

*Transforming
Your
Passion into
Profession*

SAGE University Indore

INSTITUTE OF DESIGN

"One Institute, Infinite Design Possibilities"

Transforming your Passion into Profession.

Er. Sanjeev Agrawal

Chancellor
SAGE University, Indore - Bhopal

From the Chancellor's Desk

Dear Students,

When I look at each of you, I see not just the present but the promise of a brighter future. I want to share something personal with you—a belief that has guided me throughout my journey: Dreams are only as big as the courage you summon to chase them. Life will present you with opportunities disguised as challenges, and how you face them will define your story.

As your Chancellor, I am not just an observer of your journey but a passionate believer in your potential. My dream is to see every SAGE student rise above limitations, challenge the status quo, and leave a mark on the world. I know the world outside can seem daunting—competitive, unpredictable, and constantly evolving. But that's precisely why SAGE University exists—to equip you with the tools, knowledge, and resilience to thrive, no matter what.

At SAGE University, our philosophy stems from a shared vision of redefining education as a means of transformation. This is not just an institution; it is a launchpad for dreams. Our cutting-edge facilities, vibrant campus life, and globally relevant curriculum are designed to create an environment where you can excel in every aspect of life.

As an institution, we recognize the importance of global exposure, industry alignment, and holistic development. That's why we have established collaborations with leading organizations and universities worldwide, ensuring you gain not just an education but a perspective. Here, we celebrate diversity, foster creativity, and encourage innovation—values that will shape you into a global citizen ready to lead with integrity and purpose.

Together, let us make SAGE University a symbol of transformation, where dreams find wings, and possibilities become reality. Always remember, "SAGE HaiToMumkinHai."

From the Chairperson's Desk

Dear Students,

At Sage University, we believe in the power of dreams and the determination to achieve them. As you embark on this transformative journey, remember that education is not just about academics but about discovering your true potential. We are here to support and guide you every step of the way. The future is yours to shape—dream big and soar high!

Best regards,

Ms. Kiran Agrawal

Hon'ble Chairperson
The SAGE Group

From the Managing Director's Desk

Dear Students,

Welcome to Sage University, where innovation meets opportunity. As you step into this exciting phase of your life, remember that learning is a lifelong journey. At Sage, we aim to empower you with knowledge, skills, and confidence to thrive in a dynamic world. Believe in your abilities, embrace creativity, and always strive for excellence. Together, let us build a future full of possibilities and success.

Warm regards,

Ar. Shivani Agrawal

Managing Director,
The SAGE Group

From the Managing Director's Desk

Welcome to SAGE University,

Where education sparks transformation. Beyond academics, we nurture creativity, innovation, and real-world skills. Embrace challenges, unlock your potential, and shape a meaningful future. As Nelson Mandela said, "Education is the most powerful weapon to change the world." Strive for excellence!

Warm regards,

Ms. Sakshi Bansal

Managing Director,
The SAGE Group

From the Pro Chancellor's Desk

Welcome to SAGE University -

A hub where dreams take flight and aspirations transform into achievements. We empower you with knowledge, skills, and a changemaker's mindset. With hands-on learning, innovation, and groundbreaking research, we prepare you to thrive in a competitive world. Remember, "The future belongs to those who prepare for it today." Let's shape tomorrow together!

