HON'BLE CMD ER. SANJEEV AGRAWAL: AN EPITOME OF PERSEVERANCE

The visionary leadership of Hon'ble Chancellor Sanjeev Agrawal at Sage University has transformed the institution, propelling it to new heights of academic excellence. He is the epitome of perseverance, as his commitment to his goals and determination to find ways to achieve them have shaped him into the leader he is today. His dedication to his work and tireless efforts to bring about change in society have paved his path to success.

His strategic vision and commitment to innovation recently earned Sage University the distinction of being ranked among the QS Top Universities.

Chancellor Agrawal's dedication to expanding access to education and fostering diversity has empowered students to thrive in a globalized world. Rooted in a profound spiritual philosophy, emphasizes on the importance of holistic development. Through his transformative influence, CMD Sir has inspired generations of scholars and leaders, leaving an enduring legacy of excellence and inclusive leadership.

Embodying the belief in the transformative power of education, CMD Sir has championed initiatives aimed at expanding access to higher education, fostering diversity and inclusion, and equipping students with the skills and knowledge necessary to thrive in today's globalized world. His visionary leadership has cultivated an environment that fosters innovation, encourages interdisciplinary collaboration, and empowers both students and faculty to push the boundaries of knowledge.

Beyond academic accolades, Chancellor Agrawal's leadership is rooted in a profound spiritual philosophy centered on the values of excellence, integrity, and responsibility.

As we reflect on his outstanding accomplishments, we honor his enduring legacy and eagerly anticipate a future guided by his vision of quality, innovation, and inclusive excellence.

Aiming for Perfection: The Leadership of ED Mam

In the realm of higher education, leadership that prioritizes perfection in their work brings about positive and transformative change in everything they do. Under the leadership of Executive Director Sakshi Mam, Sage University has been elevated to unprecedented heights through her unwavering dedication and steadfast commitment.

At the forefront of educational initiatives, ED Mam has pioneered efforts to enhance the academic experience and foster student success. Her vision for educational excellence inspires faculty and students to push the boundaries of knowledge and innovation.

Her commitment to championing perfection in everything she does has earned her accolades at a very young age. Under her guidance, Sage University Indore has implemented initiatives to promote a culture of change, innovation, and perfection.

Above all, ED Mam embodies the values of ethical leadership, integrity, and accountability. Her transparent and fair approach fosters a culture of trust and collaboration, empowering individuals to excel and uphold the mission and values of Sage University Indore.

Mrs. Sakshi Agrawal Bansal

Executive Director
The SAGE Group

Empowering Leadership: A Salute to Our Esteemed Pro-Chancellor

In the dynamic realm of education, strong and empowering leadership is paramount. At SUI, we are privileged to have Dr. Prashant Jain, our esteemed Pro-Chancellor, whose exemplary leadership has been a guiding light for our institution.

His leadership style is characterized by empowerment, inclusivity, and mentorship. He believes in creating an environment where every member of the SUI community feels valued, respected, and empowered to contribute their best. Through open communication, active listening, and collaborative decision-making, he fosters a culture of trust and transparency that inspires confidence and engagement among students, faculty, and staff.

As a mentor and role model, Dr. Prashant Jain invests time and effort in nurturing the talents and potential of those around him. He encourages innovation, initiative, and personal growth, providing guidance and support to individuals as they navigate their academic and professional journeys. His unwavering commitment to empowering others has helped shape a generation of leaders who are poised to make a positive impact on society.

Beyond the walls of SUI, Dr. Prashant Jain's leadership extends to the broader community, where he actively engages in initiatives aimed at social upliftment and empowerment. Whether through philanthropy, volunteerism, or advocacy, he leads by example, inspiring others to join him in creating a brighter and more inclusive future for all.

In recognition of his transformative leadership, Dr. Prashant Jain continues to be a beacon of inspiration and empowerment for the SUI community and beyond. His legacy of empowering leadership will continue to guide and inspire generations to come, leaving an indelible mark on the landscape of education and beyond.

