August 2025

VISIONARY LEADERSHIP FOR A PROGRESSIVE TOMORROW

HON'BLE CHANCELLOR

The Chancellor of Sage University Indore is a leader who exemplifies vision, wisdom, and dedication. His unwavering belief in the power of education as a transformative force drives the institution's core philosophy. With a strategic approach and deep-rooted values, he has created an ecosystem that nurtures intellectual brilliance and moral responsibility. Under his guidance, Sage University and The Sage Group has grown into a hub of innovation, research, and holistic development.

He strongly believes that education is not just about degrees; it is about shaping individuals who are resilient, ethical, and capable of leading with purpose. Year of manifestation that celebrates freedom and growth, resonates with his vision of liberating young minds from limitations and inspiring them to pursue excellence fearlessly. His leadership emphasizes character-building alongside skill enhancement, ensuring students are prepared for global challenges while staying connected to their roots.

As we move ahead, his commitment remains steadfast—to provide an environment where ideas flourish, dreams are realized, and knowledge becomes the foundation of societal progress. His message for every Sageian is simple yet powerful: dream big, act with integrity, and let learning be your lifelong companion.

Driving Growth with Excellence and Precision

Respected MD

The Managing Director of Sage University Indore is a visionary leader and an inspiration for many. She firmly believes that true progress stems from innovation, consistency, and collaboration, while staying rooted in values. Her leadership embodies a unique blend of strategic thinking and calm composure, ensuring that the university consistently moves toward global benchmarks in education and research. With a strong focus on infrastructure development, digital transformation, and quality assurance, she has built a solid foundation for a future-ready institution.

Passionate about creating an environment where students and faculty can thrive, she emphasizes the importance of hard work, passion, and spirituality in achieving success. For her, education is not only about knowledge but about shaping balanced individuals who can lead with wisdom and integrity.

As we embrace a new academic phase this August, her message is clear: stay calm, remain focused, and let perseverance guide your journey. She urges everyone to combine determination with inner peace, work tirelessly toward their goals, and believe that excellence is a result of both effort and mindset.

Ms. Sakshi Bansal

Managing Director, The SAGE Group

Transforming Ideas into Impact

Respected Pro-Chancellor

The Pro-Chancellor of Sage University Indore is an inspiring leader who blends innovation with vision. Known for his modern perspective and unwavering commitment to empowering young learners, he has redefined education by making it interactive, engaging, and deeply connected to real-world challenges. His approach combines technology-driven learning with value-based education, ensuring that students are not only employable but also socially responsible individuals.

He firmly believes that education should ignite curiosity, foster creativity, and encourage problem-solving. His vision is reflected in the university's dynamic academic culture and vibrant co-curricular ecosystem. For him, every student is a change-maker in the making, and it is the institution's responsibility to provide them with the tools and opportunities to succeed.

He calls upon students to think beyond boundaries, embrace every learning opportunity, and strive for excellence in all aspects of life. His leadership continues to inspire Sageians to move forward with confidence, clarity, and purpose.

Pro-Chancellor, SAGE University, Indore-Bhopal

Aarohan 2025

New Beginnings, Endless Possibilities

Sage University Indore successfully hosted its grand five-day induction program, Aarohan 2025, from August 18 to 22, 2025, creating an extraordinary beginning for its new batch of students. Designed to combine academic orientation with cultural vibrance and motivational sessions, Aarohan provided a holistic platform for learning, interaction, and inspiration.

Day 1

Corporate Insights with TCS Leadership

The inaugural day commenced with a dynamic session by Mr. Gaurav Ghelani, Regional Head - Talent Acquisition at TCS, who delivered invaluable guidance on corporate expectations and future-ready skills. His session emphasized employability essentials such as adaptability, technical expertise, and communication proficiency. By sharing real-world corporate scenarios, he helped students bridge the gap between academics and industry, encouraging them to embrace innovation and continuous learning.

