**JANUARY 2026**

## **CATALYZING TRANSFORMATION WITH VISION AND VALUES** Hon'ble CMD Sir

The Hon'ble Chairman Managing Director of the SAGE Group, Er. Sanjeev Agrawal, is a transformational leader whose vision continues to redefine possibilities and inspire purposeful growth. Guided by deep values, spiritual grounding, and a progressive mindset, he believes that true transformation begins from within and reflects through collective success.

Hon'ble CMD Sir's ideas have consistently acted as catalysts for change—turning institutions into ecosystems of opportunity and individuals into confident achievers. His leadership is rooted in the belief that success is meaningful only when it uplifts others. Through his guidance, the SAGE Group has evolved as a platform where innovation thrives, potential is nurtured, and ordinary efforts are transformed into extraordinary outcomes.

A firm believer in continuous improvement, he constantly motivates everyone around him to think bigger, work harder, and rise above limitations. His approach to leadership is both visionary and humane—driven by discipline, spirituality, and an unyielding focus on long-term goals. For him, progress is a journey of constant learning, self-reflection, and purposeful action.

By encouraging a culture of excellence and inner strength, Hon'ble CMD Sir empowers individuals to chase their aspirations with clarity and confidence. His message is simple yet powerful: transform your thoughts, elevate your actions, and success will follow. Through his inspiring leadership, he continues to shape lives, institutions, and futures—leading the SAGE fraternity toward a path of meaningful transformation and sustained growth.

# 43<sup>rd</sup> Foundation Day *Celebration*

*Honouring a Legacy of Vision,  
Excellence and Transformation*

# Foundation Day Celebration

SAGE University, Indore proudly celebrated the 43rd Foundation Day of the SAGE Group with great enthusiasm, cultural vibrance, and a deep sense of gratitude on 3rd January 2026. The occasion marked over four decades of visionary leadership, societal impact, and continuous growth under the guidance of Hon'ble Chancellor Er. Sanjeev Agrawal.

The celebration commenced with a sacred Havan on the university campus, offering prayers to the Almighty and seeking divine blessings for the SAGE fraternity. Respected Managing Director Ms. Sakshi Bansal actively participated in the ritual, setting a spiritually uplifting tone for the day. This was followed by a grand welcome of the Hon'ble CMD Sir and an impressive procession across the university campus, where faculty members, students, and staff joined together in celebration, filling the atmosphere with pride and joy.

The formal program began with a soulful Saraswati Vandana, invoking the blessings of the Goddess of knowledge and

remembering the true spirit and values of SAGE. The event was graced by the esteemed presence of Hon'ble Chancellor Er. Sanjeev Agrawal, Respected Chairperson Ma'am Mrs. Kiran Agrawal, and Respected Managing Director Ms. Sakshi Bansal, whose leadership continues to guide the institution toward excellence.

The celebration witnessed captivating cultural and ethnic performances by faculty members and students, reflecting India's rich heritage and the vibrant spirit of the SAGE campus. Addressing the gathering, Respected MD Ma'am Ms. Sakshi Bansal delivered a highly motivating address, urging everyone to aim higher in life and embrace positive change. Highlighting that 2026 is being observed as the "Year of Transformation", she inspired Sagians to transform themselves personally and professionally, and to contribute meaningfully to society.

# Foundation Day Celebration

The program further featured insightful presentations and addresses by Vice Chancellor Dr. Ankur Arun Kulkarni, Director General Dr. Sudhir Agrawal, Pro Vice Chancellor Dr. Ankur Saxena, and Dr. Mayank Saxena, who shared reflections on the SAGE journey, achievements, and the roadmap ahead.

One of the most awaited moments of the celebration was the felicitation ceremony, where outstanding performers were honored with the prestigious Chancellor Awards. Exceptional contributions were also recognized with a grand prize of an electric scooter, symbolizing innovation and encouragement for excellence. Additionally, members of the Chancellor's Golden Elite

Club were selected, marking another proud milestone of the day.

