Inspiring Future Generations through Visionary Leadership:

Hon'ble CMD Er. Sanjeev Agrawal

Through his visionary leadership, We grasp the potential within us, armed with guidance and resources to bring about positive societal transformation. Hon'ble CMD Sir's mentorship extends beyond the boundaries, as he encourages everyone to dream big, take risks, and become responsible global citizens. His emphasis on ethics, values, and social responsibility instills a sense of purpose in the SAGE community, inspiring them to use their education as a tool for meaningful change.

As we extend our admiration to Hon'ble CMD Er. Sanjeev Agrawal, we eagerly anticipate the continued trajectory of success and the transformative influence he will cultivate. His steadfast commitment to fostering innovation and dynamic thinking serves as an unparalleled model for the entire SAGE community, inspiring them to push boundaries, think expansively, and shape a brighter world for the generations ahead. Er. Sanjeev Agrawal's leadership is not just about leading an institution; it's about illuminating paths, catalyzing change, and setting an example that resonates far beyond the boundaries of SAGE University.

Pioneering Leadership: Mrs. Sakshi Agrawal Bansal's Inspiring Quest

Mrs. Sakshi Agrawal Bansal
Executive Director, The SAGE Group

In the dynamic realm of business, true leaders transcend mere titles, embodying qualities that define success: unwavering commitment, relentless work ethic, and an unquenchable thirst for excellence. Mrs. Sakshi Agrawal Bansal, the distinguished Executive Director of The SAGE Group, epitomizes these traits, standing as a beacon of visionary leadership.

Since the dawn of her career, She has exhibited a rare gift for envisioning the future and guiding The SAGE Group towards global recognition, innovation, and achievement. Her strategic acumen and profound understanding of the ever-evolving business landscape have propelled the organization to pioneering heights. At the core of her leadership lies an unyielding commitment to excellence. With her analytical precision, she continually refines processes, leaving no stone unturned in her relentless pursuit of perfection. She views change not as a challenge but as an opportunity for growth, positioning The SAGE Group at the forefront of cutting-edge trends and technologies. Under her transformative guidance, The SAGE Group has emerged as an agile and forward-thinking institution. Her unrelenting commitment to embracing innovation sets a high bar for her team and guarantees the company's ongoing success and growth.

Her journey is a living testament to the power of diligence, dedication, and the relentless pursuit of excellence. Mrs. Sakshi Bansal's exceptional leadership places The SAGE Group on an unwavering path toward a future marked by remarkable milestones and continued innovation. As she continues to steer the ship towards excellence, the horizon shines with the promise of The SAGE Group's enduring success and its unparalleled impact on the world of innovation.

The True Architect of Transformative Education: Dr. Prashant Jain

As we applaud his extraordinary contributions, it's a testament that leaders of his ilk are the true architects of transformative education. Dr. Prashant Jain's leadership at SAGE University is not just about achieving academic milestones; it's about nurturing a culture of excellence, inclusivity, and social responsibility. His legacy will continue to inspire and guide generations of students and educators, serving as a beacon of hope and progress in the ever-evolving world of education.

In the archives of academia, Dr. Prashant Jain's name will forever be etched as a symbol of steadfast dedication, imaginative leadership and a driving force behind the pursuit of knowledge and excellence. He stands as a shining example of what education can achieve when guided by a leader who is not just committed to the institution but also to the brighter futures of those it serves.

Dr. Prashant Jain
Pro Chancellor
SAGE University, Indore-Bhopal

Celebrating Excellence in Sports Highlights from the SAGE Sports Conclave

The SAGE Sports Conclave, held at Sage University Indore on September 13th and 14th, was a spectacular celebration of sportsmanship and talent. Mrs. Sakshi Agrawal Bansal, Executive Director of SAGE, graced the event, setting the tone for two thrilling days of sports excellence.

Distinguished guests like Mrs. Rajakumari Rathore, Arjuna Award recipient in shooting, Mr. Sanjay Lunawat, Chairman of IDCA, Dr. Narendra Rathore, Vice President of Indore Divisional Cricket Association, and Dr. Sunil Dudhale, Director of Physical Education and Sports, joined the event. Their presence added prestige to the occasion and emphasized the significance of this mega event.

Athletes showcased exceptional skills, competed fiercely, and earned well-deserved medals. The Sports Conclave served as a platform to recognize and celebrate outstanding achievements in sports.

