The SAGE Group

BRINGING HAPPINESS TO SOCIETY

The SAGE Group, a prominent conglomerate in central India, marks 40 years of excellence under the leadership of Er. Sanjeev Agrawal. Renowned for its contributions to real estate, education, electrical infrastructure, healthcare, and social causes, the group encompasses Agrawal Construction Co., SIRT Bhopal, Sage International School, and Sage University. Its global impact is underscored by the True Sage Foundation, providing free education and resources to the underprivileged. Spearheading educational innovation, Sage University Indore, established in 2017, epitomizes academic excellence in central India. Our vision prioritizes delivering top-tier academia globally, fostering happiness and excellence for clients, customers, students, and the community at large.

- Personalized guidance and support
- Holistic learning experiences
- Up-to-date curriculum
- State-of-the-art infrastructure and facilities
- Leading Tissue Culture Lab in MP
- Excellent placement opportunities
- Flexible class schedules
- Project-based learning approach
- Premier Moot Court in MP

SPORTS FACILITIES

We offer top-notch sports facilities catering to various interests. Our campus features a running track, squash, badminton, cricket, football, and basketball grounds, along with indoor games like chess, carom, billiards, and snooker. Volleyball enthusiasts will find dedicated spaces for practice and competition. Our modern gym facilities, equipped with expert trainers, ensure students to pursue their fitness goals effectively. Additionally, our prestigious Billiards and Snooker Academy provides personalized coaching. With these amenities, students can participate in international and national-level events, showcasing their talents to esteemed dignitaries from around the world.

RESEARCH & INNOVATION

We are committed to provide an outstanding environment for excellence in research and development across all disciplines. Our world-class research facilities and infrastructure, including the Central Instrumentation Facility, industry-sponsored and collaborated labs, intellectual property development initiatives, and research conferences, offer opportunities for on-campus learners to pursue their research endeavors. We believe in fostering a culture of innovation and creativity, empowering students and faculty to contribute meaningfully to their respective fields and make impactful discoveries.

CULTURAL EVENTS AND SEMINARS

We believe in the power of cultural events and seminars to enrich the academic experience and foster a sense of community. Our campus regularly hosts a diverse range of events, including celebrity visits, annual fests, concerts, and seminars, providing students with unique opportunities for inspiration, learning, and entertainment. These events offer platforms for intellectual discourse, artistic expression, and cultural exchange, encouraging students to explore new ideas, perspectives, and talents. From thought-provoking lectures by renowned speakers to vibrant performances by talented artists. The students of SAGE Excel in all the fields.