The celebration concluded on a high note with collective joy, dance, applause, and togetherness, making the event truly memorable. As the SAGE Group marked its 43rd year of foundation, the campus resonated with pride, gratitude, and renewed commitment to growth.

The 43rd Foundation Day celebration stood as a testament to SAGE Group's enduring legacy—43 years of vision, transformation, and happiness delivered to society, and a future driven by innovation, values, and excellence.

**Ms. Sakshi Bansal**  
Managing Director  
The SAGE Group

## Driving Purposeful Progress with Values and Vision

Respected MD

The leadership journey of the Managing Director of SAGE University Indore, Ms. Sakshi Bansal, reflects a rare blend of spirituality, dedication, and an unyielding desire to create meaningful impact. Known for her grounded values and tireless work ethic, she has consistently led by example, performing every responsibility with complete commitment and purpose.

Respected MD Ma'am has continued to carry forward the inspiring legacy of the Honorable Chancellor, translating vision into action through growth-oriented strategies, innovative initiatives, and dynamic ideas. Her belief in doing every task with sincerity and depth has fostered a culture of discipline, mindfulness, and excellence across the university ecosystem.

Under her guidance, SAGE University Indore has steadily progressed on the path of innovation and transformation. She has encouraged fresh thinking, supported new initiatives, and motivated Sagians to aspire for more from life—academically, professionally, and personally. Her spiritually rooted yet progressive outlook has helped balance ambition with values, ensuring holistic development.

With clarity of purpose and a forward-looking mindset, Respected MD Ma'am continues to drive institutional growth while inspiring confidence, resilience, and innovation among students and faculty. Her leadership stands as a testament to the belief that when values guide vision, progress becomes purposeful and lasting.

## Nurturing Progress with Patience and Purpose

Respected Pro-Chancellor

The Pro-Chancellor of SAGE University Indore, Dr. Prashant Jain, is a pillar of steady leadership whose patience, perseverance, and selfless commitment continue to guide the university toward sustained growth. Known for his calm approach and thoughtful decision-making, he believes that meaningful progress is achieved through consistent effort, compassion, and collective development.

Respected Pro-Chancellor Sir has tirelessly worked to strengthen SAGE University as an institution where growth is continuous and inclusive. His leadership reflects a deep understanding that success is not built overnight, but through patience, discipline, and an unwavering focus on long-term goals. Always approachable and supportive, he remains dedicated to creating opportunities that enable students, faculty, and staff to evolve and excel.

With a forward-looking mindset, he has continuously supported academic excellence, institutional development, and people-centric initiatives. His willingness to listen, guide, and extend help whenever needed has fostered a culture of trust, motivation, and shared responsibility across the university community.

Through his relentless efforts and nurturing leadership, Respected Pro-Chancellor Sir continues to move SAGE University Indore forward with clarity and confidence. His journey stands as a reminder that true leadership lies in working quietly yet consistently, helping others grow, and building an institution that thrives on values, patience, and purposeful progress.

**Dr. Prashant Jain**  
Pro Chancellor  
SAGE University, Indore-Bhopal

# 77th Independence Day Celebrated at SUI with Patriotic Fervour

SAGE University Indore celebrated India's Independence Day with great enthusiasm, pride, and deep respect for the nation's freedom and democratic values. The campus was filled with patriotic spirit as students, faculty members, and staff came together to commemorate this significant national occasion.

The celebrations began with a dignified flag hoisting ceremony, which was carried out by Dr. Ankur Saxena, Pro Vice-Chancellor, along with Dr. Sudhir Agrawal, Director General. The ceremony was also graced by the presence of Dr. Pratik Jain, Director – Admissions, along with other core members of the university leadership and administration. The unfurling of the Tricolour was followed by the collective singing of the National Anthem, creating a moment of pride and unity across the campus.

The program featured a series of patriotic and cultural performances presented by students, including songs, dances, and skits that reflected India's rich cultural heritage and the sacrifices made by freedom fighters. These performances highlighted the values of unity in diversity, courage, and national responsibility.

