SAGE UNIVERSITY, INDORE

## A LEGACY OF IMPACT: EMPOWERING CHANGE AND ENRICHING MINDS AND FUTURES

In the realm of academia, visionary leadership is the cornerstone of progress and success. At Sage University, Indore Hon'ble Chancellor, Er Sanjeev Agrawal stands as an exemplary figure whose dedication, innovation, and unwavering commitment have propelled the Sage Group to new heights.

His Strategic Vision and Academic Excellence have impelled the university to soar high and ranked SUI as the youngest university to accredit with NAAC A+. Under Chancellor Sir's stewardship, SUI has experienced a renaissance characterized by a relentless pursuit of academic excellence. Through the implementation of strategic initiatives and forward-thinking policies, Sir has cultivated an environment that nurtures innovation, fosters interdisciplinary collaboration, and empowers students and faculty to push the boundaries of knowledge.

He believes in the transformative power of education to change lives and shape the future of budding generation. Under his headship, SUI has redoubled its efforts to expand access to higher education, promote diversity and inclusion, and provide students with the skills and knowledge they need to thrive in an increasingly complex and interconnected world.

Chancellor's spiritual philosophy is fundamentally based on an inbuilt commitment to cultivate a culture that values excellence, honesty, and responsibility. Additionally, he promotes the idea of living in Saccidānanda (सच्चिदानन्द) and holds that the current generation must cultivate both spiritual and technical knowledge. By setting high standards, promoting ethical conduct, and leading by example, Sir has instilled a sense of pride and purpose that permeates every aspect of university life.

Through his visionary leadership, unrelenting dedication, and a passion for excellence, Sir has inspired a generation of scholars, researchers, and leaders to strive for greatness and make a positive impact on the world. We honour Chancellor Sir's legacy and look forward to a future driven by his vision of quality, innovation, and inclusive excellence as we consider his outstanding accomplishments.

## Championing Diversity: ED Madam's Commitment to Inclusive Excellence

In the dynamic landscape of higher education, visionary leadership is paramount to drive innovation, foster inclusivity, and empower the next generation of leaders. At Sage University, Indore, Executive Director, Sakshi Agrawal Bansal Madam stands as an exemplar of transformative leadership, whose tireless dedication and steadfast commitment have raised Sage University Indore to the zenith.

ED Madam has been at the forefront of pioneering educational initiatives aimed at enhancing the academic experience and promoting student success. ED Madam's vision for educational excellence has inspired faculty and students alike to push the boundaries of knowledge and innovation.

Central to ED Madam's leadership philosophy is a steadfast commitment to championing diversity, equity, and inclusion within the university community. Under her guidance, Sage University, Indore has implemented initiatives to promote cultural competence, foster dialogue on social justice issues, encourage sports activities and create a welcoming and inclusive campus environment for all. ED Madam's advocacy for diversity enriches the educational experience and prepares students to thrive in a diverse and interconnected world.

She supports outreach programs, service-learning initiatives, and civic engagement efforts, to instill a sense of civic responsibility and social impact among students, faculty, and staff, making a catalyst for positive change in the community.

Above all, ED Madam exemplifies the values of ethical leadership, integrity, and accountability. Her leadership is characterized by transparency, fairness, and a commitment to uphold the highest ethical standards in all university affairs. By leading with integrity and empathy, she fosters a culture of trust and collaboration that empowers individuals to excel and uphold the mission and values of Sage University Indore.

**Mrs. Sakshi Agrawal Bansal**  
Executive Director  
The SAGE Group

## Recognizing the Profound Impact: The Contributions of Pro Chancellor, Dr Prashant Jain Sir

You can't build a great building on a weak foundation. You must have a solid foundation if you are going to have a superstructure. One such strong pillar who stands tall and strong is our Pro Chancellor, Dr Prashant Jain Sir. He is a man behind a steadfast advocate for excellence, integrity, and progress at SUI.