Dr. Prashant Jain

Pro Chancellor
SAGE University, Indore-Bhopal

A Confluence of Melody, Movement and Memories

The Sage Euphoria 2024 was not just an event; it was an experience that transcended time and space, leaving an indelible mark on the hearts and minds of all who attended. From April 18th to April 20th, 2024, Sage University Indore played host to this grand celebration of life, bringing together students, faculty, staff, and guests from near and far for three days of music, sports, fashion, and more.

The festival was a testament to the vibrant spirit and diversity of the Sage community, showcasing talent from every corner of the campus and beyond. From the moment attendees stepped onto the grounds, they were greeted with an atmosphere buzzing with excitement and anticipation, as each day promised new experiences and adventures.

DAY 1

A Grand Inauguration

The festival kicked off with a grand inauguration ceremony, attended by dignitaries from the university and beyond. Pro chancellor Dr. Prashant Jain, Vice-Chancellor of Sage University, Dr. Ankur Arun Kulkarni, and other esteemed guests graced the occasion, setting the stage for what would be an unforgettable weekend.

The highlight of the first day was undoubtedly the mega fashion show, where students strutted their stuff on the runway, showcasing the latest trends and designs. From traditional attire to avant-garde fashion, the show was a visual feast that had everyone in awe.

In addition to the fashion show, attendees were treated to a celebrity visit from the cast of the movie "Ruslaan." Aayush Sharma and Sushrii Shreya Mishraa charmed the audience with their presence, sharing anecdotes from the film industry and inspiring the next generation of aspiring actors and actresses.

DAY 2

Music, Dance and More

The second day of the festival was all about music and entertainment, with performances by some of the biggest names in the industry. The day embarked with an electrifying performance by rockstar Chintan Bakiwala, whose high-energy set had the crowd on their feet and dancing the night away. As the sun set, the stage was set for a DJ night featuring DJ Rhea, Who made the entire crowd jig on her rhythmic beat. From EDM to hip-hop, her eclectic mix of music had something for everyone, ensuring that no one left the dance floor until the very end.

DAY 3

A Musical Finale

The final day of the festival was dedicated to music, with a headline performance by the musical sensation Akhil Sachdeva. Musical hits like Channa Ve, Apna Bana le and Everyone's favourite Tera Ban Jaunga from the blockbuster movie Kabir Singh. His soulful melodies and powerful vocals captivated the audience, transporting them to a world of pure emotion and bliss.

As Akhil Sachdeva's final notes faded into the night, attendees gathered for the valedictory ceremony, where they reflected on the memories and friendships made over the course of the weekend. From the exhilarating sports events to the captivating performances, The Sage Euphoria 2024 was a celebration of life, love, and the pursuit of happiness. In conclusion, The Sage Euphoria 2024 was more than just a festival; it was a celebration of the human spirit and the power of community. As attendees returned to their daily lives, they carried with them the memories and experiences of those three magical days, forever etched in their hearts and minds. And as the sun set on another successful festival, the Sage community looked forward to the next chapter in their journey, filled with hope, excitement, and endless possibilities.

SAGE Signs MOU with Kalinga University

In a momentous event, Kalinga University in Raipur, Chattisgarh, and SAGE University in Indore have officially signed a Memorandum of Understanding (MOU), marking a significant step towards collaboration in various fields. The MOU, aimed at fostering cooperation in teaching, research, and higher studies, sets the stage for an exciting partnership.

The agreement not only focuses on academic endeavors but also emphasizes social and cultural integration. Through initiatives such as student exchange programs, facilitating extensive networking opportunities for learners and academicians, and providing logistical support for young scholars, the MOU seeks to create a vibrant environment for learning and growth.

This partnership is poised to bring about mutual benefits and advancements in education, enriching the academic landscape of both institutions. Congratulations to Kalinga University and SAGE University Indore on this remarkable achievement!

ATMAMANTHAN: Honoring Excellence at SUI

The ATMAMANTHAN session at SUI, graced by the presence of the Hon'ble Chancellor, Er. Sanjeev Agrawal unfolded within the splendid confines of the Kalpavriksha Auditorium. Initiating the event, heads of departments from various institutes delivered presentations, showcasing their accomplishments and the diverse array of activities within their purview.