Addressing the gathering, university leaders encouraged students to uphold the ideals of the Constitution and contribute positively towards nation-building. The event served as a reminder of the importance of responsible citizenship, integrity, and social responsibility.

The Independence Day celebration at SAGE University Indore stood as a meaningful tribute to India's freedom and reaffirmed the institution's commitment to nurturing informed, responsible, and socially conscious citizens for a stronger and brighter India.

# सेज शिक्षा आपके द्वार

## Empowering Students Across Maharashtra

SAGE University's Counselling and Admission Cell successfully organised Sage Siksha Aapke Dwar events in multiple cities across Maharashtra, including Dhule, Jalgaon, Burhanpur (M.P.) and Dhar (M.P.). These events aimed to provide students with guidance on career opportunities and admissions, and saw enthusiastic participation from students and parents.

The events featured expert counsellors and faculty members from SAGE University, who shared insights on various courses and programs offered by the institution. The team salutes teachers for their exceptional contributions in shaping the future of students.

The events reflected SAGE University's commitment to reaching out and empowering students across cities, providing them with the necessary tools and information to make informed decisions about their future. We thank all participants for their enthusiasm and look forward to welcoming new talents to the SAGE family.

The events were well-received, and we appreciate the efforts of the Counselling and Admission Cell team for making it a success. SAGE University remains dedicated to expanding its outreach and making quality education accessible to all.

# Exploring Careers in Atomic Energy

IAC (Specialization) and IET (CSE/IT, AS), in association with DAE–RRCAT, successfully organized a One Day Seminar on **\*“Career Opportunities at the Department of Atomic Energy”\*** at SAGE University Indore. The seminar aimed to create awareness among students about diverse career pathways and research prospects within one of India’s most prestigious scientific organizations. The session was led by the eminent speaker Prof. Khageswar Sahu, Scientific Officer at RRCAT, Indore, and Associate Professor at HBNI, Mumbai, who shared deep insights into the functioning of the Department of Atomic Energy, its research culture, and opportunities across scientific, technical, and academic domains. He highlighted future growth areas, eligibility pathways, and the importance of innovation, discipline, and continuous learning. The seminar proved to be highly enriching, motivating students to explore new horizons, align their aspirations with national development goals, and build impactful, purpose-driven careers in advanced scientific research.

## Sparking Innovation, Securing Idea

SAGE University Indore proudly collaborates with **\*Sitabience IP Private Limited\***, marking a strategic step toward nurturing innovation and protecting intellectual capital. This partnership is designed to transform ideas into impact by offering real-world exposure to Intellectual Property practices, strengthening research outcomes, and enhancing industry-relevant skills across the academic community. Through expert guidance, hands-on learning, and IP-driven mentorship, students and faculty will gain deeper insights into patents, trademarks, and commercialization pathways. The collaboration also fuels a startup-ready ecosystem, empowering innovators to safeguard their creations and scale them responsibly. Together, SAGE University Indore and Sitabience IP are building a future where knowledge meets protection, creativity meets strategy, and innovation leads to meaningful, sustainable growth.

# Innovative Minds Shine at Sensor Technologies Exhibition

IAC (Specialization) proudly celebrated the innovative spirit of its B.Tech Intelligent System (CLAS) students, who successfully organized an engaging Exhibition on Sensor Technologies at SAGE University Indore. Conducted as a part of the Applied Physics course, the exhibition was held under the expert guidance of Prof. Sonal Tripathi, HOD, Applied Sciences, IET. The event served as a vibrant platform where students showcased practical applications of sensor-based technologies through creative and working models. The exhibition reflected strong teamwork, technical competence, and a clear understanding of how theoretical concepts translate into real-world solutions. Students demonstrated hands-on learning by integrating innovation with problem-solving approaches relevant to modern engineering challenges. The enthusiastic participation and curiosity displayed by the learners highlighted the essence of experiential education promoted at SAGE. The initiative not only strengthened academic concepts but also nurtured confidence, creativity, and industry-oriented thinking, reaffirming SAGE University Indore's commitment to innovation-driven and application-based learning.

