## INSPIRING EXCELLENCE, BUILDING LEGACIES

**HON'BLE CHANCELLOR**

The Chancellor of Sage University Indore, Er. Sanjeev Agrawal, is a visionary leader whose determination, wisdom, and foresight have been the driving force behind the university's journey of excellence. With his philosophy of combining values with modern education, he has nurtured Sage University into an institution where academic brilliance and character-building go hand in hand. Under his leadership, the university has established itself as a hub of innovation, discipline, and holistic development, inspiring faculty and students to aim higher each day.

Hon'ble Chancellor Sir strongly believes that education must go beyond classrooms and textbooks. For him, it is a transformative process that builds confidence, integrity, and resilience in every learner. His vision emphasizes preparing students not only for successful careers but also for meaningful lives where they contribute to society with responsibility and compassion. He often reminds students that real progress lies in staying grounded in values while striving for global excellence.

A passionate advocate of lifelong learning, Hon'ble Chancellor Sir encourages students to embrace challenges with courage, remain curious, and view failures as stepping stones to success. His message has always been clear and inspiring: dream fearlessly, act honestly, and remain committed to continuous growth.

Through his leadership, Sage University Indore has strengthened its role as an institution that nurtures innovation, instills discipline, and promotes social responsibility. Today, the university stands as a testimony to his vision of empowering young minds to become leaders who create impact not only in their professions but also in society at large.

# Achieving with Vision and Dedication

Respected MD

The Managing Director of Sage University Indore, Ms. Sakshi Bansal, is an achiever, an enthusiast, and above all, a lifelong learner. Her leadership reflects a constant pursuit of growth, where every milestone becomes a stepping stone toward a greater vision. With determination and strategic foresight, she continues to set new benchmarks in academics, innovation, and institutional development. Her ability to align continuous goals with long-term objectives ensures that the university always stays ahead in a dynamic educational landscape.

Energetic and enthusiastic in her approach, she inspires both students and faculty to remain curious, embrace challenges, and learn at every stage of life. She firmly believes that progress is not a destination but a journey of consistent effort, adaptability, and commitment to excellence.

Her message is clear: stay focused, nurture a learner's mindset, and work passionately on your goals. For her, success is the outcome of perseverance, vision, and continuous self-improvement.

**Ms. Sakshi Bansal**

Managing Director, The SAGE Group

# Inspiring Growth, Guiding Excellence

Respected Pro-Chancellor

The Pro-Chancellor of Sage University Indore, Dr. Prashant Jain, is a mentor, motivator, and strategist who believes in leading by example. His dedication to building an ecosystem of excellence has made him a constant source of encouragement for students and faculty alike. With his forward-looking approach, he ensures that education at the university is not just about academic learning but also about cultivating leadership qualities, discipline, and a spirit of innovation.

He places strong emphasis on character-building and the importance of continuous self-improvement. For him, true education lies in preparing individuals who are resilient, socially conscious, and capable of contributing meaningfully to the nation's growth. His vision aligns modern advancements with timeless values, creating a balanced pathway for holistic development.

His message to students is clear: remain enthusiastic learners, focus on discipline, and chase your goals with passion and perseverance. His leadership continues to guide Sagiens toward brighter, purpose-driven futures.

**Dr. Prashant Jain**

Pro-Chancellor, SAGE University, Indore-Bhopal

# Engineers' Day Celebration by Department of Civil Engineering, IET

The Department of Civil Engineering, IET, Sage University Indore, in association with UltraTech Cement Ltd., proudly celebrated Engineers' Day with great enthusiasm and pride. The event served as a tribute to the vision, dedication, and excellence of engineers who continue to shape society through innovation and hard work.

The highlight of the celebration was the felicitation of engineers from SAGE Realty, honoring their outstanding contribution and commitment to the field. The ceremony was filled with enriching interactions, inspiring words, and moments of pride that beautifully captured the true spirit of engineering.

