About Us

From its humble origin, The SAGE has over the past four decades reached a pre-eminent position in Central India and the uncompromising phenomenal performance that helped us in joining the race of becoming one of the leading brands. The SAGE has worked as a hallmark of excellence and has succeeded in adding many prestigious National and International awards to its mantle of glory. Over the years, The SAGE has flourished into a full-blown & diversified organization. The journey of The SAGE is never ending and we are confident that the organization will continue to scale milestones of excellence in years to come.

Established under the umbrella of The SAGE, SAGE University, Indore (SUI) is a destination where technology, innovation and entrepreneurship come together to create a dynamic learning environment. SUI is a higher learning center that not only helps you dream, but also drives you, motivates you, gears you up to bring in that very essential component called change to make your tomorrow better. SUI envisions to nurture intellectual capital by transforming aspiring students into competent professionals and leaders contributing to societal development. The mission of SUI is to integrate quality learning and research transcending cultural boundaries and nurturing talent with a holistic approach.

SUI has been established by an Act of State Government of Madhya Pradesh, in exercise of powers conferred by Sub-Section (1) of Section 28 of the Madhya Pradesh Niji Vishwavidyalaya (Sthapna Avam Sanchalan) Adhiniyam, 2007, as published in M.P. State Government Gazette. SUI is located in the lush green environment away from hustle & bustle at a hill top in Indore.

STL^U About Us

STL - Sterlite Technologies Ltd. is a leading integrator of digital networks providing All-in 5G solutions. Our capabilities across wireless connectivity, optical networking, software, and services, place us amongst the top 5G RAN vendors by Gartner. These capabilities are built on open-source and converged architectures helping telcos, cloud companies, citizen networks, and large enterprises deliver next-gen experiences to their customers. STL partners with service providers globally in achieving a green and sustainable digital future in alignment with UN SDG goals.

STL has a strong global presence in India, Italy, the UK, the US, China, and Brazil

STL^U academy

Sterlite Technologies's Academy was founded in 2015 with the aim of certifying professionals to correctly deploy Optical Fibre Cable

- To build a skilled workforce across India in the Optical Fibre Network domain.
- Academy has trained more than 100000 professionals, including 1500 plus Defence personels in a short span of time.
- The aim is to increase the number of certified professionals up to 10x by 2026
- STL Academy is here to promote educated telecom technicians by supporting high-quality engaging content and training delivered across multiple platforms

Education is one of the key tools that shape and change the way one thinks, behaves, and acts. We live in a world that is crafted in a manner that represents the diligence of our visionary ancestors, we live in today has been modeled such due to the diligence of our visionary ancestors. They have paved the way for raising the beacon of research in the fields of Management, Science, Arts, Humanities, etc. Our endeavor at SAGE is to pass the baton of educational brilliance sagaciously to ignite young minds. We as a university take great pride in securing something valuable for the future of our country.

Er. Sanjeev Agrawal

Hon. Chancellor of
SAGE University Indore

Dr. Prashant Jain

Hon. Pro Chancellor of
SAGE University Indore

SAGE University Indore has reached numerous milestones and is emerging as an institute of quality education with integrated academic programs in central India. The University in pursuance of its vision works in the direction of academic expansion and diversification for widening the academic canvas. By now, we have developed a deep understanding of the current industry to fulfill the intellectual requirements of the society in the areas of Sciences, Arts & Humanities, Commerce, Management, Journalism and Mass Communication, Designing, etc. Our University brings forward innumerable efforts, to create brand equity by way of divergence in all its cognitive pursuits.

On behalf of every individual at SAGE University Indore, we welcome you to enter a new era of learning with us. At SUI, we are making collaborative efforts to integrate a high level of education competence into a dynamic, yet resourceful environment. We are preparing the future of our country by harnessing the maximum resources through innovation, entrepreneurial zeal, and efficient technology. SAGE embraces simplicity, also it upholds the mission which is to nurture excellence and promote leadership quality in every student. We understand that flexibility and responsiveness are the two most important skills required to lead. Therefore, our mission embodies dynamism. We are building skilled professionals who can rise and shine amid uncertainties.

Ms. Sakshi Agrawal

Executive Director,
SAGE University, Indore

Global leaders

Ankit Agarwal

Managing Director
STL

Ankit has been instrumental in leading the Company's entry into new markets and customer segments, such as Cloud companies. Under his leadership, STL has established its presence in 100 countries. As a young leader, Ankit is also a champion of internal culture change, from driving a flat organisation to leading community efforts. He joined STL in 2007 after completing his Bachelor's from the University of Southern California and MBA from London Business School.

