedicated professionals.
2. To create and develop professionals and officers by providing updated and goal oriented education.

ABOUT SAGE UNIVERSITY

From its humble origin, The SAGE has over the past four decades reached a pre-eminent position in Central India and the uncompromising phenomenal performance that helped us in joining the race of becoming one of the leading brands. The SAGE has worked as a hallmark of excellence and has succeeded in adding many prestigious National and International awards to its mantle of glory. Over the years, The SAGE has flourished into a full-blown & diversified organization. The journey of The SAGE is never ending and we are confident that the organization will continue to scale milestones of excellence in years to come.

Established under the umbrella of The SAGE, SAGE University, Indore (SUI) is a destination where technology, innovation and entrepreneurship come together to create a dynamic learning environment. SUI is a higher learning center that not only helps you dream, but also drives you, motivates you, gears you up to bring in that very essential component called change to make your tomorrow better.

SUI envisions to nurture intellectual capital by transforming aspiring students into competent professionals and leaders contributing to societal development. The mission of SUI is to integrate quality learning and research transcending cultural boundaries and nurturing talent with a holistic approach.

SUI has been established by an Act of State Government of Madhya Pradesh, in exercise of powers conferred by Sub-Section (1) of Section 28 of the Madhya Pradesh Niji Vishwavidyalaya (Sthapna Avam Sanchalan) Adhiniyam, 2007, as published in M.P. State Government Gazette. SUI is located in the lush green environment away from hustle & bustle at a hill top in Indore.