His Strategic administration and Governance acts as essential elements in providing right direction to the university. With a wealth of experience and expertise, he contributes invaluable insights to the university's governing body, ensuring that decisions align with the university's mission, values, and long-term objectives. Pro Chancellor Sir's leadership helps steer the university towards success in a rapidly evolving academic landscape.

His dedication in fostering partnerships and engagement both within and outside the university is remarkable. Through proactive outreach efforts, he cultivates relationships with key stakeholders, including government agencies, industry leaders, alumni, and the broader community. These partnerships not only enhance the university's reputation but also create opportunities for collaboration, innovation, and mutual growth.

Pro Chancellor Sir is a passionate advocate for student's success and welfare. His strong initiatives aimed at enhancing the student experience, promoting diversity and inclusion, and providing support services to ensure that every student has the opportunity to thrive academically, personally, and professionally.

In his role, Sir actively promotes excellence in research and scholarship. He supports initiatives to advance research infrastructure, secure funding opportunities, and recognize outstanding achievements by faculty and researchers.

His leadership is characterized by a commitment to transparency, fairness, and ethical conduct in all university affairs. By upholding the highest standards of governance and stewardship, Pro Chancellor Sir inspires trust and confidence among stakeholders, strengthening the foundation of Sage University, Indore for generations to come.

**Dr. Prashant Jain**  
Pro Chancellor  
SAGE University, Indore-Bhopal

# TURNING TASSELS, TURNING PAGES CONVOCATION CEREMONY 2024

The Sage University, Indore's campus was alive with jubilation and pride as it hosted its annual Convocation Ceremony, honoring the remarkable achievements of its graduating students. Amidst a backdrop of cheers and applause, the ceremony served as a poignant reminder of the dedication, perseverance, and triumph of the university's students.

The event, held at the Kalpavriksha Auditorium, brought together esteemed guests, dignitaries, faculty members, university staff, families, and friends to celebrate the accomplishments of the UG and PG students. The Ceremony commenced with a procession led by Hon'ble Chancellor Er. Sanjeev Agrawal Sir, accompanied by young and dynamic Executive Director Mrs. Sakshi Agrawal Bansal Ma'am, Vice Chancellor of the University Dr. Ankur Arun Kulkarni Sir, Pro Vice-Chancellor Dr. Mayank Saxena Sir, Registrar Dr. Manish Choudhry Sir, HoIs and HoDs of various institutes. As the strains of the national anthem filled the air, the atmosphere was charged with anticipation.

The Convocation Ceremony was graced by the presence of esteemed Guests. In his opening address, Hon'ble Chancellor Sir congratulated the graduates on their hard-earned success and commended them for their dedication to academic excellence. Executive Director Mrs. Sakshi shared her insightful remarks with the Sagiens and instilled confidence in them. Distinguished guest speakers delivered inspiring speeches, offering words of wisdom and encouragement to the graduating class. Their insights resonated deeply with the audience, instilling a sense of optimism and determination as the graduates prepared to enter the workforce or pursue further education.

# CONVOCATION CEREMONY 2024

One of the major highlights of the ceremony was the conferral of degrees. In this sequence, the University conferred D Litt to Veteran Actor Mr. Manoj Joshi, Mr. Ashok Badjatiya, director with Hindustan Phosphates Private Limited, Mr. Siddharth Sethi Co-Founder Infobeans and Indian Professional Sprinter and Gold medalist, Ms. Dutee Chand. The graduates, adorned in traditional Indian regalia, strolled across the stage grinning and prepared to start the next phase of their lives. They were each given a degree and acknowledged for their academic achievements. The audience responded to the occasion with thunderous clapping and cheers, reflecting the pleasure and happiness.