The event not only celebrated achievements but also motivated young engineers to carry forward the legacy of creativity and service to society. Heartfelt gratitude was extended to the mentors, advisors, convenors, coordinators, and participants whose support and presence made the celebration a remarkable success.

## Concrete Day Celebration with Value Added Course by Civil Engineering, IET

The Department of Civil Engineering, IET, Sage University Indore, proudly organized a Value Added Course (VAC) on the occasion of Concrete Day in association with UltraTech Cement Ltd. The program was designed to provide students with real-world exposure and hands-on learning beyond the classroom.

Students had the unique opportunity to participate in live demonstrations conducted in the UltraTech Mobile Van, where they engaged directly with cement applications and technology. This interactive session enriched their academic knowledge with practical insights, allowing B.Tech and Diploma 1st year students to experience the true integration of theory with practice.

The initiative successfully bridged the gap between academic concepts and industry requirements, inspiring students to explore engineering with a more applied perspective. The department extended heartfelt gratitude to UltraTech Cement Ltd. for their constant support in creating meaningful industry-academia collaborations.

# Series of Invited Talks by IET (Applied Science, CSE-IT) & IAC (Specialization)

On the occasion of Engineers' Day, the Department of Applied Science and CSE-IT, IET, along with the Institute of Advanced Computing (Specialization) at Sage University Indore, proudly organized a Series of Invited Talks under the theme "Industry Unplugged: Engineering Beyond the Classroom."

The celebration brought together eminent speakers from industry and academia who shared valuable experiences and inspiring thoughts with the students. The talks emphasized the importance of bridging the gap between classroom learning and real-world applications, enabling students to connect their academic knowledge with practical industry perspectives.

Students gained insights into emerging technologies, industry practices, and essential professional skills, which not only enhanced their learning but also prepared them to face the challenges of the engineering world with confidence. The sessions truly embodied the spirit of Engineers' Day by honoring the role of engineers in shaping society through innovation and dedication.

The distinguished speakers included Mr. Anmol Mahiya (Data Analyst, Addval Analytics), Er. Rajendra Prasad Gautam (Immediate Past Chairman, The Institution of Engineers-Indore Local Centre), Er. Dinesh Kumar Shukla (Chairman, The Institution of Engineers-Indore Local Centre), Prof. (Dr.) Shilpa Tripathi (Chairman, CATE, IE(I), Kolkata), and Er. Ramesh S. Chouhan (Honorary Secretary, The Institution of Engineers-Indore Local Centre).

The program successfully celebrated engineering excellence while inspiring students to innovate, lead, and achieve.

# Educational Excursion to Udaipur by IET (CSE/IT) & IAC (Specialization)

SAGE University Indore successfully organized an educational excursion to Udaipur, the City of Lakes, for the students of IET (CSE/IT) and IAC (Specialization) from 19th to 21st September 2025. The three-day trip was designed as a unique blend of learning, exploration, and fun, offering students enriching experiences beyond the classroom.

During the excursion, students engaged in insightful academic interactions while also exploring the cultural and historical richness of Udaipur. From visiting heritage sites to experiencing the city's serene lakes and vibrant atmosphere, the trip created an inspiring environment that combined education with real-world exposure.

The excursion not only strengthened academic understanding but also enhanced teamwork, bonding, and cultural appreciation among the students. It was truly a memorable journey filled with knowledge, joy, and unforgettable moments.

# Expert Talk on Research Paper Writing Structure by IET (CSE/IT) & IAC (Specialization)

The Institute of Engineering & Technology (CSE/IT) and the Institute of Advanced Computing (Specialization) at SAGE University Indore, in association with CSI, ACM Chapter, and IEEE Student Branch, successfully organized an expert talk on "Research Paper Writing Structure" on 20th September 2025.

The session was conducted by Dr. Rajdeep Chakraborty, Professor, Department of CSE, IET, SUI, who shared valuable insights into the essentials of academic and research writing. He explained the structure of a research paper in detail, covering aspects such as abstract writing, literature review, methodology, results, and conclusions.