## Advancing Teaching Excellence through Outcome-Based Learning

IET (CSE/IT, AS) in collaboration with IAC (Specialization) successfully organized a Two-Day Faculty Development Program on **\*"Outcome-Based Teaching-Learning"** from 19th to 20th January 2026 at SAGE University Indore. The program served as a meaningful platform to strengthen academic practices aligned with contemporary education frameworks. Faculty members actively engaged in insightful discussions and sessions focused on innovative pedagogical approaches, curriculum alignment, assessment strategies, and quality-driven teaching methodologies. The FDP emphasized empowering educators with tools and perspectives essential for outcome-oriented and future-ready teaching. Through interactive deliberations and knowledge sharing, the program reinforced the importance of measurable learning outcomes and continuous improvement in higher education. The enriching experience reflected SAGE University Indore's commitment to academic excellence, innovation, and faculty empowerment, ensuring a transformative learning ecosystem for both educators and learners.

# Pearl Elite Membership: 4 Members from SUI Embark on Leadership Journey

SAGE University Indore congratulates four exceptional members who have been selected for the prestigious Pearl Elite Membership, a 12-month leadership and growth journey. This exclusive program, mentored by MD Ms. Sakshi Bansal, is designed for driven individuals who choose growth by intent. The selected members from SUI will benefit from personal mentorship, signature leadership immersion, skill upgrade support, and recognition from the MD's Desk. With opportunities like one-to-one guidance, exclusive off-campus days, and skill development vouchers up to 10,000, Pearl Elite Membership equips them to lead with purpose and think deeper. Ms. Sakshi Bansal will personally mentor these members, helping them grow faster and make an impact. The Pearl Elite Membership is not a reward, but a responsibility to transform their potential into leadership. We wish them a rewarding journey ahead!

## Radio SAGE 89.6 FM Partners at Construction Material & Built Environment Conclave 2026

Radio SAGE 89.6 FM and SAGE University Indore marked a strong presence at the prestigious Construction Material & Built Environment Conclave 2026, organized by the FOCUS Indore Chapter on January 10 at Radisson Blu Hotel, Indore. Dr. Sanket Jain, Head - Institute of Design and Radio SAGE, co-chaired the conclave and delivered the welcome address as a core committee member of the FOCUS Indore Chapter.

The event featured engaging discussions with renowned architects, structural engineers, and MEP consultants on emerging trends in the built environment sector. Radio SAGE 89.6 FM served as the official radio partner, with its dynamic RJ providing impactful anchoring throughout the event. Dr. Jain also shared key insights on built environment innovations, adding significant value to the conclave. The collaboration highlighted SAGE University Indore's and Radio SAGE's growing industry engagement and leadership.

# Empowering Innovation Through Patents at SAGE University Indore

SAGE University Indore hosted an insightful workshop on “Empowering Faculty Mentors to Create High-Quality, Commercially Viable Patents” in association with the IPR Task Group on 7 January 2026. The workshop aimed to strengthen intellectual property awareness among faculty members and encourage the transformation of academic research into practical, market-ready innovations. The session highlighted the importance of protecting original ideas and aligning research outcomes with industry and societal needs.

The workshop was led by eminent IPR experts Mr. Bikash Lohia, IP Strategist and Founder-Director of Sitabience IP, and Mr. Bharat Sharma, IPR Advisor at Sitabience IP. Through their expert insights, faculty members gained clarity on patent filing processes, strategic IP management, and commercialization opportunities. The interactive session inspired participants to adopt an innovation-driven mindset and contribute meaningfully to research excellence. The initiative reflected SAGE University Indore’s continued commitment to fostering a strong research culture, promoting innovation, and empowering educators to create impactful intellectual assets with real-world value.