Prof. Amit Kumar Sharma and the Sports Incharge Prof. Ajit Rathod including their team organised the event and made it a success. It was a testament to the commitment of individuals, organizations, and the entire sporting community towards promoting excellence.

Indore welcomed a groundbreaking venture as SAGE University joined hands with Garuda Aerospace Ltd. Chennai to launch the city's premier Drone Training Center. The inauguration ceremony, graced by Hon'ble Chancellor of the SAGE Group, Er. Sanjeev Agrawal, and distinguished guests,

SAGE University and Garuda Aerospace Ltd. Chennai Inaugurated Indore's Premier Drone Training Center

marked the dawn of a new era in Drone Technology. This collaboration opened up new opportunities and promised to influence aviation and innovation in Indore in the future.

Interactive Event Explores Electric Vehicle Applications in Real-World Condition

SAGE Institute of Sciences, in association with the Department of Sports, organized an interactive event on the theme "Electric Vehicle uses in real-world conditions." The event covered two experiential sessions, including Experience Sharing on E-mobility and a Demonstration of an E-Car. The sessions were chaired by the eminent speaker, Mr. Sushil Reddy (IIT Bombay & HEC Paris).

This event took place on September 18th, 2023, from 10:00 AM to 11:00 AM at the Einstein Auditorium. Co-conveners Dr. Jagrati Singhal and Mr. Ajit Rathor, along with conveners Dr. Sandeep Kumar Verma and Prof. Amit Kumar Sharma, worked diligently to make this event a success. Prof. Ravi Suryavanshi coordinated the event.

Coming Soon: Aap Sun Rahe Hain 89.6 The SAGE FM - SAGE University Indore's Community Radio Initiative

SAGE University Indore is abuzz with anticipation as it gears up for the unveiling of its very own community radio station, "Aap Sun Rahe Hain 89.6 - The SAGE FM." This exciting initiative promises to introduce a fresh and vibrant medium for connection, information dissemination, and entertainment for both its student body and the broader community. As the launch date approaches, eager listeners can anticipate a wide array of engaging content, uplifting stories, and a platform that celebrates the rich tapestry of diverse voices within and beyond the campus.

The forthcoming community radio station aims to foster a space where every voice is valued, and meaningful conversations flourish. Stay tuned for the much-awaited launch of SAGE University Indore's community radio, and get ready to tune in for an enriching and enjoyable auditory experience that promises to be both informative and entertaining.

Quick Heal's Cybersecurity Training at Institute of Advance Computing

The Industrial Training Cum Certification Program by Quick Heal (CIALFOR). Dr. Kulkarni's Vice Chancellor of SUI, motivation has inspired these young talents to strive for significant achievements. Throughout the training, students delved into essential topics, including Cyber Space, Malware End-Point Security, Vulnerability Assessment & Penetration Testing, Network Security, Cyber Security Risk Management, Cryptography, and Stenography, all contributing to their understanding of the Indian Cyber Eco-System.

A Master Workshop on Acting and Filmmaking

On September 15th, Sage Community Radio 89.6, in collaboration with Cineverse Academy, hosted an inspiring Master Workshop on Acting and Filmmaking.

The event featured esteemed speakers Ujjwal Saraf, a renowned theatre artist and influencer, and Ankush Sharma, a distinguished film director.

As participants delved into the world of acting and filmmaking, Dr. Pratik Jain, Head of TPIIC, and Dr. Jamna Mishra, HOD of JMC, felicitated our distinguished guests. It was an enriching event that brought together aspiring talents and seasoned professionals to explore the magic of the silver screen."

Empowering Future Civil Servants: A Joint Session at SAGE

The Institute of Arts and Humanities and the Institute of Law and Legal Studies joined forces to organize an enlightening session on the subject "Gateway of Civil Services." The informative session, led by Mr. Shashank Dwivedi from Kautilya Academy, Indore, provided valuable insights into civil services preparation.

Under the guidance of Dean of Law, Dr. Jaiprakash Vyas, and Head of Institute Dr. Vishal Sharma, the event was a success. Dr. Padmashri and Dr. Niti Nipna Saxena served as the convenors, while Prof. Dharamchandra Pandey and Prof. Nitesh Bhopte acted as coordinators. This collaborative effort aimed to equip students with the knowledge and guidance needed to pursue a career in civil services.

