**December 2025**

## Relentless in Purpose, Limitless in Vision

Hon'ble CMD Sir

Hon'ble CMD of SAGE Group, Er. Sanjeev Agrawal, stands as a leader whose journey is defined by unwavering determination, boundless passion, and an unbreakable work ethic. As the year draws to a close and a new one begins, his leadership reflects the spirit of constant progress—never pausing, never settling, always moving forward.

Working tirelessly day and night, Hon'ble CMD Sir continues to transform vision into action. His focused mindset and disciplined approach have played a vital role in strengthening SAGE Group's presence in education, innovation, and skill development. Every milestone achieved is a result of his belief that consistent effort, clarity of purpose, and dedication are the true foundations of success.

What truly distinguishes his leadership is his ability to inspire the younger generation. His energy, urgency to achieve, and hunger to grow ignite a powerful motivation among students and professionals alike. He encourages them to step into the new year with confidence, resilience, and a fearless attitude toward challenges.

As SAGE moves ahead with renewed goals and fresh aspirations, Hon'ble CMD Sir's message remains clear—progress is earned through passion, excellence is built through persistence, and success belongs to those who never stop striving.

His journey continues to remind every Sagian that the future is shaped not by chance, but by relentless effort and unwavering belief.

# SHAPING TOMORROW WITH PURPOSE

Respected Managing Director

The Managing Director of SAGE University Indore stands as a dynamic force behind the institution's progressive growth—leading with clarity, compassion, and an unwavering commitment to excellence. Her leadership reflects a perfect balance of vision and execution, where ideas are transformed into impactful outcomes through thoughtful planning and consistent effort.

Respected MD Ma'am plays a vital role in shaping the university's future by fostering innovation, nurturing talent, and encouraging a culture of continuous learning. With a keen eye for detail and a forward-looking mindset, she ensures that every initiative aligns with the university's mission of academic excellence, student empowerment, and holistic development. Her approach to leadership is inclusive and inspiring, motivating teams to perform with confidence and purpose.

What truly distinguishes her leadership is her belief in growth through adaptability and perseverance. She constantly encourages students and professionals to embrace challenges, set higher goals, and move forward with resilience. Her calm determination and result-oriented mindset have helped SAGE University evolve into a vibrant ecosystem of opportunities and achievements.

Respected MD Ma'am continues to inspire the SAGE community with her message: Believe in your vision, work with dedication, and let consistency turn aspirations into achievements.

**Ms. Sakshi Bansal**

Managing Director, The SAGE Group

# STRENGTH BEHIND SUCCESS – RESPECTED

Respected Pro-Chancellor

The Pro-Chancellor of SAGE University Indore is truly the backbone of the institution—one whose steady guidance, strategic clarity, and unwavering commitment keep the university moving forward with strength and purpose. His leadership is defined by consistency, discipline, and a deep sense of responsibility toward building an institution that grows stronger every day.

Respected Pro-Chancellor Sir plays a pivotal role in ensuring that SAGE University continues to achieve new milestones year after year. His ability to foresee challenges, create effective systems, and uphold high standards has helped the university establish itself as a hub of academic excellence, innovation, and holistic development. With focused planning and a hands-on approach, he ensures that every department and initiative aligns with the university's long-term vision.

What makes his leadership exceptional is his relentless pursuit of progress—never settling, never slowing down. He consistently motivates faculty, staff, and students to work with discipline and dedication, reminding them that true success is built through sustained effort and strong foundations.

Respected Pro-Chancellor Sir continues to inspire every Sagian with his message: Stay committed, stay focused, and keep building—because milestones are achieved not by chance, but by determination and strong leadership.

**Dr. Prashant Jain**

Pro-Chancellor, SAGE University, Indore-Bhopal

# National Mathematics Day Celebrated at SAGE University, Indore

The \*Department of Applied Science\* at \*SAGE University, Indore\* celebrated \*National Mathematics Day\* with great enthusiasm and reverence. The event commenced with the \*invocation of Goddess Saraswati\*, the deity of knowledge and wisdom, seeking blessings for intellectual growth and academic excellence. The occasion was graced by the esteemed presence of the dignitaries adding dignity and significance to the celebration.