Day 2

A Powerhouse of Vision and Motivation CMD's Visionary Address: Building a Strong Foundation

The second day began with an inspiring address by Hon'ble CMD Sir, whose words set the tone for excellence. He emphasized the importance of value-based education, self-discipline, and perseverance in shaping successful careers. His address was not only motivational but also directional, guiding students on how to approach their academic journey with clarity and commitment. He encouraged them to leverage the university's resources, adopt a growth mindset, and never compromise on ethics while achieving success.

Sonu Sharma's Electrifying Session: Success Mantras for Life

The second day began with an inspiring address by Hon'ble CMD Sir, whose words set the tone for excellence. He emphasized the importance of value-based education, self-discipline, and perseverance in shaping successful careers. His address was not only motivational but also directional, guiding students on how to approach their academic journey with clarity and commitment. He encouraged them to leverage the university's resources, adopt a growth mindset, and never compromise on ethics while achieving success.

Day 3

Inspiring Session by MD Ms. Sakshi Bansal

The third day featured an empowering session by Ms. Sakshi Bansal, Managing Director of Sage University Indore. She connected with students on a personal level, motivating them to be confident, stay focused, and pursue excellence while upholding values. Her session emphasized the significance of hard work, smart strategies, and holistic growth, preparing students to meet the challenges of a competitive world.

Day 4

Leadership Lessons with N. Raghuraman

Renowned management guru Mr. N. Raghuraman graced the fourth day with a session that blended humor, real-life case studies, and practical advice. He spoke about leadership, adaptability, and decision-making, offering students tools to excel in academics and professional life. His insights on innovation and resourcefulness were particularly impactful, equipping students with strategies for future challenges.

Day 5

Patanjali COO on Discipline and Innovation

The final day ended on a high note with Mr. Sanjeev Khanna, COO of Patanjali, delivering an insightful session on entrepreneurship, FMCG industry trends, and the role of discipline and innovation in achieving success. His words inspired students to think beyond conventional careers and explore new avenues with confidence and creativity.

Complementing these expert sessions were cultural programs, Saraswati Vandana, music, dance, fun games, and interactive departmental activities, making Aarohan 2025 a memorable experience. This grand event reaffirmed Sage University Indore's commitment to nurturing future-ready professionals with values, vision, and determination.

Hon'ble Chancellor Joins Ganeshotsav Celebrations at SUI

Sage University Indore witnessed a vibrant and spiritual atmosphere as the campus came alive with the joyous celebrations of Ganeshotsav. With immense devotion and enthusiasm, students welcomed Ganpati Bappa to the university premises in a grand procession, accompanied by chants, music, and festive energy. The arrival of the idol marked the beginning of an environment filled with spirituality, positivity, and togetherness.

The celebrations were further blessed by the gracious presence of our Hon'ble Chancellor Sir, who joined the students in this soulful journey of devotion. His participation added to the spirit of unity and reinforced the values of culture and tradition that Sage University upholds.

The event created a beautiful blend of faith, festivity, and community bonding, making the day truly memorable. With vibrant decorations, enthusiastic participation, and heartfelt prayers, the Ganeshotsav at Sage University became a symbol of devotion, joy, and collective harmony.

Auspicious Inauguration

of the New Institute of Pharmacy Building

We are delighted to announce the auspicious inauguration of the new building of the Institute of Pharmacy at Sage University Indore, conducted with devotion, reverence, and enthusiasm. This significant milestone reflects the university's continued commitment to growth, excellence, and world-class infrastructure.

The ceremony was graced by the esteemed presence of Hon'ble Er. Sanjeev Agrawal Sir, CMD – SAGE Group, along with other higher authorities and the dedicated pharmacy team. Adding to the sanctity of the occasion, our Hon'ble Chancellor Sir actively took part in the rituals, invoking blessings for the institute's bright future.

The inauguration marks not only the opening of a new academic space but also the beginning of new opportunities for students in the field of pharmacy. With this, Sage University strengthens its vision of nurturing skilled professionals and fostering holistic development in a state-of-the-art learning environment.