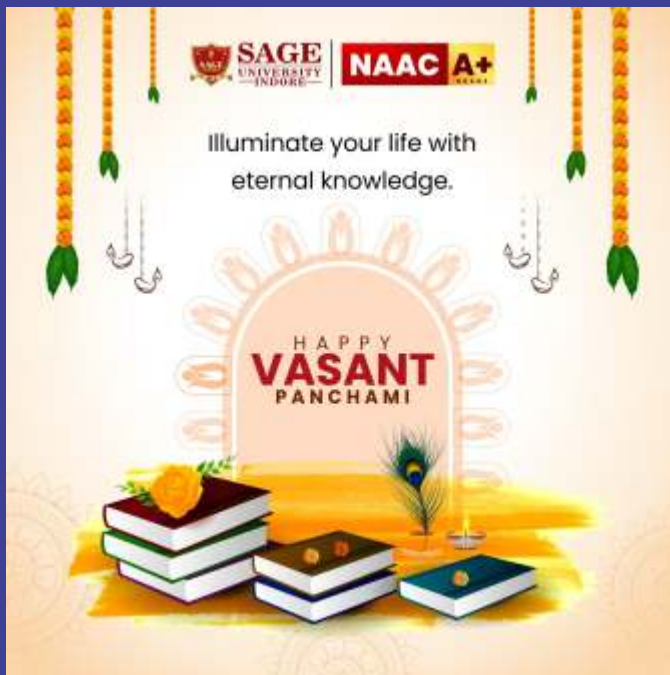

Throughout the ceremony, heartfelt tributes were paid to the faculty members who had guided and supported the graduates throughout their academic journey. Their dedication to teaching, mentorship, and research has played a pivotal role in shaping the future leaders of tomorrow.

As the ceremony drew to a close, Executive Director Sakshi Mam offered final words of encouragement to the graduates, urging them to continue striving for excellence and making a positive impact in their respective fields. The Convocation Ceremony of SUI was not only a celebration of academic achievement but also a testament to the resilience, determination, and spirit of the university community. As the alumni embark on their future endeavors, they carry with them the values instilled by their alma mater and the knowledge that they are equipped to make a difference in the world. Congratulations to the Sagiens. May your future be filled with success, fulfillment, and endless possibilities.

# Blossoming Beginnings: Celebrating Vasant Panchami

Vasant Panchami, also known as Saraswati Puja, marks the onset of spring and honors Goddess Saraswati, symbolizing the pursuit of knowledge and arts. SAGE University recently celebrated this auspicious day with zeal, where students and faculty adorned themselves in yellow attire, signifying vibrancy and renewal.

Amidst vibrant decorations, prayers, and cultural performances, the campus came alive with the spirit of learning and creativity. The Institute of Journalism and Mass Communication hosted "Hunar-E-Fankar," showcasing the talents of students and faculty.

Traditional rituals, including Saraswati Puja and hymn chanting, added to the festive ambiance, emphasizing the importance of embracing wisdom and enlightenment. Vasant Panchami serves as a reminder of the triumph of knowledge over ignorance, inspiring all to pursue intellectual growth and excellence.

As SAGE University embraced the essence of Vasant Panchami, it reinforced its commitment to academic excellence and holistic development. The celebrations epitomized the spirit of learning and enlightenment, fostering a vibrant educational community dedicated to lifelong learning and growth.

**Institute of Advance Computing**

Successfully Conducted

**INDUSTRIAL TRAINING ON DIGITAL FORENSICS - PART I**

By Quick Heal (CIALFOR)  
For B.Tech CSF 3rd Year Students  
From 5th to 17th Feb. 2024

Students learned about: Introduction to Cyber Crime, Introduction to Digital Forensics, Non-Live Acquisition, Network Forensics Basics / Networking, Network Forensics / SSL - Wire-Shark Packet Analysis, FTK Imager / Introduction of File System NTFS, FAT, CTF Pico Forensics, SAM File Extraction Method, CTF Learn.

[www.sageindore.ac](http://www.sageindore.ac)

## Institute of Advance Computing Successfully Completes Digital Forensics Training Program

The Institute of Advanced Computing (Specialization) successfully conducted a two-week Industrial Training program titled "Digital Forensics part-I" in collaboration with CialFor, the training partner of Quick Heal. The training took place from February 5 to February 17, 2024. Led by trainers Ms. Sakshi Pandey, Lead Research & Consultant in Digital Forensics, and Ms. Ishika Soni, Digital Evidence Analyst, the program achieved an average attendance of 85-90%.