Students gained practical tips on maintaining clarity, originality, and technical accuracy in their writing. The session not only enhanced their understanding of the research process but also motivated them to pursue academic excellence with confidence.

The talk proved to be a golden opportunity for budding researchers to sharpen their skills and prepare for impactful scholarly contributions.

The poster features the SAGE University Indore logo and NAAC A+ accreditation. It identifies the event as an expert talk on "Research Paper Writing Structure" organized by the Institute of Advanced Computing (Specialization) and the Institute of Engineering and Technology (CSE/IT). The speaker is Dr. Rajdeep Chakraborty, Professor at the Department of CSE, IET, SUI. The event is associated with the CSI & ACM Chapter and IEEE Student Branch. Logos for IEEE and ACM are displayed. The date and time are 20th September 2025 at 09:00 AM. The website www.sageuniversity.in is provided at the bottom.

## Blood Donation Camp Organized at Institute of Pharmaceutical Science, SUI

The True SAGE Foundation, in collaboration with the Red Cross Society, successfully organized a Blood Donation Camp on 18th September 2025 at the Institute of Pharmaceutical Science, SAGE University Indore. The event was held under the guidance of Mrs. Kiran Agrawal, Chairperson, TSF, and Dr. Ritu Joshi, Convenor, TSF, with coordination support from Prof. Nidhi Sharma, Branding Coordinator.

The camp received overwhelming participation from students, faculty, and staff members who came forward with great enthusiasm to donate blood and contribute to the noble cause of saving lives. It also served as an important initiative to spread awareness about the significance of voluntary blood donation and to instill a sense of compassion and social responsibility within the SAGE community.

The efforts of the organizing team and the active support of volunteers ensured that the camp was a remarkable success, reflecting the values of humanity and service that SAGE University proudly upholds.

# IEEE WCCEST-25 Successfully Concluded at SUI

SAGE University, Indore successfully hosted the IEEE International Conference - WCCEST-25 from 24th to 26th September 2025, bringing together global innovators, researchers, and technology leaders to discuss cutting-edge developments in science and technology. The three-day event showcased groundbreaking ideas, inspiring keynote addresses, and impactful discussions, reflecting the university's commitment to fostering innovation and knowledge sharing.

The conference featured presentations on emerging technologies, AI, and digital transformation, encouraging collaborations that bridged academic research and industry applications. Eminent speakers and mentors from across the globe shared insights on responsible research, credibility, and the ethical application of technology. One such expert session on 25th September 2025, led by Dr. T. P. Sharma, Associate Professor at NIT Hamirpur and IIT Roorkee alumnus, emphasized the importance of evidence-based research and avoiding blind beliefs, leaving participants inspired and motivated.

Classrooms and auditoriums were transformed into platforms for dialogue, networking, and innovation, fostering an environment where ideas were exchanged freely and collaborations were born. The presence of distinguished guests, including Dr. G. S. Tomar, Chairman of IEEE MP CG, further enhanced the significance of the event.

IEEE WCCEST-25 successfully ignited curiosity, encouraged innovation, and empowered participants to explore the future of technology, establishing SAGE University as a hub for global scientific discourse and technological advancement.