During the inaugural session, the Hon'ble Vice-Chancellor highlighted the pivotal role of mathematics as the foundation of science, technology, and innovation. The Head of Institution shared insightful thoughts on how mathematics nurtures \*logical thinking, analytical skills, and problem-solving abilities\*, motivating students to strive for excellence in academics and research.

A major highlight of the program was the \*expert guest lecture\* by Dr. Rachana Navalakhe, Associate Professor, SGSITS Indore. She delivered an enlightening talk, sharing her expertise and explaining the \*\*practical applications of mathematics in engineering and research\*. Her session proved to be highly informative and inspiring for both students and faculty members.

The celebration marked a meaningful and impactful observance of National Mathematics Day, fostering a deeper appreciation and understanding of mathematics among all participants and reinforcing its importance in academic and professional growth.

# Cloth Donation Drive Concluded Successfully at SAGE University Indore

SAGE University Indore, through the True SAGE Foundation (TSF) in collaboration with the SAGE Student Ambassadors Council (SSAC), successfully concluded a Cloth Donation Drive with enthusiastic participation from students and volunteers. The initiative aimed at spreading warmth, dignity, and care among the underprivileged, reflecting the university's strong commitment to social responsibility and community welfare.

The drive witnessed generous contributions and active involvement, showcasing the spirit of compassion, teamwork, and service among the SAGE fraternity. Students and volunteers worked together with dedication to ensure the smooth collection and distribution of clothes, making the initiative meaningful and impactful.

The successful execution of the drive was guided by the constant support and leadership of \*Mrs. Kiran Agrawal, Chairperson, TSF, and \*\*Dr. Ritu Joshi, Convenor, TSF\*, whose vision and encouragement inspired collective participation.

This initiative not only provided essential support to those in need but also reinforced the values of empathy and social awareness among students. The Cloth Donation Drive stood as a reminder that small efforts, when united, can create a lasting positive impact on society.

# SAGE Advisory Meet 2025: A Convergence of Industry and Academia

On 20 December 2025, SAGE University Indore proudly hosted the Advisory Meet 2025, a prestigious gathering that brought together industry leaders, academicians, and domain experts to deliberate on shaping future-ready education. The event highlighted the university's commitment to innovation, relevance, and academic excellence, bridging the gap between industry expectations and educational outcomes.

The meet witnessed the participation of global experts from leading organizations including Jio, Capgemini, and IBM, who shared strategic insights on emerging industry trends, skill requirements, and technological advancements. Their discussions emphasized the importance of aligning higher education curricula with real-world industry needs, preparing students to thrive in a dynamic professional environment.

The advisory sessions were enriched by thought leadership discussions on innovation in pedagogy, cutting-edge research, and integration of technology in education. Experts provided guidance on curriculum development, practical training modules, and strategies to foster creativity, problem-solving, and critical thinking among students.

The event was graced by the esteemed presence of Ms. Sakshi Bansal, Managing Director – The SAGE Group, whose vision of combining experience with innovation resonated strongly throughout the meet. She highlighted the significance of collaborative efforts between academia and industry in nurturing talent and shaping education that meets the demands of the future.

Through this Advisory Meet, SAGE University Indore reaffirmed its commitment to fostering an ecosystem where education is closely aligned with industry needs, empowering students to become future-ready professionals. The deliberations, insights, and recommendations from this meet are expected to guide the university's strategic roadmap, ensuring that its academic programs continue to remain relevant, innovative, and globally competitive.

# SAGE Sports Felicitation Ceremony 2025 Celebrated at SAGE University Indore

SAGE University Indore successfully organized the SAGE Sports Felicitation Ceremony–2025, honoring the remarkable achievements of more than 330 student athletes who brought pride to the university through their dedication and excellence in sports. The event reflected the university's strong belief in holistic development, where sports are given equal importance alongside academics.

The ceremony was held on 26 December 2025, under the visionary guidance and inspiration of Hon'ble Chancellor and CMD, The SAGE Group, Er. Sanjeev Agrawal, whose progressive leadership has consistently promoted sports as a vital component of student growth and character building.

