OFFICIAL E-NEWS LETTER

AUGUST 2026

DR. SANJEEV AGRAWAL HONOURED WITH MIRCHI BUSINESS AWARD

Dr. Sanjeev Agrawal, Hon'ble Chancellor of SAGE University Indore & Bhopal and Founder Chairman of The SAGE Group, graced the Radio Mirchi Business Awards as Chief Guest and Guest of Honour, joining an esteemed gathering of over 200 distinguished leaders, entrepreneurs, professionals, and industry stalwarts from diverse sectors. The prestigious event celebrated entrepreneurship, leadership, innovation, and business excellence, recognizing individuals and organizations that have made remarkable contributions to economic growth, social impact, and industry advancement. The evening served as a vibrant platform for networking, knowledge exchange, and acknowledging outstanding achievements across multiple domains.

During the ceremony, Dr. Agrawal felicitated exceptional achievers and presented awards to individuals whose dedication, innovation, and leadership have set benchmarks of excellence within their respective fields. His presence added significant value to the event, inspiring attendees with his vision for innovation, education, and entrepreneurship.

Adding another proud milestone to the occasion, Dr. Sanjeev Agrawal was himself honoured with the prestigious Mirchi Business Award in recognition of his visionary leadership, entrepreneurial excellence, and outstanding contributions to education, innovation, skill development, and business growth. The recognition reflects his unwavering commitment to empowering future generations through quality education and transformative initiatives.

The evening stood as a celebration of excellence, determination, and visionary leadership, highlighting the impact that dedicated individuals can create in shaping industries and communities. It also reinforced the importance of collaboration, innovation, and continuous growth in building a stronger and more progressive future.

AAROHAN 2026: A GRAND BEGINNING TO AN INSPIRING SAGE JOURNEY

आरोहान
2026

STUDENT INDUCTION CEREMONY 2026

"Where aspirations take flight and futures begin."

SAGE University Indore welcomed its newest SAGEians with the grand two-day Freshmen Induction Programme, AAROHAN 2026, beginning from 3rd August 2026. Designed as a memorable introduction to university life, the mega event brought together new beginnings, exciting experiences, inspiring interactions, and opportunities for students to connect with their new campus and community.

The first day marked the much-awaited first step into college life, as freshers explored the vibrant campus, discovered their academic spaces, met new friends, and began creating memories that would remain a part of their university journey. From getting familiar with the campus environment to interacting with fellow students and faculty members, the day was filled with enthusiasm, curiosity, and excitement.

A major highlight of AAROHAN 2026 was the opportunity for students to interact with Ms. Sakshi Bansal, Managing Director, The SAGE Group. Her inspiring address encouraged students to dream ambitiously, embrace opportunities, develop confidence, and make the most of their university years.

The second day, held on 4th August at the Kalpavriksha Auditorium, featured an engaging session with renowned motivational speaker and Dainik Bhaskar

columnist N. Raghuraman Sir. Through his insightful thoughts, experiences, and practical wisdom, he inspired students to approach challenges positively, believe in themselves, and build a purposeful future.

The programme featured ceremonial lamp lighting, inspiring addresses, interactive sessions, engaging conversations, and memorable moments that made the beginning of college life truly special.

AAROHAN 2026 was more than an induction programme—it was the beginning of friendships, aspirations, experiences, and countless memories. It gave the newest SAGEians a glimpse of the exciting journey ahead and set the stage for a transformative and fulfilling university experience.

SAGE ACADEMIC EXCELLENCE AWARDS 2026 RECOGNISING BRILLIANCE, CELEBRATING SUCCESS

SAGE University Indore hosted the SAGE Academic Excellence Awards 2026 on August 18 at the Kalpavriksha Auditorium, celebrating students who demonstrated exceptional academic performance, dedication and overall excellence. The ceremony began with a traditional lamp-lighting ceremony and

brought together university officials, faculty members, department heads and students. With a student community of 25,000+, more than 200 achievers were recognised for their outstanding performance. The awards were based on academic results, attendance, overall performance and academic excellence, acknowledging students who consistently demonstrated commitment to their learning journey.

"ACE YOUR FIELD. STAND OUT. BECOME A LEADER. CREATE VALUE FOR SOCIETY AND BUILD A BETTER INDIA."