Best regards,

Dr. Prashant Jain

Pro-Chancellor,
SAGE University Indore-Bhopal

The SAGE Story : 42 Glorious Years of Excellence & Impact

For over four decades, The SAGE Group has been a beacon of innovation and societal growth in Central India. Established 42 years ago, it has evolved into a dynamic organization dedicated to transforming lives through its ventures in Real Estate, Education, Electrical Infrastructure, Healthcare, and Social Initiatives. Under the leadership of Er. Sanjeev Agrawal, Chancellor of SAGE University Indore and Bhopal and CMD of The SAGE Group, the organization has earned national and global recognition for its commitment to creating a positive impact. The group has touched countless lives, empowering students, clients, and communities alike. The SAGE Group's entities include SAGE Realty, SIRT Bhopal, SAGE International Schools, SAGE University Indore, SAGE University Bhopal, Agrawal Power, and Apollo SAGE Hospital. Through the True SAGE Foundation, the group supports underprivileged communities with free education and essential resources, fostering hope and opportunity. Established in 2017, SAGE University Indore has transformed higher education in Indore by offering world-class facilities, innovative programs, and a commitment to academic excellence. SAGE University Bhopal, launched in 2020, continues this legacy, redefining education standards. Rooted in excellence and driven by compassion, The SAGE Group continues to innovate and bring lasting happiness to society.

SAGE University Indore

SAGE University, Indore epitomizes academic excellence in Central India, offering a world-class educational experience. As the youngest private university in India and the first in Madhya Pradesh to achieve the prestigious NAAC A+ Grade, we are committed to providing top-tier education. Our pedagogical approach focuses on transforming passion into a profession, preparing students for successful careers in a competitive job market.

At SAGE University, we believe in nurturing talent through an innovative learning environment that combines academic rigor with practical exposure. Our state-of-the-art infrastructure, globally-oriented curriculum, and dedicated faculty ensure a holistic education that empowers students to excel in their chosen fields.

We foster a culture of research, entrepreneurship, and global collaboration, enabling students to develop the skills and mindset needed to lead in a rapidly evolving world. By prioritizing industry-relevant learning and fostering critical thinking, we equip our graduates to tackle real-world challenges and drive meaningful change.

Join SAGE University, Indore, where ambition meets opportunity, and potential turns into achievement. With a steadfast commitment to shaping the future, we create an ecosystem of innovation, excellence, and success. Take the first step toward unlocking your dreams and making an impact that resonates far beyond the classroom.

The Institute of Design

Institute of Design (IOD), SAGE University Indore has greatly enabled the students to study the fundamentals as well as the depths of designing process and create master pieces in the world of design. IOD has created an innovative, creative, expressive and open environment of the young and creative minds so that they can represent and add to the poised and influential process of designing. At IOD, we provide upgraded and sophisticated facilities so that the students and future designers of the Nation can be updated and upgraded in the designing field.

Vision

Aspire to excel in design education by preparing innovative, environmentally, and socially responsible citizens.

Mission

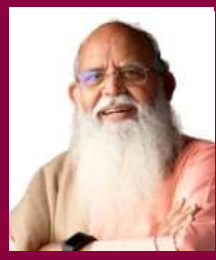

- To provide students with a professional course of study that meets the highest academic standards for design education.
- To ensure students make connections across disciplines through a creative environment fostering skill development.
- To encourage students to consider design in the widest possible context while understanding their professional responsibilities.
- To bridge the gap between academia and industry through interactive opportunities with design professionals.
- To prepare global citizens through engagement in co-curricular activities that promote diversity, tolerance, and real-world experience.

Why Choose IOD at SAGE ?

- Industry-oriented curriculum with real-world projects
- Mentor-ship by leading designers and academicians
- Interdisciplinary learning across design fields
- Exposure to national and international design events
- Focus on sustain-ability and innovation
- Equipped with advanced design studios, computer labs and exhibition spaces to support hands-on

Advisory Panel

At SAGE University Indore, we are committed to push boundaries and expand our horizons. This vision is brought to life through the invaluable guidance of our Advisory Board. Comprising esteemed thought leaders and experts from diverse fields across the country, our Advisory Board plays a pivotal role in helping us bridge disciplines and recognizing the synergies between them. Through regular interactions with these visionary leaders, our students gain unparalleled insights and are equipped with the knowledge and perspective needed to excel in their chosen paths.

Pedagogy

SAGE University Indore is dedicated to foster exploration, innovation, learning, and critical thinking through its distinctive SAGE pedagogy. Guided by the philosophy of "Explore and Develop," we offer unique career pathways and academic programs that emphasize practical learning. Our focus is on shaping employable graduates equipped with strong technical expertise, creative problem-solving skills, and effective communication abilities, ensuring their holistic development and success in the professional world.