Expert Sessions Mark A Milestone at Aarohan 2025 Institute of Engineering & Technology

Aarohan 2025 continued to create an enriching experience for the budding engineers with a series of impactful expert sessions. The event began with an insightful ERP session conducted by Dr. Kulsum Sheikh, offering students practical understanding of essential academic tools. This was followed by an in-depth Scheme & Syllabus orientation by Dr. Amit Bahekar, which helped students familiarize themselves with their academic framework and future learning objectives.

Further adding to the academic foundation, Prof. Rupesh Rathore conducted a session on course registration and enrollment processes, ensuring clarity and smooth onboarding for the students. A major highlight was the motivational address by our respected Managing Director Ma'am, whose inspiring words encouraged students to set ambitious goals, work with passion, and maintain focus to achieve excellence.

To balance the academic intensity, an engaging Online Gaming session added excitement and camaraderie, making the day both productive and enjoyable.

This phase of Aarohan truly blended knowledge, motivation, and fun—setting the perfect tone for an extraordinary academic journey ahead. With more events lined up, the orientation program promised continued energy and inspiring experiences for future engineers.

Successful Conduction of ICSI Career Awareness Program - Institute of Commerce

The ICSI Career Awareness Program, organized by the Institute of Commerce (IOC), was successfully conducted with great zeal and enthusiasm. The session proved to be an enriching platform for students, offering deep insights into professional opportunities and financial literacy.

The program began with an enlightening address by CS Ankit Medatwal, Vice-Chairman of the ICSI Indore Chapter, who shared his expertise on setting up businesses and start-ups, encouraging students to embrace entrepreneurship with confidence. This was followed by CS Manish Joshi, Secretary of the ICSI Indore Chapter, who elaborated on the diverse career opportunities available in the Company Secretary profession, shedding light on its growing relevance in the corporate world. Adding to this, CS Krishna Gupta, Regional Manager of CDSL, delivered a highly engaging session on financial literacy, the significance of the capital market, and the vital role of depositories in the financial ecosystem.

The event concluded on an inspiring note, leaving students motivated, informed, and ready to explore dynamic career paths with renewed passion.

IET & UltraTech Cement Organize Hands-on Workshop for Future Engineers

The Institute of Engineering & Technology (IET), in collaboration with UltraTech Cement, successfully organized a one-day workshop as part of the Orientation Program for IET (CE, ME & EC) and IAC Core students. The session aimed to bridge the gap between academics and industry by providing practical knowledge and real-world exposure.

Students actively participated in hands-on training on the application of waterproofing materials, gaining insights into advanced construction practices and their relevance in modern infrastructure. This experience went beyond classroom learning, equipping students with industry-ready skills.

To make the day more engaging, interactive fun games and quizzes were conducted, filling the atmosphere with enthusiasm and excitement. Winners were rewarded with exciting gifts from UltraTech Cement, adding to the joy of the event.

This collaboration highlighted the importance of industry-academia partnerships in enhancing technical skills and building confidence among future engineers. The University extended heartfelt gratitude to UltraTech Cement for their valuable contribution to this enriching experience.

MD Ms. Sakshi Bansal Takes the Centre Stage at EDNEXT 2025

It is a moment of immense pride for Sage University Indore as our respected Managing Director, Ms. Sakshi Bansal, graced the prestigious EDNEXT Indore event as a distinguished speaker on 21st August 2025. Organized by The Economic Times at Sheraton Grand Palace, the event brought together leading voices from the education sector to discuss transformative ideas shaping the future of learning.

Ms. Bansal delivered an impactful address on the theme "NEP in Action: Policy, Tech, and Skills for Growth", where she shared her expert views on implementing the National Education Policy through technology integration, skill-based learning, and innovative academic strategies. Her insights emphasized the importance of aligning education with future industry needs while fostering holistic development.

Her participation highlighted Sage University's commitment to progressive education and leadership in driving change within India's academic ecosystem.