The event was graced by the presence of eminent guests, including Shri Sanjay Lunawat, President – Indore Division Cricket Association, Ms. Pooja Gome, Olympic Taekwondo Player, and Shri Karan Khurana, Managing Director, The SAGE Group. Their motivational addresses inspired the athletes and highlighted the role of sports in developing discipline, leadership, teamwork, and self-confidence.

University officials, coaches, faculty members, and students attended the ceremony in large numbers, adding to its enthusiasm and grandeur. The dignitaries appreciated the efforts of SAGE University Indore in consistently encouraging sports talent and providing a supportive platform for athletes to excel.

The ceremony concluded on an inspiring note, leaving behind a sense of pride and motivation, and reinforcing SAGE University Indore's commitment to nurturing sporting excellence and shaping future champions.

# Faculty Development Programme on Design Thinking at SAGE University Indore

SAGE University Indore successfully organized a power packed Faculty Development Programme on Design Thinking in association with ICT Academy from 8th to 10th December 2025. The FDP focused on developing a human centered innovative and structured approach to problem solving enabling faculty members to address real world challenges effectively.

During the programme participants were introduced to the five core stages of Design Thinking Empathize Define Ideate Prototype and Test. The sessions were designed to be highly engaging and included interactive discussions case studies and hands on activities that encouraged active participation and experiential learning. Faculty members gained practical insights into identifying user needs defining problems clearly and generating innovative solutions through collaborative brainstorming.

The FDP significantly enhanced creative and critical thinking abilities among participants and emphasized methods of idea validation and solution testing. It also highlighted the application of Design Thinking in teaching learning processes research curriculum design and entrepreneurship.

Overall the programme played a vital role in fostering a culture of innovation collaboration and problem solving excellence at SAGE University Indore

## IAC Organizes Cultural Excursion to Chokhi Dhani

IAC Specialization successfully organized a fun filled excursion to Chokhi Dhani Indore for B Tech CSE Intelligent Systems CLAS first year students on 6th December 2025. The visit provided students with a refreshing break from academics and an opportunity to experience traditional culture in a vibrant and engaging setting.

From colorful cultural performances to interactive activities the day was filled with joy excitement and meaningful bonding. Students enjoyed a variety of traditional cuisines and participated enthusiastically in the festivities creating moments of laughter and togetherness. The excursion encouraged interaction teamwork and relaxation helping students connect beyond the classroom environment.

Overall the visit to Chokhi Dhani became a memorable experience for the students fostering friendships cultural appreciation and lasting memories that will be cherished for years to come

# SAGE Education Leaders' Summit 2025 – Ek Din SAGE ke Saath

SAGE University, Indore, recently hosted the SAGE Education Leaders' Summit 2025 — Ek Din SAGE ke Saath, which witnessed an inspiring gathering of over 500 teachers and principals, along with distinguished educationists, motivational speakers, and changemakers. The summit celebrated leadership, learning, and a shared commitment to shaping the future of education.

The program commenced with a soulful Saraswati Vandana, creating a serene and inspiring atmosphere. This was followed by a warm welcome address from Pro Vice-Chancellor Dr. Ankur Saxena, who set a motivating tone for the day. A comprehensive university presentation was delivered by Dr. Pratik Jain, Director – Counselling and Admission Cell, showcasing SAGE University's academic vision, notable achievements, and roadmap for future growth.

The summit featured thought-provoking sessions by Shri N. Raghuraman and CA Rachana Dubey, whose insights on leadership, innovation, and educational excellence resonated deeply with the audience. Their sessions sparked engaging discussions and offered valuable perspectives for the attending education leaders.

Adding vibrancy to the event, SAGE University students presented captivating cultural performances, including singing and dance, which were widely appreciated by the guests and added a colorful dimension to the summit.

The event concluded with a valedictory session and felicitation ceremony, honoring distinguished education leaders, principals, and teachers from Indore and Dewas for their invaluable contributions to the education ecosystem. The summit ended on a graceful note with a vote of thanks by Prof. Girish Sahu, leaving participants motivated and inspired.