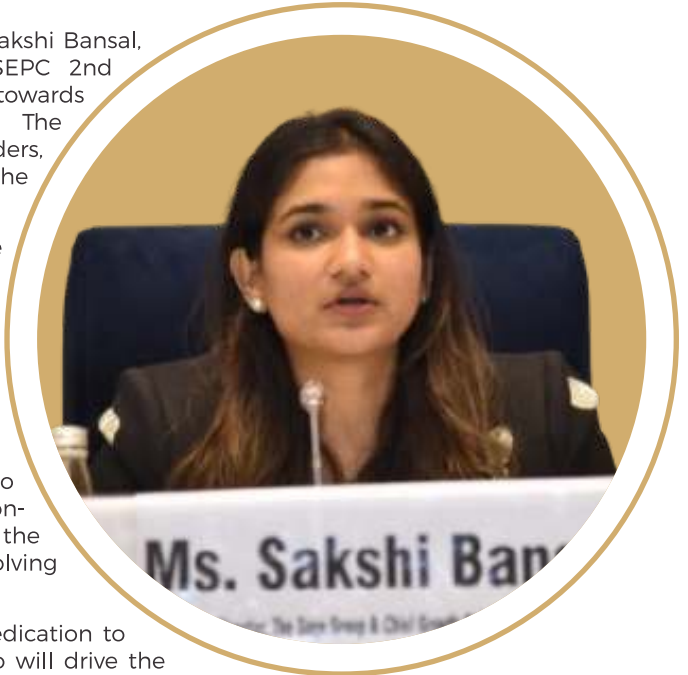

# MD Ms. Sakshi Bansal Represents SAGE at SEPC International Conference

It was a proud moment for SAGE University Indore as Ms. Sakshi Bansal, Managing Director, represented the university at the SEPC 2nd International Conference on Transforming Higher Education towards Viksit Bharat @2047 & Education Excellence Awards. The prestigious event brought together thought leaders, policymakers, and academic visionaries to deliberate on the future of higher education in India.

During her address, Ms. Bansal highlighted the progressive initiatives of SAGE University, showcasing how the institution has been continuously working towards innovation-driven learning, industry-oriented programs, and holistic student development. She emphasized the importance of aligning education with national goals, preparing students not only as skilled professionals but also as responsible citizens contributing to the vision of Viksit Bharat @2047.

Her presence reflected the commitment of SAGE University to academic excellence, technological advancement, and nation-building. By participating in such a significant platform, the university reaffirmed its role as a contributor to India's evolving higher education landscape.

The moment was truly a testament to SAGE University's dedication to shaping the future of education and nurturing leaders who will drive the nation forward.

## MD Ms. Sakshi Bansal Receives Best Hospital Award for SAGE Apollo at CII Event

SAGE Apollo Hospital was honored with the Best Hospital Award in Emergency Services at the prestigious CII Event held at Taj Lands End, Mumbai. This recognition reflects the hospital's excellence in delivering quality emergency care and its dedication to patient well-being.

The award was proudly received by Ms. Sakshi Bansal, Managing Director, SAGE Group, whose leadership continues to guide the institution toward higher benchmarks in healthcare. She emphasized that this honor stands as a true reflection of the group's motto of "Bringing Happiness to Society."

The achievement not only adds another feather to SAGE Apollo's cap but also inspires the team to continue excelling in healthcare services.

# Month of Enlightenment Begins with Wisdom & Inspiration at SUI

SAGE University, Indore (IET – CE, ME, EC | IMS, IAC Core, ICA & IOC, IoSc) inaugurated the Month of Enlightenment on 23rd September 2025 under the visionary guidance of our Hon'ble Chancellor Sir. The initiative began with "Learning from Lord Krishna" by Dr. Akhaya Kumar Nayak (IIM Indore & ISKCON), who shared insights from the Bhagavad Gita on turning challenges into opportunities and action into devotion. Mr. Ramkrishnan (ISKCON) further enriched the session with his interpretations of Krishna's teachings.

On 24th September, the Chief Preceptor, Ramakrishna Mission, delivered "Sat Chit Ananda – Live in Awareness and Bliss." The next day, Mr. Praneshwar (ISKCON) spoke on "Stay Committed to Karma." The inaugural series concluded on 26th September with Ms. Sujata Bansal (Curudev Sri Sri Ravi Shankar Sansthan) addressing "Harness Willpower."

Held at the IMS Seminar Hall, the sessions created an atmosphere of wisdom, positivity, and inspiration. Together, they marked a powerful beginning to a month-long journey of knowledge, spirituality, and self-growth at SAGE University.