The training covered various topics, including an introduction to Cyber Crime and Digital Forensics, Non-Live Acquisition, basics of Network Forensics, Wire-Shark Packet Analysis, introduction to File Systems like NTFS and FAT, CTF Pico Forensics, SAM File Extraction Method, and CTF Learn. Dr. Ati Jain, Associate Professor at IAC, SUI served as the coordinator for the program.

# Innovation Design and Entrepreneurship Boot Camp @ IAC, SUI

The Institute of Advance Computing and the Institute of Engineering & Technology at SAGE University Indore are delighted to announce the selection of two third-year IT students: Mr. Pratik Thakur and Mr. Nayan Beale for the prestigious Innovation Design and Entrepreneurship (IDE) Boot Camp Phase II. Organized jointly by AICTE and the Ministry of Education, the week-long program took place from January 29th to February 2nd, 2024.

Under the mentorship of Prof. Vinod Azad Sir from the Department of Computer Science & Engineering at IET, SUI, students underwent an intensive hands-on experience aimed at fostering innovation, design thinking, and entrepreneurship skills. The IDE-BootCamp provided a platform for participants to engage in multiple product design methodologies and gain actionable insights, contributing to their overall growth and development.

## EXPERT TALK ON CANCER AWARENESS @ Radio SAGE 89.6 FM

RJ Anjali treated the Listeners with an enlightening expert talk on Cancer Awareness featuring Dr. Akhilesh Kumar Bhargav, Chairman of the Ayurveda Cancer Foundation. Dr. Bhargav's insights shed light on various aspects of cancer prevention, detection, and treatment, providing invaluable information to the audience.

Listeners were captivated as Dr. Bhargav shared his extensive knowledge and experience in the field, offering practical advice and debunking common myths surrounding cancer. From lifestyle modifications to the importance of early screenings, his expertise resonated with all who tuned in.

The engaging discussion not only raised awareness about cancer but also empowered listeners to take proactive steps toward their health and well-being. Thanks to Radio SAGE 89.6 FM for hosting such informative sessions, ensuring that vital information reaches the masses and contributes to a healthier society.

## INSTITUTE OF JOURNALISM ORGANIZES HOONAR-E-FANKAR

SAGE Institute of Journalism and Mass Communication recently organized a vibrant celebration for Basant Panchami, titled "Hoonar-E-Fankar". The event showcased a splendid display of talent, featuring mesmerizing performances of Tabla vadan, Sarangi melodies, and renowned classical songs.

Esteemed guests, including MIC member Mr. Manish Sharma Ji and Head of MP News Mr. Mahendra Songira Ji, graced the occasion with their presence. The function was honored by the esteemed presence of Honorable Vice Chancellor Dr. Ankur Arun Kulkarni, Pro Vice-Chancellor Dr. Mayank Saxena, and T&P Head Dr. Prateek Jain. The Head of JMC, Dr. Jamna Mishra, also attended the event, adding to its significance.

The open amphitheater came alive with cultural performances, dance, and music, serving as the perfect backdrop for the festivities. Students and faculty alike participated enthusiastically, showcasing their talents and spreading the joy of Basant Panchami.

The event not only celebrated the rich cultural heritage of India but also provided a platform for students to showcase their artistic prowess. It was a memorable occasion, bringing together the entire SAGE community in a spirit of joy and camaraderie.

## EXPERT SESSION @ ICA Unlock the Secrets of Research Excellence

The Institute of Computer Application at Sage University Indore hosted an enlightening expert session titled "Secret of Research Excellence: Academic Game Changer." The session aimed to empower both faculty members and students with invaluable insights into the realm of research excellence.

Renowned expert Celestine Iwendi, adorned with multiple prestigious titles including PhD, SMIEEE, FHEA, FIMC, CMC, and as a U.K Tier-1 Global Talent, led the session. As a Reader, Visiting Professor, Fellow HEA, IEEE Senior Member, and Brand Ambassador of the IEEE Computer Society at the University of Bolton, Iwendi brought a wealth of knowledge and experience to the table.