Life @ IOD

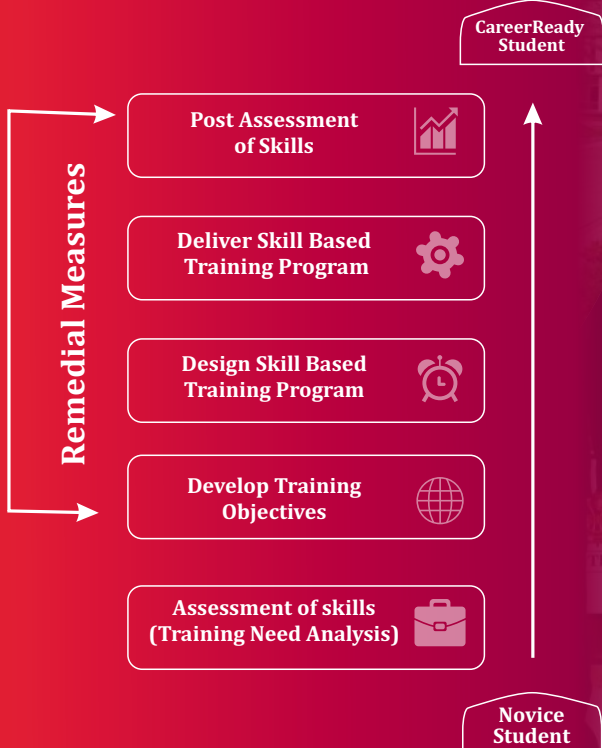

Corporate Relations Cell

The Corporate Relations Cell (CRC) at SAGE University Indore (SUI) fosters strong connections with industries to bridge the gap between academia and the corporate world. CRC plays a vital role in shaping students' careers by identifying key technical and professional skills in demand, offering relevant training, and organizing value-added courses. It also provides career counseling, skill-based learning, and guidance to ensure students securing the right opportunities with top organizations.

Panel Discussion

Facilities

Auditorium

The state-of-the-art auditorium at SAGE University Indore serves as a dynamic venue for lectures, seminars, conferences, and cultural events. Equipped with modern audio-visual facilities, it provides a platform for intellectual exchange, fostering creativity, innovation, and holistic development among students through a range of academic and extracurricular activities.

Library

Our well-stocked library is a cornerstone of academic excellence, offering a vast collection of books, journals, e-resources, and digital databases. Designed to foster research and intellectual growth, it provides students with a serene environment for study, exploration, and learning, supporting their academic pursuits.

Open-Air Amphitheatre

We offer students a vibrant campus life with a dedicated open air venue, for entertainment performances and outdoor activities, which creates opportunities for a variety of co-curricular and extra activities, contributing to holistic development of students.

Cafeteria & Mess

The cafeteria and mess at SAGE University offer a variety of delicious and nutritious meals to cater to the diverse tastes of students. Designed for comfort and convenience, these spaces provide a social setting where students can unwind, enjoy a meal, and engage in conversations, fostering community life.

Lush Green Campus

"Our campus is nestled in the heart of nature, offering students a peaceful and inspiring place to learn, grow, and thrive. With acres of lush green spaces, outdoor study areas, and tree-lined pathways, it's the perfect environment for academic and personal development."

Apple Lab

Our Apple lab is equipped with the latest technology to support students in mobile app development. These specialized labs offer hands-on learning experiences for students to design, build, and test applications on both platforms, preparing them for a career in the ever-evolving tech industry.

Android Lab

Our Android lab is equipped with the latest technology to support students in mobile app development. These specialized labs offer hands-on learning experiences for students to design, build, and test applications on both platforms, preparing them for a career in the ever-evolving tech industry.

Tissue Culture Lab

The Tissue Culture Lab at SAGE University Indore provides students with hands-on training in biotechnology, specifically in plant tissue culture techniques. The lab is equipped with advanced tools and equipment, offering a platform for research, experimentation, and innovation in agricultural and biological sciences.