# Yashaswini Sharma Shines in Kathak Excellence

SAGE University Indore proudly congratulated Yashaswini Sharma, a first-year student of B.Tech Intelligent Systems (CLAS), for achieving multiple national and international records in Kathak. Her grace, discipline, and dedication to classical dance brought immense pride to the university. With the blessings and encouragement of the Honorable Chancellor Sir, her achievement inspired fellow students to pursue excellence beyond academics and celebrate cultural artistry.

## SAGE University Indore Shines at the International MMA Arena

SAGE University Indore proudly marked its presence on the international sports platform as *Aarya Choudhary*, a student of *B.Tech Mechanical Engineering (III Semester), Institute of Engineering & Technology*, achieved a remarkable milestone at the *2025 IMMAF Asian MMA Championship*. She secured the *Gold Medal* in the *Junior Atomweight category*, bringing immense pride to the university.

The prestigious championship was held from *4th to 11th December 2025* at the *Fouad Chehab Sports Complex, Jounieh, Lebanon*. Organized under the aegis of the *International Mixed Martial Arts Federation (IMMAF)*, the event witnessed participation from hundreds of fighters representing *more than 35 Asian countries* across youth, junior, and senior divisions.

Aarya Choudhary's top podium finish stood out in this highly competitive international amateur MMA event. Her dedication, discipline, and fighting spirit reflected not only personal excellence but also the strong support system and encouragement fostered at SAGE University Indore.

This outstanding achievement reinforced SAGE University Indore's commitment to nurturing talent beyond academics and empowering students to excel on global platforms.

# SAGE Institute of Agriculture Sciences Organized Krishi Mela on Farmers' Day

SAGE University Indore successfully organized Krishi Mela on the occasion of Farmers' Day at the Institute of Agricultural Sciences, transforming the campus into a vibrant platform of farmer pride, innovation, and knowledge exchange. The event witnessed the active participation of farmers from across the region, making it a memorable celebration of the true annadatas of the nation.

On this significant day, more than 100 farmers were felicitated for their invaluable contribution to agriculture and society. As farmers stepped onto the stage amid thunderous applause, their faces reflected years of dedication and perseverance. The moment became a powerful symbol of respect, emotional connection, and gratitude between the farming community and academia.

The event was further enriched by the participation of 15+ national and international agricultural companies, which showcased modern farming solutions through live demonstrations and exhibition stalls. Advanced seeds, smart farming tools, drones, and modern agricultural machinery highlighted how technology is shaping the future of farming.

The program was graced by inspiring addresses from Convener and Head Dr. Deepak Kumar Sinha, Pro-VC Dr. Ankur Saxena, and Director CAD Dr. Prateek Jain, who emphasized the integration of farmers, education, and technology for national development.

A special highlight was the community meal, where farmers, students, and industry representatives shared food together, symbolizing unity and mutual respect. The dialogue between farmers, students, and faculty turned the event into a meaningful step toward a sustainable agricultural future.

— became the spirit of the day, making the Krishi Mela not just an event, but a lasting inspiration.

# SAGE Fusion 2025 – Grand Alumni Meet at SUI

SAGE University hosted \*SAGE Fusion 2025 – Alumni Meet\* as a grand and memorable celebration, bringing together over \*700 alumni\* from diverse professional backgrounds on campus. The event turned into a vibrant reunion filled with nostalgia, pride, and renewed connections, as alumni revisited cherished memories of their student life while creating meaningful new bonds.

The alumni meet was organized under the visionary guidance of \*Hon'ble CMD Sir, Er. Sanjeev Agrawal, whose continued support and leadership made the evening truly inspiring and impactful. His commitment to fostering lifelong relationships between the university and its alumni was strongly reflected throughout the event. The celebration was further graced by the presence of \*\*Mr. Karan Khurana, Managing Director, SAGE Group\*, whose participation added a sense of inspiration and pride to the occasion.

The event provided an engaging platform for alumni to reconnect with former classmates, faculty members, and mentors. Lively conversations, shared stories of campus life, and reflections on professional journeys filled the atmosphere with warmth and enthusiasm. The gathering also opened avenues for future collaborations, mentorship opportunities, and professional networking, strengthening the alumni-university ecosystem.