The session took place on February 9, 2024, at 3:00 PM IST (9:00 AM UK time), conducted online to ensure accessibility to all interested participants. Dr. Neha Bharani coordinated this transformative event, fostering a collaborative environment for learning and growth.

This expert session proved to be a catalyst for academic advancement, equipping attendees with the tools and strategies needed to excel in the dynamic field of research. Participants gained invaluable insights that propelled them towards greater heights of academic achievement and innovation.

## SAGE Hosts The Ultimate Battlegrounds Season 1: A Recap of the Grand Finale

The ultimate showdown had arrived as SAGE University Indore, in collaboration with MEG E-sports, presented the grand finale of INDORE ULTIMATE BATTLEGROUNDS SEASON 1! On February 12th & 13th, participants engaged in an epic battle in BGMI (PUBG), vying for a massive prize pool of 100k rupees.

The event featured thrilling phases, including online semi-finals and finals, followed by the grand final held offline at the campus. Special guest ANTARYAMI GAMING graced the occasion, accompanied by casters BLACK DOTT, GOLD RUSHER, and ENGINEER YT.

The excitement was palpable as players from across Indore showcased their skills and strategies in the game. It was a spectacle not to be missed, drawing gaming enthusiasts and supporters alike to witness the action-packed event.

## Exploring Science and Technology: A Successful Educational Visit to RRCAT Indore

The Department of Applied Science recently organized an educational cum scientific visit to RRCAT Indore on February 25, 2024. The visit aimed to provide students with real-time exposure to scientific and technical activities while demonstrating concepts in basic sciences and engineering.

Students engaged in lively discussions with RRCAT officials and were captivated by exhibits such as laser cutting demonstrations, magnetic levitated trains, glass shaping through glass blowing techniques, artificial cloud creation using liquid nitrogen, and live fire-fighting demonstrations.

This visit, coordinated by Dr. Sapna Dabade and Prof. Manoj Sindhe under the guidance of Prof. Sonal Tripathi (HOD-AS) and Dr. Akhilesh Upadhyay (Dean Faculty of Engg. SUI), left a vivid impact on young minds, enriching their understanding of scientific principles and technological advancements.

# Happy Birthday

to our inspiring leader,  
**Dr. Ankur Arun Kulkarni,**  
Vice Chancellor of  
Sage University Indore!  
Your dedication, wisdom, and  
guidance inspire us all.  
Wishing you a day filled with joy,  
success, and countless blessings.

## Exploring BIM 360: An Expert Session at the Institute of Architecture

The Institute of Architecture at SAGE University Indore recently organized an expert session on the "Industrial concept of BIM 360" in collaboration with Makerspace Technologies. The session welcomed participation from architecture, and interior design students, as well as students from IET disciplines such as Civil, Mechanical and Electrical Engineering.

Taking place on February 22, 2024, at 11:30 AM in the A Block Seminar Hall (F21), the session aimed to broaden students' understanding of Building Information Modeling (BIM) 360 and its industrial applications.

Under the guidance of Prof. Sanket Jain, the convener, and with the coordination of Ar. Akriti Dubey and Ar. Dhananjay Dave from SAGE University Indore, the event provided a platform for students to delve into the practical aspects of BIM technology and its significance in contemporary industrial settings.

Attendees had the opportunity to engage with experts from Makerspace Technologies, gaining valuable insights into the implementation of BIM 360 in real-world projects. The session fostered an environment of learning and collaboration, equipping students with the knowledge and skills essential for their future endeavors in the field of architecture and engineering.

# "Exploring Forensic Science: Expert Talk on Scene of Crime Management at Institute of Sciences"

SAGE Institute of Sciences recently hosted an expert talk on Scene of Crime Management by Dr. Rakesh Gupta, Joint Director SFSL, Raipur, Chhattisgarh. The event aimed to broaden students' understanding of Crime Investigation, Crime Management, and the scope of Forensic Science.

During the session, students gained valuable insights into various aspects of crime management, enhancing their knowledge in this crucial field. Dr. Gupta's expertise provided attendees with practical perspectives and theoretical foundations, enriching their academic journey.