Design Studio

The Design and Drawing Studio at SAGE University Indore is a creative space designed for students to explore and express their artistic ideas. Equipped with advanced tools for design, sketching, and modeling, the studio fosters creativity and innovation, helping students develop their skills in architecture, engineering, and design.

T.V. & Film Studio

The TV and Film Studio at SAGE University Indore is a state-of-the-art facility tailored for aspiring filmmakers and media professionals. Equipped with advanced cameras, green screens, professional lighting setups, and post-production tools, the studio provides a hands-on environment for creating high-quality audiovisual content. Students can explore their creativity, refine their technical skills, and bring their cinematic visions to life while gaining practical industry experience.

Facilities

Premier Moot Court

SAGE University Indore's Premier Moot Court is designed to simulate real-life courtroom experiences for law students. Equipped with the latest legal resources, it offers a platform to practice legal research, advocacy skills, and courtroom procedures, preparing students for successful careers in law and legal services.

Hostel Facility

Our modern hostel facilities offer a comfortable and secure living environment for students. Equipped with essential amenities such as Wi-Fi, laundry services, and recreational areas, the hostels ensure a homely atmosphere that supports academic focus and personal growth, making students feel safe and comfortable.

Transport Facility

Our modern hostel facilities offer a comfortable and secure living environment for students. Equipped with essential amenities such as Wi-Fi, laundry services, and recreational areas, the hostels ensure a homely atmosphere that supports academic focus and personal growth, making students feel safe and comfortable.

Radio SAGE 89.6 FM (Community Radio)

Radio SAGE 89.6 FM is SAGE University Indore's vibrant community radio station, bringing music, conversations, and campus culture to the city. It offers engaging youth-centric shows, talk segments, and special themed programs that connect students, faculty, and the wider community. The station promotes local talent, education, and entertainment while reflecting the values and spirit of SAGE University. With the tagline "Bajate Hai Dil Se," it creates an emotional bond with listeners through soulful and interactive content.

Incubation Center

SAGE University Indore's Incubation Centre is a hub for innovation and entrepreneurship. It offers aspiring entrepreneurs access to mentorship, resources, and networking opportunities, helping them turn their ideas into successful ventures. The centre fosters a startup ecosystem, encouraging students to create, innovate, and lead in the business world.

Agricultural Farm & Polyhouse

Our Agricultural Farm and Polyhouse provide students with practical exposure to modern farming techniques. With a focus on sustainability and innovation, students can engage in hands-on learning in crop cultivation, horticulture, and environmental management, preparing them for careers in agriculture and related fields.

Drone Training Center

Setting New Horizons: SAGE University and Garuda Aerospace Ltd. Chennai Unveil Indore's Premier Drone Training Center! Inauguration Ceremony with SAGE Group Chairman, Er. Sanjeev Agrawal and Distinguished Guests Mark the Beginning of a New Era in Drone Technology

Sports Facility

SAGE University Indore emphasizes the importance of physical fitness and sportsmanship, offering top-notch sports facilities. With dedicated cricket and football grounds, along with various indoor courts, our campus promotes a healthy lifestyle, teamwork, and competitive spirit, ensuring students stay fit while balancing academics with extracurricular activities.

State-of-the-Art Sports Running Track

SAGE University Indore takes a giant leap in promoting fitness and sports excellence with its world-class running track. Designed to meet professional standards, this facility empowers athletes and fitness enthusiasts to train effectively. It reflects the university's dedication to foster a healthy lifestyle and nurture talent in sports and athletics.

Central India's 1st Google Digital Campus Microsoft Authorized Centre & Nvidia Lab

SAGE University Indore is proud to be Central India's first Google Digital Campus, offering students access to cutting-edge digital tools and resources. As a Microsoft Authorized Centre, SAGE University Indore provides students with access to official Microsoft certifications and training. We also an MoU with Nvidia along with its lab and a premier robotic lab.