A pivotal moment occurred during the interaction between Chancellor Agrawal and new members of SUI, who were spellbound by the auditorium's positive and motivating atmosphere. This mentoring gesture underscored the university's dedication to nurturing talent and instilling leadership qualities in its students.

The apex of the event was the prestigious ATMAMANTHAN award ceremony, where exceptional achievers of the month were recognized for their outstanding contributions. Chancellor Sir graced the occasion with words of inspiration, lauding the awardees for their diligence and encouraging them to persevere in their pursuit of excellence.

The event concluded on a high note, leaving a lasting impression of inspiration and motivation on all attendees, reaffirming the university's commitment to academic excellence and holistic development.

Department of Applied Science, IET Organized a Seminar on Green Chemistry

On April 10, 2024, the Department of Applied Science at IET SUI organized a one-day seminar on Green Chemistry at the Visvesvaraya Auditorium, SAGE University, Indore. The event commenced at 10:00 AM and welcomed attendees from both within and outside the university.

The seminar featured an eminent speaker, Dr. Ram Mohan, a Professor of Chemistry from Illinois Wesleyan University, Bloomington (USA). Dr. Mohan shared valuable insights and knowledge about Green Chemistry, captivating the audience with his expertise.

The session was open to all. Additionally, all participants received certificates of participation. Guided by the Dean Academics Dr. Akhilesh Upadhyay and HOD, Prof. Sonal Tripathi, and convened by Dr. Sapna Dabade, the seminar proved to be an enlightening and enriching experience, fostering a deeper understanding of sustainable practices in chemistry.

SAGE University Indore Secures Spot in QS Top University Rankings!

SAGE University Indore celebrated a monumental achievement as it secured its position in the esteemed QS Top University Rankings. This marked another significant step towards academic excellence for the institution. With a commitment to quality education and continuous improvement, the university's inclusion in the rankings reflected its dedication to providing top-notch learning experiences.

The celebration echoed throughout the campus, highlighting the collective efforts of faculty, staff, and students in elevating the university's stature. It stood as a testament to SAGE University Indore's relentless pursuit of excellence in education, further solidifying its reputation as a leading academic institution.

Microstrip Antenna Design Book Launch: A Scholarly Celebration

The Kalpavriksha Auditorium witnessed a momentous occasion as it hosted the book launch event for "Rectangular Microstrip Antenna Design for Wireless Applications." The distinguished presence of Hon'ble Chancellor Er. Sanjeev Agrawal added an aura of significance to the event. Authored by Dr. Rajesh Kumar Nagar, Associate Professor at IET Sage University, Indore, and Professor and Dean Academics, Dr. Sudhir Agrawal, the book delves into the intricacies of microstrip antenna design.

The event was graced by various other dignitaries, including Vice Chancellor Dr. Ankur Arun Kulkarni, Pro-Vice Chancellor Dr. Mayank Saxena, Registrar Dr. Manish Chaudhary, and other officials such as Campus Director Mr. Rahul Gupta and Dean of Engineering Dr. Akhilesh Upadhyay. Their presence underscored the academic importance of the book launch.

During the launch, Hon'ble Chancellor Er. Sanjeev Agrawal commended the authors for their scholarly contribution to the field of wireless communication. He emphasized the relevance of research in advancing technology and its applications in modern society. The book, a culmination of rigorous research and expertise, promises to be a valuable resource for students, researchers, and professionals in the field.

The event concluded with a sense of achievement and anticipation for the impact the book would have on the academic community and the broader field of wireless communication. As attendees mingled and exchanged insights, it was evident that the book launch had successfully sparked intellectual discourse and laid the foundation for further advancements in the field.

SUI and EICompute Technologies Pvt. Ltd Join Hands in MOU Signing Ceremony

Congratulations were in order as SAGE University Indore and EICompute Technologies Pvt Ltd, powered by Nvidia GPU, signed an MOU. This significant event marked a milestone in collaborative efforts between academia and industry. At the ceremony, Executive Director Mrs. Sakshi Agrawal Bansal, Registrar Dr. Manish Choudhary, HOI, IAC Dr. Lalji Prasad, and authorities from EICompute were also present.