The event was graced by Ms. Sakshi Bansal, Managing Director, The SAGE Group, who congratulated the awardees and delivered an inspiring address. She encouraged students to make the most of their learning years, excel in their chosen fields, recognise their talents and develop the qualities of future leaders.

Emphasising the importance of creating value beyond personal success, she urged students to stand out, create meaningful impact in society and contribute towards building a better India. The awards served not only as recognition of achievement but also as a motivation for students to

continue learning, leading and striving for excellence. The celebration reflected SAGE University Indore's commitment to recognising merit and encouraging students to transform their potential into meaningful achievement.

FROM ENLIGHTENMENT TO EMPOWERMENT: INSPIRING YOUNG MINDS THROUGH SPIRITUAL WISDOM

SAGE University Indore hosted an inspiring session with renowned motivational speaker and spiritual guide Pt. Vijay Shankar Mehta Ji, aimed at introducing young minds to the importance of spirituality, inner peace and purposeful living. The session encouraged students to look beyond the pressures and challenges of everyday life and develop a calmer, more positive approach towards situations they encounter.

Addressing the students, Pt. Vijay Shankar Mehta Ji shared valuable insights on dealing with problems through compassion, patience and understanding. He encouraged youngsters to remain truthful in their actions, maintain composure during difficult situations and focus on finding constructive solutions rather than becoming overwhelmed by circumstances.

The session highlighted that spirituality is not about escaping from the realities of life, but about developing the strength and wisdom to face them with a balanced mind. Students were encouraged to understand that external situations may not always be within their control, but their response to those situations is.

The interaction left students with an important message: true success is not limited to achievements, but also lies in living truthfully, staying calm, spreading positivity and finding happiness within. At SAGE University Indore, such initiatives reflect the institution's commitment to nurturing not only successful professionals, but also confident, compassionate and emotionally resilient individuals.

80TH INDEPENDENCE DAY CELEBRATION

“AZADI KE RANG –
APNO KE SANG”

SAGE University Indore, under the banner of True SAGE Foundation, in collaboration with the Institute of Management Studies (MBA Department), celebrated the 80th Independence Day with the residents of Asha Nilay Arogya Dham.

The celebration was marked by warmth, compassion and togetherness as sweets and fruits were distributed among the elderly. The initiative reflected the true spirit of independence – celebrating freedom by spreading happiness, kindness and care within the community.

A meaningful celebration that reminded us that the spirit of freedom becomes truly special when shared with others.

SAGE UNIVERSITY INDORE CELEBRATES 80TH INDEPENDENCE DAY

Indore: SAGE University Indore celebrated the 80th Independence Day with patriotic fervour, national pride and enthusiasm. The celebration brought together faculty members, staff and students to honour the spirit of freedom and unity.

The ceremony commenced with the unfurling of the National Flag by Hon'ble Vice Chancellor Dr. Prithvi Yadav, followed by the National Anthem, reaffirming the university community's respect and commitment towards the nation.

Students presented captivating patriotic cultural performances, reflecting the values of unity, sacrifice and love for the country.

The event was organised under the guidance and leadership of Hon'ble Chancellor Dr. Sanjeev Agrawal and Managing Director Ms. Sakshi Bansal. In their message, they emphasised that freedom brings not only rights but also responsibilities towards the nation, encouraging young minds to contribute through education, discipline, innovation and a spirit of service. The celebration concluded with a resounding "Jai Hind," reaffirming the university's commitment to nation-building and a progressive India.

Hon'ble Chancellor Dr. Sanjeev Agrawal at Zee Media Healthcare Summit & Awards, Raipur, Chhattisgarh

Hon'ble Chancellor Dr. Sanjeev Agrawal attended the prestigious Zee Media Healthcare Summit & Awards held in Raipur, Chhattisgarh. The event brought together distinguished healthcare professionals, industry leaders, policymakers, and experts to discuss emerging trends, innovations, and advancements in the healthcare sector.

His presence at the summit reflected a continued commitment to promoting excellence, innovation, and collaboration across diverse fields. The event also served as a platform to recognize outstanding contributions and achievements in healthcare through a series of award presentations.