The talk proved to be informative and beneficial for all participants, fostering a deeper understanding of forensic science applications in real-world scenarios. SAGE Institute of Sciences continues to provide opportunities for students to engage with industry experts, ensuring a well-rounded educational experience.

## Training and Placement, SUI Hosts Diverse Campus Drives!

Explore exciting career prospects through exclusive recruitment events, connecting students with leading companies.

# *Faculty* Achievements

**Dr. Dinesh Jain**

(Professor, ICA)

- Social media texts using deep learning and NLP technique
- Use of Emotion Recognition System for Movie through Facial Expressions: A Movie Acting System
- Appointed Reviewer for ICCCCM 2024 Conference
- Appointed Reviewer for SCI Indexed International Journal "Intelligent Decision Technologies"
- Appointed Reviewer for SCOPUS Indexed Inderscience Journal Publisher "International Journal of Computer Application"
- Attended NSDC- 10 Days FDP on "TOT Network System Associate"

**Dr. Ati Jain**

(Associate Professor, IAC)

- Patent Submitted: Use of Emotion Recognition System for Movie through Facial Expressions: A Movie Acting System
- Appointed Reviewer for SCOPUS Indexed Journal JERNS Journal of Engineering Reserach and Sciences

**Dr. Sachin Patel**

(Associate Professor, IAC)

- "Enhancing Road Safety: A System for Detecting and Predicting Road Accidents"
- A survey of devops practice and Implementation optimizing energy efficiency in indoor wireless sensor network
- A comprehensive review on sensor node intergration
- International Conference on Machine Intelligence and Cyber Physical Systems (ICMICPS 2023) held online during December 23-24, 2023

**Vijay Birchha**

(Asst. Professor, IAC)

- Registration for a UK Design Patent, "Sensor-Based Smart Currency Counter Device"  
Review contribution to the International Journal of Electrical and Computer Engineering (IJECE) Scopus index journal
- Attended Five Days International Faculty Development Program (FDP) on "A Comprehensive Exploration of Cognitronics by Unraveling Technologies" Organized by: Department of Computer Engineering and Department of Advance Computing, Poornima College of Engineering, Jaipur. February 06-10, 2024

**Dr. Shivangini Saxena**

(Associate Professor, IAC)

- Patent Published: A System for a grocery container with moisture and strage level detector using Arduino
- Copyright Filed on Handover in future generation wireless networks based on QoS Metrics.
- Patent Submitted: IOT Based Probability distribution calculation product using R language
- Organised and attended FDP on "TOT Network System Associate"

# *Faculty* Achievements

**Dr. Neeraj Chandnani**

(Associate Professor, IAC Specialization)

- Second International Conference on Advanced Research Methods, Tools and Techniques for Multidisciplinary Research on 20-21 Feb 2024
- International Workshop on Research Manuscript drafting and patent filing process from 10-17 Feb 2024
- Second International Conference on Multidisciplinary Research trends in European, Asian and African Countries on 18-19 Jan 2024

**Anaya Kulkarni**

(Asst. Professor, IAC)

- Attended 7days Faculty development program on "Latest Trends and Techniques on Software Engineering- An industry Perspective "

**Kundan Kumar Mishra**

(Asst. Professor, IET)

- A Survey of DevOps Practices and Implementation

**Vinod Azad**

(Asst. Professor, CSE/IT)

- Attend Bootcamp at Symbiosis University as a mentor of Team.
- Attend Regional meet conduct by Institution's Innovation Cell MOE' Innovation cell

**Mr. Abhieshek Barche**

(Asst. Prof., Institute of Computer Application)

- Successfully completed an FDP certificate on Tools of research writing.

**Ms. Nidhi Singh**

(Asst. Prof., Institute of Computer Application)

- Successfully completed an FDP certificate on Tools of research writing.

## Students Achievements

# Congratulations

And I got awarded by him for Best Player in National Netball Championship Men's and after that when Chairman sir came Indore for Junior National, we got sammanit by local politician of Indore.