Ganesh Chaturthi Celebration at SAGE A Vibrant Cultural Extravaganza

Ganesh Chaturthi, the prominent Hindu festival celebrating the birth of Lord Ganesha, unfolded in all its grandeur at SAGE University Indore. The campus transformed into a vibrant tapestry of culture and devotion as teachers, students, and everyone present came together to welcome Ganpati Bappa. The festivities began with the ceremonial installation of Lord Ganesha's idol, adorned with intricate decorations and fragrant flowers. The atmosphere reverberated with chants and prayers, symbolizing the unity of purpose and faith. The celebration followed time-honored rituals, with students and faculty members participating in the Ganesh aarti, seeking the blessings of the elephant-headed deity. Bhajans and chants echoed through the campus, infusing it with a profound sense of spirituality.

Vishwakarma Jayanti Celebration at IET: Seeking the Divine Blessings

On the auspicious occasion of Vishwakarma Jayanti, the Department of Mechanical Engineering at IET extended a warm invitation for Puja and Hawan, aiming to seek the divine blessings of Lord Vishwakarma.

Held on September 18th, 2023, this event brought together students, faculty, and staff to pay homage to the divine craftsman and celebrate the spirit of creativity and innovation.

Exploring Rare Soil Testing: IET's Industrial Visit to Flyover Construction Site

The Department of Civil Engineering at IET, in collaboration with PATH India Ltd and IIC-IET, recently organized an enlightening industrial and field exposure visit to a flyover construction site located at Footi Kothi Square, Indore. The excursion offered students and faculty members a unique opportunity to engage in experiential learning, focusing on the Plate Load Test, a rarely performed soil test crucial for construction.

The visit, successfully organised by Prof. Shreyans Jain, HOD of Civil Engineering, witnessed the active participation of students and faculty members on September 13th, 2023. Dr. Atul Bhato played a pivotal role as the coordinator of this insightful visit, ensuring that everyone gained valuable insights into the intricacies of construction and testing procedures.

Exploring Machine Learning SAGE Talk by Expert

The Institute of Computer Application organized an enlightening SAGE Talk on the "Introduction to Machine Learning" on September 13th.

The event featured Makhan Kumbhkar, a young IT professional from the Indian Institute of Soybean Research, Indore, as the expert speaker. Dr. Sanjay Dubey, the Head of the Department, served as the convener, while Assistant Professor Mr. Vishal Kadam coordinated the event. Attendees had the valuable opportunity to delve into the fascinating world of machine learning during this informative session.

Engineer's Day Celebration IET's Field Exposure Visit

In celebration of Engineer's Day, the Department of Civil Engineering at IET organized an enlightening industrial and field exposure visit to the Simrol Tunnel work site, a mega structure of the Tunnel Project undertaken by NHA consulting firm MEIL Projects.

The visit provided students with an invaluable experiential learning opportunity, allowing them to explore various aspects of tunnel construction. Students participated in this educational excursion, which took place on September 15, 2023, a day dedicated to celebrate the contributions of engineers.

Exploring Web Content Mining Highlights from the SAGE Talk

The Institute of Computer Application hosted an insightful SAGE Talk on "Web Content Mining" on September 12th.

The event featured Dr. Rajesh Shah, the Principal of Christian Eminent College, Indore, as the esteemed expert speaker.

Dr. Sanjay Dubey, the Head of the Department, took on the role of the convener, with Assistant Professor Mr. Vishnu Patidar efficiently coordinating the event.

Attendees had the opportunity to explore the fascinating realm of web content mining during this engaging session.

SUI's Educational Excursion to Police Control Room

पुलिस की कार्यप्रणाली से रूबरू हुए स्टूडेंट्स कंट्रोल रूम का किया भ्रमण, तकनीक से हुए रूबरू

इंदौर. सैज यूनिवर्सिटी के इंस्टीट्यूट ऑफ एडवांस्ड कंप्यूटिंग के स्टूडेंट्स, इंदौर पुलिस कंट्रोल रूम में पहुंचकर, डायल-100 सहित इंदौर पुलिस की कार्यप्रणाली से रूबरू हुए. साथ ही सायरस सुरक्षा से संबंधित जानकारी दी गई.

