From **SAGE University's Chancellor**

Mr. Sanjeev Agarwal
Chancellor

I warmly welcome you to Sage University, Indore, a beacon of educational excellence. Under the patronage of Shri Agrawal Educational Public Trust, the university, run by "Shri Agrawal Health & Education Society," stands as a testament to our unwavering commitment to quality education.

Our colossal campus in the heart of Indore, equipped with state-of-the-art infrastructure, is more than a hub for learning — it's a transformative space where passion meets the profession. At Sage University, we are on a mission to be the top university in Madhya Pradesh, Central India, by fostering a culture of innovation, creativity, and entrepreneurship.

Our vision is to attain global distinction through value-based holistic research, creativity, and innovation, while our mission is to create a research-driven environment that addresses national and global challenges. We are dedicated to providing holistic education through innovative pedagogy and instilling a culture of innovation and entrepreneurship through interdisciplinary approaches.

Committed to pioneering education, we take pride in our deep-rooted partnership with Sunstone fostering a collaborative ecosystem where education and innovation thrive. Our shared vision with Sunstone has been instrumental in shaping the educational landscape, and together, we continue to empower students with cutting-edge resources and transformative learning experiences.

Join us at Sage University, Indore, where we are not just shaping careers but also nurturing leaders of tomorrow.

From **SAGE University's** **Executive Director**

Mrs. Sakshi Agrawal
Bansal
Executive Director

On behalf of every individual at SAGE University Indore, we welcome you to enter a new era of learning with us. At SUI, we are making collaborative efforts to integrate a high level of education competence into a dynamic, yet resourceful environment. We are preparing the future of our country by harnessing the maximum resources through innovation, entrepreneurial zeal, and efficient technology. SAGE

embraces simplicity, also it upholds the mission which is to nurture excellence and promote leadership quality in every student. We aspire to achieve eminence in every endeavor by modeling knowledge, imparting, and augmenting the practice through experimental learning. We understand that flexibility and responsiveness are the two most important skills required to lead. Therefore, our mission embodies dynamism. We are building skilled professionals who can rise and shine amid uncertainties.

Wish you all for a very productive and eventful academic session.

Letter from Founders' Desk

With time, the importance and meaning of education has changed. A college degree alone is no longer sufficient in today's fast-paced world. Relevant education goes beyond theoretical knowledge; it should involve practical application and lead to better job opportunities.

We, at Sunstone, bring together the best of learning and industry practices to ensure that students are transformed into professionals who are noticed by employers. We believe in an education that imparts the right knowledge while equipping you with the skills and experiences necessary to thrive in real-world scenarios. Our courses integrate academic excellence with practical skills to foster critical thinking, creativity, and adaptability — essential traits to stand out and excel in the ever-changing global workforce.

Currently, Sunstone School of Technology & Sunstone School of Management delivers accountable education with the Placement Accountability Program (PAP) at 35+ top colleges and universities across India. **We are delighted to partner with SAGE University**, a pioneer in quality education, strengthening our commitment to student success.

Sunstone is transforming India's future workforce, one student at a time, and we proudly invite you to take the first step towards your dream job with us!