Expert Talk on “From Engineering Students to AI Research Leaders: India’s Path Forward”

Mr. Vijay Daultani Ph.D., Tokyo Institute of Technology, Japan M.Tech, IIT Delhi Group Manager, Rakuten, Tokyo, Japan shared profound insights on the journey from engineering students to AI research leaders, emphasizing the essential skills, mindset, and innovation required to excel in the AI domain. He also highlighted India’s emerging role in shaping the global AI landscape, inspiring students to pursue impactful research and leadership in this field.

Expert Talk on “Next-Gen Cybersecurity in the Cloud-First World”

Expert Speaker: Mr. Harvinder Singh (Ypsilon IT Solutions Pvt. Ltd.)

Session Highlights: Understanding modern cybersecurity challenges in a cloud-first world, Insights into threat detection & mitigation techniques, Best practices for data security & compliance, Importance of Zero Trust Architecture, Real-world case studies on cyberattacks & prevention strategies, Career opportunities & future roadmap in Cybersecurity

IAC Specialization: Turning Ideas into Intelligent Solutions

The Institute of Advance Computing successfully organized a Summer Internship Program in collaboration with Samatrix.io on "AI Product Development" from 1st to 31st August 2025.

This intensive program provided students with a unique opportunity to gain practical, hands-on experience in the rapidly evolving field of Artificial Intelligence. Under the expert guidance of Mr. Vishwas Soni, a skilled Data Analyst from Samatrix.io, participants explored the end-to-end process of designing, developing, and testing AI-driven solutions using industry-standard tools and platforms.

The internship not only enhanced technical skills but also encouraged innovative thinking, enabling students to transform their ideas into intelligent, real-world applications. This initiative reflects SAGE University's commitment to fostering industry-oriented learning and preparing students for the future of technology.

Maximizing the Golden Years of Professional Degree Journey - Expert Lecture at IOC,IMS

The Institute of Commerce and Institute of Management at SAGE University Indore organized an inspiring expert lecture on the topic "Maximizing the Golden Years of Your Professional Degree Journey." on 25th August 2025.

Renowned Counseling Psychologist Dr. Sandeep Atre addressed the students and emphasized the importance of utilizing the most valuable years of academic life to build a strong foundation for a bright future. His insightful ideas encouraged students to embrace confidence, positivity, and a growth-oriented mindset.

The session was successfully coordinated and concluded by Dr. Janvi Chandwani, who also expressed thanks to Dr. Atre and acknowledged the support of Dr. Abhijeet Chatterjee for his guidance.

The event witnessed enthusiastic participation from faculty members and students, leaving everyone energized and motivated to strive for success.

Seminar on “Study-to-Career Playbook” Successfully Conducted at ICA

The Institute of Computer Application, SAGE University Indore successfully organized an insightful seminar titled “Study-to-Career Playbook: Empowering Confidence, Enabling Success.” The seminar aimed to guide students in bridging the gap between academic learning and a thriving career in the field of computer applications.

The session featured expert speaker Ms. Janvi Talreja, Software Engineer at Hotwax Commerce, who shared practical knowledge and industry-oriented strategies to help students build confidence and succeed in their careers. She emphasized the importance of technical skills, adaptability, and continuous learning in today’s dynamic IT landscape.

Coordinated by Prof. Priya Rathore, the seminar also witnessed active engagement from faculty members and students, making it an interactive and enriching experience. The program concluded with valuable insights that inspired attendees to set clear goals and prepare effectively for the professional world.

Seminar on “Indian Gaming Industry: Shaping the Future of Entertainment and Careers”

The Institute of Computer Application, SAGE University Indore successfully organized an engaging seminar on “How the Indian Gaming Industry is Shaping the Future of Entertainment and Careers.” The event highlighted the immense opportunities and evolving trends within the gaming sector, offering students a deep insight into this rapidly growing industry.