पुलिस व जनता में बेहतर सम्बन्ध एवं लोगों में सामाजिक जागरूकता लाने के उद्देश्य से इंदौर पुलिस द्वारा समय-समय पर विभिन्न कार्यक्रमों के माध्यम से स्टूडेंट्स व आम नागरिकों को पुलिस की सेवाओं से परिचित कराने के साथ ही सामान्य जानकारी व सामाजिक बर्तानों के प्रति जागरूक करने के लिये निरंतर प्रयास किए जा रहे हैं. इसी कड़ी में आज सैज यूनिवर्सिटी के इंस्टीट्यूट ऑफ एडवांस्ड कंप्यूटिंग के छात्र-छात्राओं को फलाहिमा चौराहा

भ्रमण पुलिस कंट्रोल रूम इंदौर का किया गया. पुलिस डायल-100 सहित अन्य पुलिस अधिकारियों ने सभी छात्र-छात्राओं को फलाहिमा चौराहे स्थित पुलिस कंट्रोल रूम का भ्रमण करवाया गया और स्टूडेंट्स को पुलिस कमिश्नरेट की कार्यप्रणाली के बारे में बताया.

डायल-100, सीसीटीवी सर्विलाज सिस्टम, 112-डमरूजेंसी एप्लिकेशन और पुलिस की हेल्पलाइन के बारे में विस्तृत जानकारी दी गई. साथ ही सायरस उपनियंत्रक लॉन्च अवॉर के द्वारा उनीं सीसीटीवी निरीक्षण कक्ष का भ्रमण करवाकर शहर के विभिन्न स्थानों पर लगाए गए सभी सीसीटीवी कैमरा स्थानों और इसकी निगरानी प्रणाली के पीछे की तकनीकों के बारे में बताया.

आनलाइन कर सकते हैं शिकायत

स्टूडेंट्स को साइबर सुरक्षा के संबंध में, साइबर एक्सपर्ट व ट्रेनर प्रो. जीतेज रावत ने बताया कि वे अपने साथ हुई कोहे जी ऑनलाइन दुर्भावहार व साइबर ठगी की शिकायत स्थानीय पुलिस, बड़दम प्रांग, साइबर पुलिस स्टेशन के जाकम से वा ऑनलाइन साइबर हेल्पलाइन फॉर प्ले प्ले <http://cybercrime.gov.in> के द्वारा गुरु रूप से भी दर्ज करा सकते हैं.

The Institute of Advance Computing at SAGE University, Indore, in association with ACM, CSI, and IEDC organised an educational excursion that left an indelible mark on students. Led by advisor HOI, Dr. Lalji Prasad, with coordination by HOD, Dr. Hemang Shrivastav, and guidance from Dr. Ati Jain, this excursion took students on a journey of knowledge and exploration. Their destination was the Police Control Room Commissionerate in Indore.

During the excursion, students had the unique opportunity to gain insights into the workings of law enforcement and the sophisticated technology employed in maintaining public safety. It was an enriching experience that broadened their horizons and expanded their understanding of their community.