## Bal Bhoj by True SAGE Foundation – Celebrating Navratri with Compassion

This Navratri, the True SAGE Foundation organized a heartfelt Bal Bhoj on 25th September 2025 at Visarjan Ashram, Indore, spreading love, care, and devotion among little children. The noble initiative aimed to celebrate the divine spirit of the festival by bringing joy to young hearts and seeking the blessings of Maa Durga through service and compassion.

The event, held under the guidance of Mrs. Kiran Agrawal (Chairperson, TSF) and Dr. Ritu Joshi (Convenor, TSF), witnessed enthusiastic participation and generous contributions from well-wishers who extended their support. Smiles, happiness, and blessings filled the atmosphere as children enjoyed the meals with excitement and warmth.

The Bal Bhoj beautifully reflected the Foundation's vision of spreading kindness and creating meaningful celebrations by sharing with those in need. It truly made Navratri memorable, reminding everyone that even the smallest gestures can bring light and happiness to many lives.

# Exploring the World of Snakes: A Field Study on Identification of Species by IoSc

On 17th September 2025, the B.Sc. Biological Sciences (CBZ) 1st, 2nd, and 3rd-year students of the Institute of Sciences, SAGE University Indore, participated in a unique academic field activity at Kamla Nehru Zoological Park, Indore (M.P.). The focus of the activity was the study and identification of poisonous and non-poisonous snakes.

Guided by expert faculty members Dr. Dipul Biswas and Ms. Surbhi Sudame, students gained hands-on exposure in identifying different snake species, distinguishing between poisonous and non-poisonous types, and understanding the effects of venom on the human body. The activity also emphasized the ecological significance of snakes and the importance of conservation practices.

Through interactive models and specimen studies, students were able to practically apply theoretical knowledge and confidently differentiate between species. The coordinators shared that this exercise not only deepened students' understanding of biodiversity and wildlife safety but also strengthened their awareness of ecological balance.

Special gratitude was extended to Dr. Sandeep Kumar Verma, Head of Institute, for his guidance and support in fostering such experiential learning opportunities. Dr. Jagrati Singhal, Head of Department of Science, highlighted how the initiative inspired students to explore future research and career prospects in zoology, environmental sciences, and wildlife studies.

# Expert Lecture on Managing Personal Finances with Mutual Funds

The Institute of Law and Legal Studies, SAGE University Indore, successfully organized an expert lecture on "Managing Personal Finances with Mutual Funds." The session was conducted by Mr. Aditya Agrawal, Director, Target Alpha Ventures Pvt. Ltd., who shared valuable insights into financial discipline, regular saving, and smart investing.

More than 100 law students actively participated in the lecture and learned about the fundamentals of financial literacy. The talk provided practical knowledge on Systematic Investment Plans (SIPs), risk management, and goal-oriented investing, enabling students to understand how disciplined financial habits can help secure a stable future.

The session was well received by students, who appreciated the practical approach and real-world examples shared by the speaker.

The event was successfully coordinated by Ms. Nikita Nayak and Mr. Shivam Chouhan, Assistant Professors, under the guidance of Prof. (Dr.) Vishal Sharma (HOI), Dr. Niti Nipuna Saxena (HOD), and Dr. Jyoti Panchal Mishtri (HOD).

# Experiential Learning Session Organised at SUI's MBA Department

The Department of Management Studies at SAGE University, Indore successfully conducted an experiential learning session for MBA students, focusing on enhancing decision-making skills through practical classroom activities and data-driven presentations. The session aimed to bridge the gap between theoretical knowledge and real-world application, preparing students with analytical and leadership abilities.

The event was organised under the guidance of Dr. Mayank Saxena, Pro Vice Chancellor, SAGE University, and convened by Dr. Paras Jain, Head of the MBA Department, with coordination by Prof. Prashant Sharma, Academic Coordinator. The methodology centered on experiential learning, where students actively engaged with raw data, analyzed it, and presented their findings, simulating real corporate decision-making scenarios.