The MOU outlined several Key Result Areas (KRAs), including providing internships to students, conducting joint research activities, organizing seminars and academic meetings, exchanging academic materials and information, offering special short-term academic programs, enhancing networking and connectivity, and establishing a Centre of Excellence powered by Nvidia GPU.

This partnership aims to bridge the gap between theoretical knowledge and practical application, offering students invaluable opportunities for hands-on experience and industry exposure. It promised to foster innovation, research, and technological advancement, benefiting both the university and the technology sector.

Institute of Arts and Humanities Organizes A SAGE Talk on Success Without Stress

The Institute of Arts and Humanities orchestrated a thought-provoking Sage Talk on "Success Without Stress" in the past. The event, held on April 29, 2024, at the B Block Department of Arts and Humanities, commenced at 9 AM. Two eminent speakers, Yashika Tripathi, a seasoned commercial pilot, and Bhumika Savlani, a distinguished head chef, graced the occasion, sharing their insights on navigating success without succumbing to stress.

Dr. Vishal Sharma, the Head of the Institute, along with Dr. Padmashri Sharma, the Head of Department, served as advisors for the event. Their guidance ensured the seamless execution of the talk, enriching the audience with profound wisdom and practical advice.

The attendees were treated to a stimulating discourse, delving into strategies for achieving success while maintaining mental well-being. Yashika Tripathi elucidated her experiences in the aviation industry, emphasizing the importance of resilience and mindfulness in high-pressure environments. Bhumika Savlani shared her culinary journey, highlighting the significance of passion and balance in pursuit of professional excellence.

Under the coordination of Mr. Samarth Dubey, the event unfolded smoothly, fostering an atmosphere of enlightenment and inspiration. Participants departed with newfound perspectives on achieving success holistically, without compromising their mental and emotional health.

The Sage Talk served as a beacon of enlightenment, reaffirming the Institute's commitment to nurturing not only academic excellence but also holistic personal and professional development. As the echoes of the insightful discussions lingered, attendees departed with a renewed sense of purpose, ready to embark on their journeys toward success without stress.

Institute of Management Studies Hosts Entrepreneurship Workshop

The Institute of Management Studies orchestrated an enlightening workshop on entrepreneurship and idea generation. On April 25, 2024, starting at 10 AM, the IMS Board Room buzzed with anticipation and intellect. Mrs. Rashika Joshi Gautam, a distinguished speaker, shared her expertise, inspiring participants with insights into the entrepreneurial journey.

Under the able convenorship of Dr. Mayank Saxena, the Pro Vice-Chancellor, the event flourished. Prof. G.P. Mishra, Director CRC, served as the SUI source person, enriching discussions with his profound knowledge. Prof. Vandana Kadam, Assistant Professor at IMS, coordinated the workshop, ensuring its seamless execution.

Attendees were immersed in discussions and activities aimed at fostering creativity and innovation. Mrs. Gautam's guidance, coupled with the collaborative efforts of the organizing team, provided a fertile ground for budding entrepreneurs to explore and refine their ideas. As the workshop concluded, participants departed with newfound inspiration and practical strategies to embark on their entrepreneurial endeavors.

'Exploring Cognitive Biases' A Sage Talk

The Institute of Arts and Humanities hosted a captivating Sage Talk on cognitive biases and their impact on early career decision-making. On April 29, 2024, the event commenced at 11 AM in the B Block Department of Arts and Humanities. Megha Kalchuri Solanki, a seasoned counselor and psychologist, graced the occasion as the eminent speaker.

Dr. Vishal Sharma, the Head of the Institute, and Dr. Padmashri Sharma, the Head of Department, provided invaluable guidance as advisors for the event. Their expertise ensured the success of the talk, shedding light on the intricate relationship between cognitive biases and career choices.

Under the coordination of Mr. Samarth Dubey, the event unfolded seamlessly, offering attendees profound insights into the subconscious factors influencing their career decisions. Participants were left with a heightened awareness of cognitive biases and equipped with strategies to make more informed choices in their professional endeavors.