Cultural performances, interactive sessions, and informal meet-and-greet moments added vibrancy to the evening, making it a truly enriching experience for everyone present. Alumni expressed heartfelt appreciation for the university's growth and achievements and reaffirmed their bond with their alma mater.

SAGE Fusion 2025 beautifully reflected the enduring relationship between \*SAGE University and its alumni\*, celebrating not just past memories but also shared aspirations for the future. The event concluded on a high note, leaving participants with a deep sense of belonging, pride, and renewed connection with their university.

# Ms. Sakshi Bansal, Managing Director – SAGE Group, Invited as Guest Speaker at DIGI100 Summit 2025

Ms. Sakshi Bansal, Managing Director of the SAGE Group, was invited as a distinguished guest speaker at the DIGI100 Summit 2025 – Digital Excellence in Higher Education Institutions for Viksit Bharat, held on Saturday, 13 December 2025, at Hotel Le Méridien, New Delhi. The summit brought together visionary leaders, policymakers, academicians, and industry experts to deliberate on the transformative role of digital innovation in higher education.

During the summit, Ms. Sakshi Bansal shared valuable insights on leveraging digital technologies to enhance learning outcomes, institutional efficiency, and student engagement. She emphasized the importance of integrating technology-driven solutions with academic frameworks to build future-ready institutions aligned with the vision of Viksit Bharat. Her address highlighted SAGE Group's commitment to innovation, digital transformation, and excellence in education.

Her participation added significant value to the summit, inspiring education leaders to adopt progressive digital strategies and embrace change. The session was well received by the audience and reinforced the role of visionary leadership in shaping a digitally empowered higher education ecosystem in India.

# Dr. Prashant Jain, Resp. Pro-Chancellor Honoured with APTI Fellowship – A Proud Moment for SAGE University

SAGE University proudly congratulated \*Respected Pro Chancellor Dr. Prashant Jain Sir\* on being awarded the \*APTI Fellowship Award – 2025\* at the \*74th Indian Pharmaceutical Congress (IPC), Bangalore, while \*\*SAGE University\* also received the \*Education Excellence Award\*.

This recognition highlighted Dr. Jain Sir's visionary leadership, dedication to academic excellence, and unwavering commitment to advancing SAGE University's mission. His guidance has consistently inspired the SAGE community to achieve higher standards in education, research, and innovation.

The awards brought immense pride to the entire SAGE family, reinforcing the university's national reputation and commitment to excellence. The SAGE fraternity celebrated this achievement with enthusiasm, proud to be part of an institution led by a visionary leader who continues to inspire and empower future-ready professionals.

# Dr. Pratik Jain Represents SUI as Distinguished Panelist on the Future of Education

SAGE University Indore proudly marked a moment of academic leadership as \*Dr. Pratik Jain, Director – Counselling and Admission Cell, represented the university as a \*\*Distinguished Panelist\* in a panel discussion on “The Future of Education: Preparing Students for Global Careers.” The session was organized by \*Study Metro\* at \*Hotel Marriott, Indore\*, and brought together eminent education leaders from Indore along with representatives of universities from across the globe.

The discussion focused on emerging global education trends, future-ready skills, and international career pathways for students. An engaging and interactive Q&A session allowed panelists to share expert perspectives while guiding students and parents on informed academic and career decisions.

Dr. Pratik Jain’s participation highlighted SAGE University Indore’s strong commitment to academic excellence, student-centric guidance, and global exposure. The university expressed sincere appreciation to \*Study Metro\* for providing this esteemed platform and reaffirmed its dedication to empowering its leaders to contribute meaningfully at national and international forums, while shaping globally competent future leaders.

## Landmark MoU Signed Between Indian Army (MCTE) and SAGE University

On 09 December 2024, a historic Memorandum of Understanding (MoU) was signed between the Indian Army’s Military College of Telecommunication Engineering (MCTE) and SAGE University, aimed at supporting medically boarded-out TES (Technical Entry Scheme) cadets in continuing their B.Tech education. This initiative enables cadets to join SAGE University through lateral entry, ensuring they can pursue their technical education despite being discharged from service on medical grounds.