Classrooms were transformed into boardroom-like environments, allowing students to work in groups as decision-making committees. Faculty facilitated the process while giving students autonomy, thereby replicating real corporate challenges. This approach helped develop critical thinking, teamwork, communication, and problem-solving skills.

The session reflected the university's commitment to innovative teaching aligned with the National Education Policy (NEP). The MBA Department expressed gratitude for the continuous support of the university leadership, which provided the platform to organise such impactful academic initiatives. The session successfully empowered students to gain practical insights, preparing them to emerge as competent and innovative business leaders.

## Inst. of Agriculture Sciences Students Visit GOBAR-Dhan Bio-CNG Plant to Explore Renewable Energy

First-year B.Sc. Agriculture (Hons.) students of the Institute of Agriculture Sciences at SAGE University, Indore visited the GOBAR-Dhan Bio-CNG Plant in Deoguradia, guided by Ms. Purva Dubey and Dr. Ganesh Maske. The visit offered students a hands-on understanding of renewable energy and sustainable agricultural practices.

During the visit, students observed the entire Bio-CNG production process: collection and segregation of waste, processing and conversion into CNG and biofuels, and the supply, storage, and transportation of the final products. This practical exposure allowed students to connect theoretical knowledge with real-world applications in sustainable energy and agriculture.

Dr. Deepak Kumar Sinha, HOD, emphasized that such experiential learning empowers students to innovate and contribute to India's vision of a self-reliant and developed nation. He highlighted that agriculture extends beyond crop cultivation, encompassing learning in classrooms, experimentation in laboratories, and implementation on farms—a journey captured in the motto, "From class to lab and from lab to farm."

The initiative successfully provided students with knowledge, skills, and inspiration to explore renewable energy solutions while fostering a deeper understanding of sustainability and agricultural innovation.

## अंतरराष्ट्रीय संयुक्त संगोष्ठी की घोषणा

इंदौर। सेज यूनिवर्सिटी इंदौर और यूसीएसआई यूनिवर्सिटी, मलेशिया संयुक्त रूप से 15-16 अक्टूबर 2025 को एक अंतरराष्ट्रीय संगोष्ठी का आयोजन कर रहे हैं संगोष्ठी का विषय है फॉर्म लैब टू मार्केट ट्रांसलेशनल रिसर्च एंड पेटेंट स्ट्रेटजी मलेशिया से एक अकादमिक दल इसमें भाग लेने भारत आ रहा है। इस संगोष्ठी में मलेशिया से 50 से अधिक प्रतिनिधि अपनी शोध प्रकाशन प्रस्तुत करेंगे और देश-विदेश से विशेषज्ञ, शोधार्थी और विद्यार्थी भाग लेंगे। शोध पत्र एवं छत्र निर्मित उत्पाद को दो अलग ISBN पुस्तक में प्रकाशित होंगे। उद्योग जगत एवं सेंटर ऑफ एक्सिलेंस मैत्री के सहयोग से यह संगोष्ठी शोध पद्धति, IPR और व्यवसायीकरण पर वैश्विक संवाद का एक महत्वपूर्ण मंच होगी।

## सेज यूनिवर्सिटी में एमबीए विद्यार्थियों हेतु व्याख्यान का सफल आयोजन

इंदौर। सेज यूनिवर्सिटी इंदौर के एमबीए विभाग द्वारा विद्यार्थियों में निर्णयक्षमता का विकास करने तथा कक्षा शिक्षण को व्यावहारिक रूप प्रदान करने के उद्देश्य से अनुभवतामक अधिगम पर आधारित एक विशेष व्याख्यान का आयोजन किया गया। इस कार्यक्रम में विद्यार्थियों को उपलब्ध कराए गए आँकड़ों के आधार पर समूहगत प्रस्तुतियाँ तैयार कर प्रस्तुत करने का अवसर दिया गया।