As STL grows exponentially, Anjali and her team are building an agile and culturally strong organisation by running strong programmes on talent, culture, values and diversity. Anjali has extensive experience in organisational development, learning and development and industrial relations. She has also worked at SKF, Tata Motors, Bajaj Allianz Life Insurance, Cummins and Thermax. She has a Master's in Human Resources from the Symbiosis Centre for Management and HRD, and in Applied Psychology from the Delhi University

Anjali Byce

Chief Human Resources Officer
STL

Raman Venkatraman

CEO - Digital
STL

Raman is an industry stalwart who has a vast experience of close to 30 years spanning multiple leadership roles across geographies. He also holds vast domain knowledge and expertise of managing mega-scale service offerings across the globe. Before STL, he was associated with TCS as Senior VP and Global Head of Hitech and Professional services vertical and also the Global Head of Alliances and partnerships. He has built technology practices which have since grown into large businesses for TCS globally. Raman holds a Master of Engineering [ME] degree in Electronics & Communication from Indian Institute of Science (IISc).

"The SAGE Group has Successfully Trained Over 50,000 Alumni & Has Over 25,000 Students Currently Studying Topped with Over 35,000 Placements."

B.Tech. Program in

Computer Engineering (Software Engineering)

B.Tech Computer Engineering (Software Engineering) is a 4-year degree course offered to students at the undergraduate level.

It aims to provide students with intricate knowledge of computer technologies and functional operations.

Career Opportunities

- Software Developer or Engineer
- System Analyst
- IT Sales Manager
- Data Base Administrator
- Computer Hardware Engineer
- Content Developer
- Tech Support and Repair
- Academician
- Web Developer
- Project Manager

Course Contents

- Soft Skill & Value Education
- Basic Computer Engineering
- Problem Solving & Programming
- Engineering Mathematics
- Digital Logic & Design
- Environmental Science
- Operating System
- Microprocessor & Interfacing
- Computer Architecture & Org.
- Discrete Mathematics

Eligibility: 10+2 with PCM

Salient features

Practical and Experiential Learning

Curriculum in accordance with industry needs

1000+ hours of practical sessions and industrial training

Overall development with focus on personality development & project management

15+ programming tools and languages

Post Graduate Diploma Program in **Software Engineering and Data Science**

Boost your career with our unique one year PG Diploma in Software Engineering & Data Science course with a assured placement.

The PG Diploma in Software Engineering & Data Science is a one-year post graduate diploma-level program in Software Engineering & Data Science.

Major Course Contents

- Deep Learning
- Natural Language Processing
- Business Intelligence/ Data Analytics
- Business Analytics
- Data Engineering
- SDLC Models
- Software Testing Tools

Career Opportunities

- Software Developer or Engineer
- System Analyst
- IT Sales Manager
- Data Base Administrator
- Data Scientist
- Data Analyst
- Software Tester

Eligibility: 10+2+3 BSc (CS/IT)/Equivalent Bachelor Degree/B.Tech./Any Post Graduate

Salient features

-  Unique course on the most sought-after expertise in the current landscape
-  Focus on career training and readiness
-  7+ programming tools and languages
-  Industry standard and best-in-class curriculum

Post Graduate Diploma Program in **Cloud Technology**

The course is specially designed to mould the students into a skilled System/Cloud Engineer.

The course is a one-year curriculum designed to mould applicants into skilled system/cloud engineers with an understanding of information security necessary to maintain today's systems, networks, and cloud infrastructure.

Major Course Contents

- OS Server
- Cloud Deployment
- Cloud Security
- Security Threats
- Computer System & Network

Career Opportunities

- Cloud Architect
- Cloud Consultant
- DevOps Cloud Engineer
- Cloud Infrastructure Engineer
- Cloud Security Engineer

Eligibility: 10+2+3 BSc (CS/IT)/Equivalent Bachelor Degree/B.Tech. /Any Post Graduate

Salient features

-  1 year post graduate diploma program in cloud technologies
-  One of the most demanded expertise in today's market
-  In-depth cloud computing tutorials & practical sessions with integrated lab experience
-  6+ cloud and programming tools and languages
-  Industry standard and best-in-class curriculum