Under the MoU, TES cadets were to be admitted directly into the equivalent semesters at SAGE University. A Joint Army–SAGE Committee was formed to oversee syllabus mapping and admissions, ensuring seamless academic integration. The agreement was signed for a period of six years, with provisions for extension based on mutual consent.

The signing ceremony witnessed the presence of eminent dignitaries, including Maj Gen Gautam Mahajan, Deputy Commandant & Chief Instructor, MCTE, and Dr. Manish Choudhary, Registrar, SAGE University, highlighting the collaborative spirit of the initiative.

This MoU represented a significant step toward empowering TES cadets, providing them with continuity in technical education and enabling them to secure a brighter future beyond their military service.

## SAGE University Indore Hosts International Career Development Workshop

SAGE University, Indore, successfully hosted an \*International Career Development Workshop\* in association with \*Study Metro\*, providing students with a platform to explore global education opportunities and international career pathways. The workshop offered insights into higher education abroad, emerging career trends, and skills essential for success in a global professional environment.

The event was graced by eminent dignitaries, including \*Representative Vice-Chancellor Dr. Ankur Arun Kulkarni, \*\*Dr. Pratik Jain, Director – Counselling and Admission Cell\*, and other renowned guests. Their presence added immense value, guidance, and inspiration to the sessions. Experts shared practical advice on admissions, scholarships, and career planning, enabling students to make informed decisions and align their academic goals with international standards.

This initiative reflected \*SAGE University Indore's\* commitment to empowering students with global exposure, career readiness, and strategic guidance. The workshop reinforced the university's vision of preparing future-ready professionals capable of excelling in competitive international arenas.

## Two-Week Value Added Course on R Programming Successfully Concluded at SAGE University Indore

The Department of Applied Science, Institute of Engineering and Technology, SAGE University Indore, successfully concluded a Two-Week Value Added Course (VAC) on R Programming from 22 December 2025 to 2 January 2026. Conducted in hybrid mode, the course provided participants with comprehensive training in R syntax, data structures, reproducible reporting, statistical modeling, and interactive data visualization. Participants also completed a mini-project using real-world data, enhancing their practical application skills.

The program was led by Mr. Ravi Yadav, Founder & Director, Pi-Tech & Pitronix Pvt. Ltd., whose expertise enriched the learning experience. Certificates were awarded to participants upon successful completion.

The event was convened by Prof. Shalini Singh, with Dr. Farkhunda Sayyed as co-convenor, and guided by department heads including Prof. Sonal Tripathi (HOD – AS), Dr. Hemang Shrivastav (HOD – IAC Special), Dr. Deepak K. Yadav (HOD – CSE), and Dr. Sachin Patel (HOD – CSIT). The course was advised by Dr. Ankur Saxena (Pro Vice-Chancellor, SUI) and Dr. Lalji Prasad (Hol – IET, Dean R&D).

This successful initiative reflects SAGE University Indore's ongoing commitment to fostering skill development, academic excellence, and practical learning for its students, preparing them for careers in data science and analytics.

# SAKSHARTH-2025: National Symposium on Forensic Science Successfully Organized at SUI

On 29 November and 1 December 2025, the Institute of Sciences, SAGE University Indore (SUI) successfully organized SAKSHARTH-2025, a two-day National Symposium on Forensic Science on the theme "Innovations in Forensic Science: Connecting Clues to Conclusions." The symposium was conducted in offline mode at the Visvesvaraya Auditorium, located on the first floor of A Block, SUI.

The symposium served as a significant academic platform for students, researchers, and professionals to explore recent advancements and emerging trends in the field of forensic science. Eminent experts from the Forensic Science Laboratory, Bhopal, Medico-Legal Institute, Bhopal, and the National Forensic Science University, Delhi Campus delivered highly informative lectures and expert keynote sessions in their respective areas of specialization. Their sessions offered valuable insights into practical applications, technological innovations, and investigative methodologies, which were well received by the participants.

In addition to the academic sessions, Model Making and Poster Making Competitions were organized under the banner of the symposium. Students from various universities actively participated, showcasing their creativity, scientific understanding, and research-oriented approach.