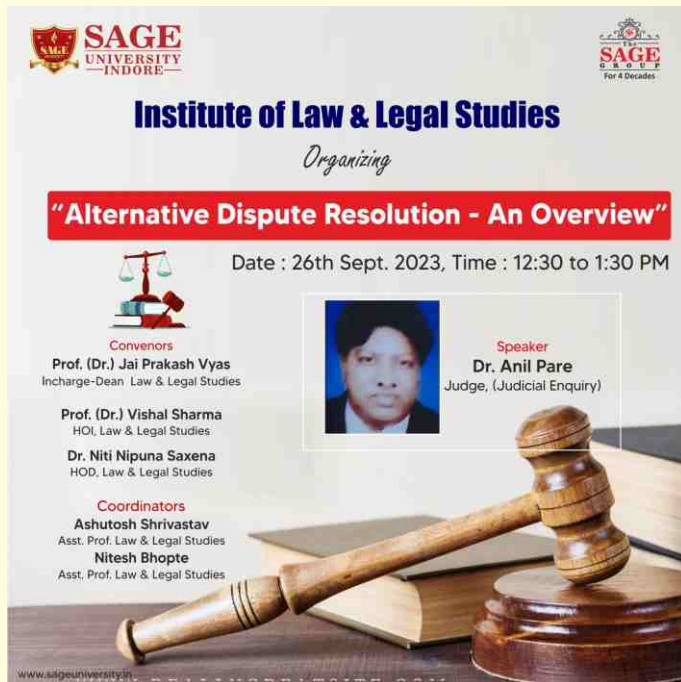

The workshop on Cyber Security Awareness, organized by the Institute of Law and Legal Studies at Sage University Indore, was successfully completed. The event featured Mr. Rajesh Dandotiya, the Additional Deputy Commissioner of Police, Crime Branch Indore, as the expert speaker. Over 600 students actively participated, gaining valuable insights into avoiding online fraud and maintaining social media awareness. The workshop proved highly beneficial for our students. Dr. Richa Shrivastava and Assistant Professor Vishal Sharma efficiently coordinated the event, guided by the respected Head of the Institute, Prof. (Dr.) Vishal Sharma, with enthusiastic participation from all faculty members. This workshop not only enhanced our students' understanding of cybersecurity but also exemplified the Institute of Law and Legal Studies' commitment to their holistic education.

Successful Cyber Security Awareness Workshop at SUI

Exploring Alternative Dispute Resolution SUI's One-Day Seminar

On the 26th of September 2023, the Institute of Law & Legal Studies at SAGE University Indore hosted a one-day seminar on the topic of "Alternative Dispute Resolution - An Overview." The event, held at the Kalpvaksh Auditorium, aimed to shed light on the intricacies of alternative dispute resolution.

The seminar featured an expert in the field, Dr. Anil Pare, a distinguished Judge with expertise in Judicial Enquiry. Attendees had the opportunity to delve into the world of alternative dispute resolution, gaining valuable insights into its significance and applications.

The event was made possible by the dedicated team, including Prof. Dr. Jai Prakash Vyas (Dean Law), Prof. Dr. Vishal Sharma (HOI), and Dr. Niti Nipuna Saxena (HOD), who served as convenors. Mr. Ashutosh Shrivastav and Mr. Nitesh Bhopte, Assistant Professors at the Institute of Law & Legal Studies, expertly coordinated the seminar. It was a knowledge-packed day that enriched the understanding of alternative dispute resolution among participants.

Exploring Ancient Indian History at Central Museum Indore

The Institute of Arts and Humanities recently arranged an enriching educational trip to the Central Museum Indore. This excursion offered a unique learning experience for all BA (History) students and their history faculty.

Under the guidance of HOD Prof. (Dr.) Padmashri Sharma and the coordination of Prof. Dharm Chandra Pandey, students explored the archaeological sources of Ancient Indian history on September 22nd, 2023. It was a significant opportunity for experiential learning and a deeper understanding of the subject matter.

The Institute of Management Studies (IMS) recently hosted an enlightening and informative SAGE Talk, which delved into the basics of stock market strategies. This event, held on September 20th, brought together enthusiasts keen to gain insights into the world of stock trading.

The distinguished speaker for the occasion was CA Aseem Thakur, his expertise and experience in the field provided attendees with valuable knowledge about stock market strategies, making it an engaging and insightful session.

The event was graced by the presence of Mayank Saxena, Pro Vice-Chancellor, and Dr. Vinay Gupta, Head of the MBA Department, who supported and encouraged SAGE Talk. Dr. Paras Jain served as the coordinator, while Dr. Varun Keshari acted as the faculty coordinator, ensuring the smooth execution of this enriching event.

Overall, the SAGE Talk on stock market strategies at IMS was a resounding success, equipping participants with knowledge that can prove invaluable in their financial journeys.

Exploring New Career Avenues: Pharmacy's Informative SAGE Talk

The Institute of Pharmacy organized a thought-provoking SAGE Talk on "New Career Avenues After Graduation and PG" on September 20th. Mr. Vishal Choudhary, the Associate Director of the Cliniversity, shared invaluable insights during the session.

Under the guidance of Dr. Raghvendra Dubey, the Head of the Institute, and HOD, Dr. Nirmal Dongre, the convenor, the event was a resounding success. Mrs. Rekha Birle, an Assistant Professor, served as the coordinator. The talk aimed to enlighten students about diverse career opportunities post-graduation, equipping them with knowledge to make informed career choices. It was a valuable session that broadened my horizons and empowered future graduates.