इस प्रक्रिया का उद्देश्य विद्यार्थियों में विमलेषणात्मक दृष्टिकोण, निर्णयक्षमता तथा प्रस्तुतीकरण कौशल का विकास करना था। आयोजन के लिए आवश्यक मार्गदर्शन प्रो वाइस चांसलर डॉ. मयंककवसेना द्वारा प्रदान किया गया। उन्होंने अपने उद्बोधन में कहा कि प्रबंधनशिक्षा में केवल सैद्धांतिक ज्ञान पर्याप्त नहीं है, अपितु विद्यार्थियों को वास्तविक परिस्थितियों में निर्णय लेने योग्य बनाना भी उतना ही आवश्यक है।

कार्यक्रम के संयोजक डॉ. पारस जैन (विभागाध्यक्ष, एमबीए) ने कहा कि इस प्रकार की शिक्षण गतिविधियाँ विद्यार्थियों को उद्योग की व्यावहारिक आवश्यकताओं से अलगत कराती हैं। सत्र का सफल संचालन प्रो. प्रशांत शर्मा (अकादमिक कोऑर्डिनेटर, एमबीए) द्वारा किया गया।

इस अवसर पर विभाग की ओर से चांसलर इंजीनियर संजीव अग्रवाल, मैनेजिंग डायरेक्टर श्रीमती साक्षी बंसल अग्रवाल, प्रो चांसलर डॉ. प्रशांत जैन, कुलपति डॉ. अरुण कुलकर्णी, रॉजिस्ट्रार डॉ. मनीष चौधरी एवं डायरेक्टर जनरल डॉ. सुधीर अग्रवाल के प्रति आभार व्यक्त किया गया।

## सेंट्रल जेल, इंदौर का शैक्षणिक भ्रमण

इंदौर। सेज यूनिवर्सिटी, इंदौर के बीएसएलसी (ऑनर्स) तथा बीबीएएलसी (ऑनर्स) नाम सेमेस्टर के छात्रों ने आज सेंट्रल जेल, इंदौर का शैक्षणिक भ्रमण किया। इस अवसर पर जेल अधीक्षक सुधी अच्युत सोनवत तथा सहायक जेल अधीक्षक सुधी सोनम बाबोर ने छात्रों को जेल प्रशासन और उसकी कार्यप्रणाली की विस्तृत जानकारी प्रदान की।

छात्रों को जेल में प्रवेश के पूर्व योग्यता पर परीक्षा देनी पड़ती है, जो जेल की सुरक्षा को सुनिश्चित करती है। जेल में प्रवेश के बाद छात्रों को सख्त अनुशासन का पालन करना पड़ता है। छात्रों को जेल के अंदर रहने के दौरान विभिन्न कार्यक्रमों में भाग लेना पड़ता है, जो उनके जीवन को बेहतर बनाने में मदद करता है। छात्रों को जेल के अंदर रहने के दौरान विभिन्न कार्यक्रमों में भाग लेना पड़ता है, जो उनके जीवन को बेहतर बनाने में मदद करता है।

## छात्रों ने 'प्रथम ऑर्गेनिक्स' में किया जैविक खेती का व्यावहारिक अध्ययन

इंदौर। कृषि विज्ञान संस्थान, सेज यूनिवर्सिटी इंदौर द्वारा विद्यार्थियों के लिए एक शैक्षणिक भ्रमण का आयोजन किया गया, जिसमें बीएससी, कृषि के तृतीय वर्ष के छात्रों ने जैविक खेती का दौरा किया।

छात्रों को जैविक खेती के बारे में जानकारी दी गई और उन्हें खेती करने में मदद दी गई। छात्रों को जैविक खेती के फायदों के बारे में बताया गया। छात्रों को जैविक खेती के फायदों के बारे में बताया गया।