The symposium was convened by Dr. Sandeep K. Verma, with Dr. Jagrati Singhal, Head of the Department, providing academic leadership. The event was efficiently coordinated by Assistant Professor Ayush Verma and Sudhanshi Sharma. Overall, SAKSHARTH-2025 proved to be a highly enriching and successful academic endeavor.

## SAGE Shiksha Aapke Dwar: Career Guidance and Teacher Appreciation Across Madhya Pradesh

The Counselling and Admission Department of SAGE University Indore successfully conducted the SAGE Shiksha Aapke Dwar initiative across multiple cities in Madhya Pradesh, reaching out to students and educators alike. The event aimed at providing career guidance and counselling to young students, helping them explore academic and professional pathways, understand emerging opportunities, and make informed decisions for a successful future.

The program included interactive sessions, personalized counselling, and expert guidance, enabling students to clarify their career goals and plan effectively. In addition to student-focused activities, the initiative also celebrated teachers for their invaluable contributions to society, acknowledging their pivotal role in shaping young minds and inspiring excellence.

Through this outreach, SAGE University Indore reinforced its commitment to holistic education, student empowerment, and teacher recognition, successfully combining career mentorship with appreciation of educators, leaving a lasting and positive impact across Madhya Pradesh.

# SAGE University Indore Proudly Presented Guru Mantra 2025

SAGE University Indore proudly presented Guru Mantra 2025, a transformative career guidance programme, which was successfully conducted on 24th December 2025. The landmark event witnessed the enthusiastic participation of 1000+ students from more than 25 schools, along with respected principals, teachers, and academicians, making it a meaningful academic congregation.

The programme featured an inspiring interaction with renowned \*Management Guru Shri N. Raghuraman Ji, held in the esteemed presence of Pro-Chancellor Dr. Prashant Jain. His insightful guidance motivated students to approach their careers with clarity, confidence, and long-term vision.

Adding further value to the programme, an inspiring address was delivered by Dr. Pratik Jain, Director-CAD, who encouraged students to identify their strengths, remain focused on their goals, and embrace continuous learning as the key to success. His words resonated strongly with the young audience and provided practical direction for their academic and professional journeys.

The event was further graced by the presence of \*Dr. Ankur Saxena, Pro Vice-Chancellor\*, along with other respected dignitaries of the university. Expert discussions during the programme focused on career planning, counselling, future opportunities, placement readiness, youth empowerment, and scholarship guidance for meritorious students.

Guru Mantra 2025 emerged as a powerful platform for inspiration and guidance, reinforcing SAGE University Indore's commitment to empowering students today and shaping responsible leaders for tomorrow.

# STUDENT'S ACHIEVEMENTS

Empowered with Knowledge, Driven by Excellence

Heartiest congratulations to the brilliant students of IAC (Specialization) and IET (CSE/IT) on the successful completion of their Oracle Certifications. This achievement reflects their dedication, discipline, and commitment to excellence in learning. By acquiring industry-recognized credentials, they have not only enhanced their skills but also set a remarkable example for fellow learners. Their success truly embodies the spirit of SAGE University—empowering students with knowledge and preparing them for a future of opportunities.

“Congratulations to Kunal Thakur, CSE 4th Year student of IET – SAGE University Indore, on successfully completing a 4-week internship on ‘Foundations of AI’, a prestigious initiative by Microsoft in collaboration with AICTE and Edunet Foundation.”

# STUDENT'S ACHIEVEMENTS

From Sage University to Serving the Nation! We proudly congratulate our alumnus Ritik Verma (B.Tech, CSE, IET – Sage University Indore) on his prestigious achievement of being selected in UPSC and choosing Defence Services. His hard work and perseverance inspire countless others to dream big and serve the nation with pride.

Shaping the Future with AI! Heartiest congratulations to Akash Dwivedi (B.Tech – AI, 3rd Year, IAC, SAGE University Indore) on the successful completion of his internship on "Gen AI Data Analytics", powered by Forage and approved by the TATA Group. His dedication to innovation in AI inspires a brighter tomorrow.