Empowering Futures Via Career Development Seminars

Professors Vidhi Sadh, Alka Jain, and Ocean Rana orchestrated successful seminars in collaboration with Force, they held a seminar on Career Counseling and Development, aiding individuals in refining their career paths toward defense and NDA services. The events were insightful, providing invaluable guidance to attendees navigating their professional trajectories. This facilitated platforms for meaningful discussions and learning opportunities, empowering participants to make informed decisions about their futures. These seminars stand as testaments to their commitment to nurturing talent and fostering personal and professional growth.

IAC Organizes An Expert Talk on Career in Software Testing

The Institute of Advanced Computing - CORE recently organized an expert session titled "Career in Software Testing," tailored for B. Tech students. The session aimed to provide insights into career development opportunities in the field of software testing. Esteemed speakers included Mr. Alok Ranjan, Director of Infobyd Software Solutions, and Mr. Sandeep Chaubey, Project Manager at LMS India.

Guiding the event were Advisor Dr. Rajat Bhandari, HOI of IAC CORE, and Convenor Prof. Manoj Ramaiya, HOD of IAC CORE. Held on April 26, 2024, from 10:30 am to 12:30 pm, the event took place at the 1st-floor Seminar Hall IMS.

Students eagerly participated, gaining valuable insights into the intricacies of software testing and its potential career pathways. The session fostered an environment of learning and career exploration, equipping students with essential knowledge to navigate the dynamic field of software testing.

Faculty Achievements

Dr. Pratik Jain
Head TPIIC, B&P, CAD

- Proudly represented Sage University in a prestigious panel discussion on the "Education Leader's Playbook to Growing Enrollments." The event was organized by Evolve by Meritto.

Dr. Pooja Jain
(Associate Professor, IMS)

- A paper published entitled 'A Study on the Impact of work-life balance on Personal & professional Lives of women faculty Members of B-Schools.' in the UGC Care Group-I Journal, Mukta Shabd Journal, Volume XIII, Issue IV, April 2024

Prof. Kunal Tiwari
(Asst. Professor, IMS)

- Presented a paper at 4th International Conference Title of paper: Global workforce planning & succession management strategies of Multinational organizations.

Prof. Vidhi Sadh
(Asst. Professor, IMS)

- Seminar on Career Counselling and Development Cell organised Career Development Seminar in association with Force
- Seminar on Career counselling on Refining career path towards defends & NDA services

Dr. Bharat Bhati
(Associate Professor, IMS)

- Invited as an Eminent speaker in a 3-day workshop on Use AI tools of research writing on 31.3-24 in Asha Paras for Peace & Harmony Foundation, India

Prof. Vandana Kadam
(Asst. Professor, IMS)

- Attended a Free Human Resource Skills workshop at Tareeqa Global Solutions Pvt. Ltd.

Prof. Preeti Dubey
(Asst. Professor, IET/AS)

- A Book Chapter Published entitled "Investigating the portrayal of women in Indian and British Literature throughout Diverse Historical Epochs".
- A Patent Acquired entitled The Emotion Recognition System for Movies through Facial Expression -Application no. 202421017533

Faculty Achievements

Dr. Hare Ram Sah
(Professor, IAC)

- Published a research paper entitled 'Advancing Glaucoma Identification with Deep Learning: Utilizing Efficient Neural Networks for Enhanced Analysis of Retinal Fundus Images' in the journal of electrical systems SCOPUS, April 2024.
- Acquired a copyright on AI Based Multimedia forgery detection device Published Design Number--405570-001

Dr. Shivangini Morya
(Asso. Professor, IAC)

- A Copyright Acquired on 'Handover in future generation wireless network based on QOS matrices.'

Dr. Neeraj Chandnani
(Asso. Professor, IAC)

- Participated in 4th International Conference on Recent Trends in Multidisciplinary Research (COM 4.0)
 - Attended an FDP on Quantitative Research Design and Application of SPSS Software, Application of AI in Research Methods.
- Attended a Certificate Program on Mechanism of Manuscript, Thesis Drafting and funding of Research Project with application of AI.

Dr. Deepak K Yadav
(Asso. Professor, IAC (Specilaization))

- Acquired a Design Patent.
- Received an The rising Excellance Award from Bharat Good Times.