Three-Day Squash Championship Successfully Organised at SAGE University Indore

SAGE University Indore, in collaboration with Indore Elite Squash Academy, organised a three-day Open Sub-Junior Squash Championship for

Under-9 to Under-17 players. Young athletes showcased exceptional talent, discipline, and sportsmanship throughout the event. Chief guest Krishna Mishra, Ekavya Awardee squash player, inspired participants to strive for excellence, while Dr. Prithvi Yadav, Vice Chancellor, was also present. Winners from various categories were felicitated, and Ms. Sakshi Bansal and Dr. Sanjeev Agrawal congratulated all participants. The championship provided a competitive platform for young athletes and promoted squash in Indore.

'Kitabon Ki Duniya' Marks National Librarian Day at SAGE University Indore

SAGE University Indore celebrated National Librarian Day through 'Kitabon Ki Duniya', organised by the Department of Library. The programme highlighted the importance of books, reading, and libraries in shaping knowledge and society. Distinguished guest Dr. Jitendra Vyas, Editor, Nai Dunia, shared insights on the evolving role of libraries in the digital age. Students and faculty actively participated, promoting reading habits and intellectual growth.

SAGE UNIVERSITY, INDORE

MONTH OF BONDING: BUILDING STRONGER CONNECTIONS., STRONGER TEAMS

The Month of Bonding is a celebration of relationships, trust, teamwork and collective growth. It highlights the importance of building meaningful connections that contribute to both personal development and professional success. Strong relationships create a foundation of trust, while meaningful networks often prove more valuable than wealth or recognition.

The initiative reinforces the power of teamwork, where diverse skills, experiences and perspectives come together to overcome challenges and achieve common goals. A balanced team, bringing together the experience of senior members and the energy of younger minds, creates greater agility, creativity and strength.

The Month of Bonding also emphasises that vision must be supported by action. Clear goals, discipline, punctuality, consistency and dedication are essential to turning aspirations into achievements. Challenges should be faced with courage, as every obstacle presents an opportunity to learn and grow. Continuous learning, skill development and self-improvement remain key to long-term success. At the same time, humility and mutual respect strengthen collaboration and help create a positive organisational culture.

Ultimately, the Month of Bonding reminds us that when people connect, collaborate, learn and grow together, they build stronger teams, stronger institutions and a stronger future.

MS. SAKSHI BANSAL, MANAGING DIRECTOR, THE SAGE GROUP,
PARTICIPATES IN WORLD INCLUSION CONFERENCE INDIA 2026

**WORLD
INCLUSION
CONFERENCE
INDIA 2026**

PROUDLY ANNOUNCING
SAKSHI BANSAL
MANAGING DIRECTOR,
SAGE GROUP

Ms. Sakshi Bansal, Managing Director, The SAGE Group, participated as a distinguished leader at the World Inclusion Conference India 2026, contributing to meaningful conversations around inclusive growth, equal opportunities, and building a more empowered and equitable future.

Her participation reflected her commitment to promoting inclusive leadership and creating opportunities that empower individuals and communities. The conference brought together influential voices and changemakers to exchange perspectives and explore meaningful approaches towards building a more inclusive society.

Through her presence and insights, Ms. Sakshi Bansal highlighted the importance of diversity, equal opportunity, and purpose-driven leadership in creating sustainable social and economic progress.

Her participation added to the conference's vision of fostering an ecosystem where inclusion becomes a catalyst for innovation, empowerment, and meaningful transformation.

Leadership that inspires. Inclusion that transforms.

SQUIDHACK

SQUID HACK 2026: CELEBRATING
INNOVATION, CREATIVITY AND THE
SPIRIT OF TECHNOLOGY

SAGE University Indore, in association with Sunstone Eduversity, successfully organized SQUID HACK 2026, a dynamic national-level 24-hour student hackathon conducted by SAGE Institute of Advanced Computing-Core (IAC-Core). The event brought together talented young innovators who demonstrated their technical expertise, creativity, teamwork, and problem-solving abilities while developing technology-driven solutions to real-world challenges.

The programme commenced with vibrant cultural performances, creating an energetic and enthusiastic atmosphere for the participants and guests. The inauguration marked the beginning of an exciting 24-hour journey filled with innovation, collaboration, coding, ideation, and technology-driven problem-solving.