## SAGE Students Explore Innovation & IPR at National IPR Yatra

Students of IAC (Specialization) and IET (CSE/IT, AS) from SAGE University Indore actively participated in the Two-Day Intellectual Property Rights (IPR) Yatra organized by MSME, Government of India, at the CSIR-AMPRI Bhopal Campus. Accompanied by their mentors, the students gained valuable national-level exposure to the evolving landscape of intellectual property and innovation. The programme offered in-depth understanding of patents, trademarks, copyrights, and strategies for protecting innovative ideas. Expert-led sessions highlighted the critical role of IPR in research, startups, and entrepreneurship, enabling students to connect academic knowledge with real-world applications. The interactive discussions and practical insights empowered participants to think creatively while safeguarding their innovations. The IPR Yatra proved to be a transformative learning experience, strengthening awareness about legal frameworks and encouraging students to pursue research-driven and entrepreneurial pathways with confidence. The initiative reflected SAGE University Indore’s continued commitment to nurturing innovation, industry readiness, and future-focused learning among its students.

# Campus Recruitment Drive by Learning Routes Pvt. Ltd.

The HR delegates from Learning Routes Pvt. Ltd. were formally welcomed at Vishveshwarya Conference Hall, A Block, SAGE University, Indore, for a campus recruitment drive. The event was organised by The Training and Placement Cell TPIIC at SAGE University. The event began with a PPT presentation highlighting the company's expectations and opportunities. Eligible students from the 2026 batch of MBA, BBA, B.Tech, and (link unavailable) programs participated in the drive. Learning Routes Pvt. Ltd. offered a package of 5.7 LPA for undergraduates and 6.6 LPA for postgraduates for the Sales Associate profile. The recruitment process aimed to identify talented candidates for the company's future requirements. The event was well-received by the students and faculty alike, providing a valuable opportunity for interaction and placement.

## Spreading Joy this Makar Sankranti

SAGE University Indore, in collaboration with the True SAGE Foundation, celebrated Makar Sankranti by sharing joy with children and supporting staff. Guided by the spirit of giving, the university reaffirmed its commitment to nurturing a compassionate and inclusive society. The event was filled with enthusiasm and warmth as sweets and gifts were distributed. It strengthened the bond between the university and its community, spreading happiness and positivity. The celebration reflected SAGE University's dedication to social responsibility and community welfare.

# BBA Students Excel at Narmada Sahitya Manthan

The students of the BBA Department at SAGE University actively participated in the Narmada Sahitya Manthan event, demonstrating great enthusiasm, discipline, and keen interest in literature, culture, and intellectual discussions. This experience has played a vital role in enhancing their communication skills, critical thinking, and overall personality, contributing to their holistic development.

The participation of BBA students in such academic and cultural events reflects their commitment to exploring new horizons and developing a well-rounded perspective. SAGE University encourages such engagements, fostering an environment that nurtures intellectual curiosity and creativity. The event has undoubtedly enriched the students, and we look forward to more such opportunities for growth and development.

## Outcome-Based Teaching-Learning FDP at SAGE University Indore

The Department of Applied Science, Institute of Engineering and Technology (IET), SAGE University Indore, successfully organized a two-day Faculty Development Program on “Outcome-Based Teaching-Learning” with the objective of strengthening academic practices aligned with NEP 2020 and NAAC guidelines. The program witnessed active participation from faculty members across disciplines and focused on enhancing competencies in Outcome-Based Education (OBE), including formulation of Course Outcomes, effective teaching strategies, and assessment mechanisms.

The first day featured insightful sessions by Dr. Hareram Shah, Professor, IAC (Specialization), who explained the core concepts and significance of OBE, followed by Dr. Anish Choudhary, Associate Professor, IET (CSE), who discussed practical classroom implementation. On the second day, Prof. Makrand Samvatsar shared approaches to outcome mapping and assessment tools, while Prof. Sonal Tripathi highlighted institutional best practices.

Conducted under the guidance of senior academic leadership, the FDP proved highly enriching, equipping faculty with practical tools to deliver quality, outcome-driven education.