The seminar featured renowned experts Mr. Mayank Pandey, Director at Upthrust, and Ms. Neha Pandey, CEO of Upthrust, who shared their experiences and discussed the potential of gaming as both a form of entertainment and a rewarding career option. They emphasized skill development, creativity, and technological innovations that are driving the industry forward.

The seminar was efficiently coordinated by Prof. Nisha Prajapati and Prof. Ankita Thakur, ensuring smooth execution and active participation from students. The session concluded with an interactive discussion, leaving attendees inspired to explore new-age career paths in gaming.

Two-Day Workshop on Intellectual Property Rights Concluded Successfully

The Institute of Advanced Computing (Specialization) and the Institute of Engineering & Technology (CSE/IT) at SAGE University Indore successfully organized a two-day workshop on "Intellectual Property Rights," sponsored by MPCST, Bhopal.

The workshop commenced on 1st August 2025 with an elegant inaugural ceremony, graced by the Hon'ble Pro Vice-Chancellor, Dean of R&D, and other distinguished dignitaries.

Following the inauguration, a series of interactive and insightful sessions were conducted by eminent IPR experts, focusing on critical aspects such as patent filing, copyright protection, and strategies to safeguard innovation.

The event recorded enthusiastic participation from over 100 attendees, including students, faculty members, and research scholars, in both offline and online modes.

This workshop served as a valuable platform to enhance awareness, promote innovation, and equip participants with a strong understanding of intellectual property rights and their significance in the modern era.

Expert Talk on AI in Literature Review Held Under Learning Saturday Drive

As part of the Learning Saturday Drive, IET (CSE/IT, Applied Science) and IAC (Specialization) successfully organized an expert talk on "Using Artificial Intelligence to Support Literature Review in Research" on 2nd August 2025.

The session highlighted how AI is transforming the literature review process in academic research. It offered practical insights into leveraging AI tools for quickly identifying relevant papers, summarizing key findings, and pinpointing gaps in existing literature.

Participants gained a deeper understanding of how AI-driven approaches can enhance research efficiency and accuracy, making the process more streamlined and effective.

National Sports Day Celebration Begins at SAGE University Indore

The Department of Sports at SAGE University Indore is gearing up to celebrate National Sports Day on August 29, 2025, with a thrilling sports extravaganza. The event kicks off with a special program at the sports field, featuring exciting games like volleyball, chess, badminton, and table tennis from August 29 to 31, 2025. Students and faculty are invited to participate and showcase their sporting spirit in the university's sports complex. Get ready to witness the thrilling action and participate with full enthusiasm! This celebration aims to promote sportsmanship, teamwork, and healthy competition among the university community. Join in and make it a memorable experience!

Aarohan 2025 – Expert Sessions by ICA Inspire New Beginnings

The Institute of Computer Applications (ICA) hosted an impactful day of Aarohan 2025 on 21st August, welcoming 112 enthusiastic first-year students. The program began with a warm address by the HOI and HOD, setting the tone for an inspiring series of sessions.

Two expert talks added immense value to the day's learning. Mr. Mayank Pande, Director of The Upthrust, discussed "Indian Gaming Industry & Future of Careers", sharing the immense potential of gaming as a thriving career option. Ms. Janvi Talreja, Software Engineer at HotWax Commerce, followed with an insightful session on "Study-to-Career Playbook", guiding students on turning academic knowledge into professional success.

The sessions were highly interactive, filled with industry insights, practical advice, and motivational takeaways. Aarohan continued to deliver knowledge and inspiration, preparing students for an exciting academic journey ahead.

79th Independence Day Celebration ft. SAGE University Indore

SAGE University Indore proudly celebrated the 79th Independence Day with patriotic fervor and unity. The event began with the flag hoisting ceremony, followed by a spirited Tiranga Rally led by faculty, students, and dignitaries, spreading the message of

pride and nationalism across the campus. The celebration also featured vibrant dance and cultural performances, patriotic songs, and inspiring speeches, creating an atmosphere filled with joy, respect, and devotion to the nation.