Throughout the hackathon, participating teams worked intensively on their ideas and projects, showcasing their ability to transform concepts into practical solutions. The event provided students with valuable exposure to competitive innovation, teamwork, time-bound development, and real-world problem-solving.

The event concluded with a grand valedictory ceremony and prize distribution, celebrating the remarkable efforts and achievements of the participating teams. A total of ₹1,10,000 in cash prizes was distributed across six categories. The Winner received ₹50,000, First Runner-Up ₹25,000, Second Runner-Up ₹15,000, Most Innovative Idea ₹10,000, Best Woman-Led Team ₹5,000, and Best Social Impact Project ₹5,000. SQUID HACK 2026 successfully created a vibrant platform where students innovated, collaborated, competed, and transformed ideas into impactful solutions.

SAGE UNIVERSITY INDORE ORGANIZED SEVEN-DAY WORKSHOP ON AI-DRIVEN DRONE ELECTRONICS

The R&D Cell, SAGE University Indore, in association with IIT Indore, organized a seven-day workshop on “AI-Driven Drone Electronics for Resilient UAS Navigation and Communications” under the MeitY-SwaYaan Initiative from 4–10 August 2026.

The workshop provided participants with exposure to Artificial Intelligence, drone electronics, UAS navigation, and communication systems through expert lectures, technical discussions, and hands-on learning. It brought together students, researchers, and faculty members on a common platform to explore emerging technologies and innovative solutions. The programme reinforced SAGE University Indore’s commitment to research, innovation, and industry-academia collaboration while encouraging participants to contribute to the growing field of AI-enabled drone technology.

DEPARTMENT OF CSE, IET ORGANIZED EXPERT SESSION ON PROMPT ENGINEERING USING AI

The Department of Computer Science & Engineering, Institute of Engineering & Technology (IET), SAGE University Indore, successfully organized an expert session on “Prompt Engineering Using AI” for B.Tech CSE 2nd-year students on 13th August 2026.

The session was conducted by Mr. Nilesh Yadav, Microsoft Certified Trainer, who provided students with practical insights into effective prompt design, AI-powered tools, and their applications across academic and professional tasks.

Through interactive learning and practical examples, students explored how well-structured prompts can improve the accuracy, relevance, and efficiency of AI-generated outputs. The session enhanced students’ understanding of emerging AI technologies while equipping them with practical skills relevant to modern academic and professional environments.

The initiative further strengthened industry-oriented learning and encouraged students to effectively leverage AI for innovation, productivity, and problem-solving.

SAGE UNIVERSITY INDORE ORGANIZED CAPTURE THE FLAG CYBERSECURITY CHALLENGE ORGANIZED SEVEN-DAY WORKSHOP ON AI-DRIVEN DRONE ELECTRONICS

SAGE University Indore, in association with Samatrix.io, successfully organized the “Capture the Flag – Cybersecurity Challenge” on 14th August 2026 for B.Tech Cybersecurity & Forensics students of the 3rd and 5th semesters. The offline challenge provided students with a competitive

and hands-on platform to apply their knowledge of cybersecurity, ethical hacking, digital forensics, and problem-solving. Participants tackled a series of practical challenges designed to strengthen their technical skills, analytical thinking, and ability to respond to real-world cybersecurity scenarios.

The initiative offered valuable industry-oriented exposure and encouraged students to explore emerging opportunities in the rapidly evolving field of cybersecurity. Participants received certificates for their involvement, while the top three performers were recognized with prizes for their outstanding performance.

The event successfully promoted experiential learning, healthy competition, and technical excellence, further strengthening students' industry readiness and practical understanding of cybersecurity.

SAGE UNIVERSITY INDORE ORGANIZED EDUCATIONAL EXCURSION TO PITRAPARVAT

SAGE University Indore organized an educational excursion to Pitraparvat on 14th August 2026 for first-year students, offering a valuable learning experience beyond the classroom. The visit promoted experiential learning, teamwork, and peer interaction while fostering curiosity, confidence, and collaboration. The initiative reflected the university's commitment to holistic education through practical exposure and exploration.