Dr. Dinesh Jain
(Professor, IAC (Specilaization))

- Acquired a patent entitled 'The Emotion Recognition System for Movies through Facial Expressions (ERS).'
- Appointed Reviewer for SCOPUS and ESCI International Conference ICCO 2024, Redmon USA, Shah Alam, IJATEE, IJR, Journal of CS and for Book Chapter at CRC Press.

Dr. Ati Jain
(Professor, IAC, IET)

- Patent Acquired entitled Air Purifier System Using Fuzzy Logic Control.

Faculty Achievements

**Dr. Rajesh Katre**

(Professor, IET/AS)

- Paper published on the Study of Synthesis, Structural and electrical nature of Ba_{0.9}Ca_{0.1}TiO₃ ceramic material in the International Journal of Novel Research and Development - (IJNRD)
- Paper published on Hafnium (Hf) doped BaTiO₃v: A study of structural and electrical properties for device applications feasibility

**Prof. Jyoti Maurya**

(Asst. Professor, Applied science, IET)

- Successfully Participated in a 3 day National level webinar on IPR AND IP managements for startups which was organised by "KANYA MAHA VIDHYALAYA JALANDHAR"

**Prof. Rohit Tiwari**

(Asst. Professor, Applied science, IET)

- A Patent Acquired entitled LED BASED SOLAR SYSTEM (406244-001)
- Participation certificate of attending 3 day National level webinar on IPR AND IP managements for startups which is organised by "KANYA MAHA VIDHYALAYA JALANDHAR"

**Prof. Siddharth nath Gautam**

(Asst. Professor, Applied Science, IET)

- A Patent Acquired entitled LED BASED SOLAR SYSTEM (406244-001)
- Participation certificate of attending 3 day National level webinar on IPR AND IP managements for startups which is organised by "KANYA MAHA VIDHYALAYA JALANDHAR"

**Prof. Sonal Tripathi**

(HOD, Applied science, IET)

- Successfully Participated in a 3 day National level webinar on IPR AND IP managements for startups which was organised by "KANYA MAHA VIDHYALAYA JALANDHAR"

**Prof. Manoj Shinde**

(Asst. Prof., Applied science, IET)

- Participation certificate of attending 3 day National level webinar on IPR AND IP managements for startups which is organised by "KANYA MAHA VIDHYALAYA JALANDHAR"

Faculty Achievements

**Dr. Swati Dubey**

(Asst. Prof., IET/AS)

- Participation certificate of attending 3 day National level webinar on IPR AND IP managements for startups which is organised by "KANYA MAHA VIDHYALAYA JALANDHAR"

**Dr. Sapna Dabade**

(Asso. Professor, IET/AS)

- Participation certificate of attending 3 day National level webinar on IPR AND IP managements for startups which is organised by "KANYA MAHA VIDHYALAYA JALANDHAR"

**Prof. Snigdha Rathore**

(Asst. Professor, IET/AS)

- Participation certificate of attending 3 day National level webinar on IPR AND IP managements for startups which is organised by "KANYA MAHA VIDHYALAYA JALANDHAR"

**Dr. Farkhunda Sayyed**

(Professor, IAC, IET)

- Participation certificate of attending 3 day National level webinar on IPR AND IP managements for startups which is organised by "KANYA MAHA VIDHYALAYA JALANDHAR"

**Dr. Nidhi Tiwari**

(Asso. Professor, IET/EC)

- Book Published entitled A Modern Approach for Artificial Intelligence

**Prof. Megha Gupta**

(Asst. Professor, IET/EC)

- Published a book chapter entitled Microstrip Antenna for 5G wireless systems in Taylor Francis in the book 'Array and Wearable Antennas.'

**Dr. Abhay Kothari**

(Professor), IAC, IET)

- Patent Acquired entitled Air Purifier System Using Fuzzy Logic Control.

Students Achievements

Congratulations

Palkesh Sharma, a student from the Institute of Law and Legal Studies, clinched the silver medal in the Qwan Ki Do Competition at the All India University Games.

Congratulations

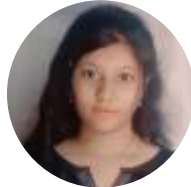

Congratulations to the MCA II Sem 23-24 Batch from the Institute of Computer Applications for clinching the HackWave championship at Chameli Devi Group of Institution.
