SAGE University INDORE

Graded A+
ACCREDITED BY NAAC

SAGE Institute of Computer Application

About Institute

Institute of Computer Application (ICA) endeavors to be in the forefront of information technology education by providing transformative education experience. Our undergradute and post graduate programmes are designed to inspire the students and make them ready to take the complex challenges, business practices, economic changes at National and International level. Educational experience is aimed at equipping students with the management and information technology skills. Collaboration with industry, research organizations and world class universities bring the dynamic curriculum to master the skills and methods. Project based learning is major pedagogy in classroom to learn IT Technologies. Students are sensitized towards social responsibility and sustainable development goals. Institute of Computer Application (ICA) runs undergraduate post-graduate and research programme namely BCA, MCA and Ph.D Programmes.

Key Differentiators

- Active & engaging curriculam
- Interdisciplinary approach to programme learning
- MOUs with corporates for intensive industry support
- State-of-the-art infrastructure facility
- Outstanding placement record
- Encouragement to entrepreneurship and sport
- Community Engagement through social responsibility club etc.

Under-Graduation (UG)	Post Graduate (PG)	Doctoral Programme
BCA	MCA	Ph. D in Computer Application

Highlights of BCA Program

- Up-to-date, industry-ready curricula prepared with inputs from industry veterans.
- Best-in-class faculty with many members having rich industry experience.
- Effective industry engagement through KRACKIN platform.
- Technology enabled learning with learning management system (LMS) and e-learning facility.
- Application oriented, hands-on learning and six month internship.
- Cloud labs to provide access to latest technology platforms such as Windows 2012, Windows Azure and Vmware.
- Career opportunities in fast growing industry segments. 100% placement support.

Eligibility (BCA - 3 Years)

12th Pass with Maths/ Information/ Practice/ Computer Science or Computer Stream as one of the subject. Students having non mathematics background have to study additional elementary maths in first year.

Master of Computer Applications (MCA)

- A balanced delivery of theoretical and practical dimensions of computer science through well-structured curriculum
- Seminars, Conferences, Workshops and guest lectures by eminent persons from industry & academia
- Personality Development Module is integrated with curriculum
- Strong link up with ICT Industry. Seminars, Conferences, Workshops and guest lectures by eminent persons from industry & academia
- A balanced delivery of theoretical and practical dimensions of computer science through well-structured curriculum Personality Development Module is integrated with curriculum
- MoU with IT Industries for placement with projects and corporate training Excellent Industry - Institute Interface Effective Training & Placement Assistance
- Use of available resource of video and lectures from MOOCs
