About SAGE University

SAGE University, Indore epitomizes academic excellence in Central India, offering a world-class educational experience. As the youngest private university in India and the first in Madhya Pradesh to achieve the prestigious NAAC A+ Grade, we are committed to providing top-tier education. Our pedagogical approach focuses on transforming passion into a profession, preparing students for successful careers in a competitive job market.

At SAGE University, we believe in nurturing talent through an innovative learning environment that combines academic rigor with practical exposure. Our state-of-the-art infrastructure, globally-oriented curriculum, and dedicated faculty ensure a holistic education that empowers students to excel in their chosen fields.

We foster a culture of research, entrepreneurship, and global collaboration, enabling students to develop the skills and mindset needed to lead in a rapidly evolving world. By prioritizing industry-relevant learning and fostering critical thinking, we equip our graduates to tackle real-world challenges and drive meaningful change.

Join SAGE University, Indore, where ambition meets opportunity, and potential turns into achievement. With a steadfast commitment to shaping the future, we create an ecosystem of innovation, excellence, and success. Take the first step toward unlocking your dreams and making an impact that resonates far beyond the classroom.

VISION, MISSION & Core Value...

VISION

EDUCATING AND EMPOWERING CITIZENS TO BE BETTER HUMANS.

MISSION

- To be center for delivering higher education, research and industry connect
- To be source for enterprising, innovation and skill development
- To provide quality infrastructure, teaching learning system for creating citizens for domestic and international needs
- Offering digitally blended grooming, co-curricular and extra-curricular activities
- Establishing relationship with international and national institutions/Universities for knowledge sharing

Core Values

At SAGE University Indore, our core values form the foundation of all academic, research, and administrative endeavors. We are committed to academic excellence, integrity, and ethical conduct while fostering innovation, creativity, and entrepreneurship. The University promotes a student-centric learning environment that nurtures critical thinking, leadership, and lifelong learning. We value inclusiveness, diversity, and mutual respect, ensuring equal opportunities for all. Through collaboration with industry, academia, and society, we strive to create socially responsible graduates who contribute meaningfully to nation-building and sustainable development. Our commitment to excellence, accountability, and continuous improvement guides us in shaping future-ready professionals and responsible global citizens.

Chancellor's Message...

"My mission is nation-building through education and beyond"

Er. Sanjeev Agrawal
CMD The SAGE Group and
Chancellor

At SAGE University Indore, a NAAC Grade A+ institution and India's youngest university to achieve this prestigious accreditation, we transform passion into profession. We are committed to delivering academic excellence through an industry-oriented curriculum, expert faculty, and constant one-to-one mentorship. With a focus on holistic development, we aim to nurture not just students but leaders of tomorrow.

SAGE University Indore provides the stepping stones to elevate your aspirations. Our distinguished faculty fosters a dynamic learning environment where curiosity is encouraged, and excellence is achieved. Beyond academics, we are dedicated to shaping competent, ethical, and responsible professionals who contribute meaningfully to society.

As a temple of learning, our university empowers young minds with diverse courses, cutting-edge technologies, and multidisciplinary opportunities, verifying that knowledge is the ultimate key to unlocking endless possibilities. Positioned at a pivotal stage in students' lives, SAGE University Indore guides them toward a brighter future, ensuring their potential is fully realized.

As Chancellor, I urge students and parents to actively participate in this transformative journey. Our vision extends beyond the present—to position SAGE University Indore as a global benchmark in academics and industry. Together, let us embrace the philosophy, **"SAGE Hai To Mumkin Hai"**—where there's SAGE, there's a possibility.

Pro-Chancellor Message...

"Let's transform your career into profession"

Dr. Prashant Jain
Pro Chancellor
SAGE University Indore

SAGE University Indore has reached numerous milestones and is emerging as an institute of quality education with integrated academic programs in central India. The University in pursuance of its vision works in the direction of academic expansion and diversification for widening the academic canvas. By now, we have developed a deep understanding of the current industry to fulfill the intellectual requirements of the society in the areas of Sciences, Arts & Humanities, Commerce, Management, Journalism and Mass Communication, Designing, etc. Our University brings forward innumerable efforts, to create brand equity by way of divergence in all its cognitive pursuits. The prime focus is on developing the contemporary curriculum; meeting and beating various benchmarks of quality; developing healthy and happy academic governance.

Managing Director Message...

"Dreams of doing great things show immense enthusiasm of students"

Ms. Sakshi Agrawal
Executive Director

On behalf of every individual at SAGE University Indore, we welcome you to enter a new era of learning with us. At SUI, we are making collaborative efforts to integrate a high level of education competence into a dynamic, yet resourceful environment. We are preparing the future of our country by harnessing the maximum resources through innovation, entrepreneurial zeal, and efficient technology. SAGE embraces simplicity, also it upholds the mission which is to nurture excellence and promote leadership quality in every student. We aspire to achieve eminence in every endeavor by modeling knowledge, imparting, and augmenting the practice through experimental learning. We understand that flexibility and responsiveness are the two most important skills required to lead. Therefore, our mission embodies dynamism. We are building skilled professionals who can rise and shine amid uncertainties.

Vice Chancellor Message...

"Education is the foundation of innovation, leadership, and societal transformation."

Prof. (Dr.) Ankur Arun Kulkarni
Vice Chancellor

At SAGE University Indore, we are committed to fostering academic excellence, innovation, and holistic development. Our mission is to empower students with knowledge, skills, and values that enable them to excel in an ever-evolving global environment.

Through multidisciplinary education, industry-oriented learning, research, and innovation, we provide students with opportunities to transform their potential into meaningful achievements. Our strong industry collaborations, experiential learning initiatives, and

technology-driven academic ecosystem ensure that our graduates are well-prepared to meet future challenges with confidence and competence.

As we continue our journey towards excellence, we remain dedicated to nurturing future leaders, innovators, and responsible citizens who will contribute positively to society and the nation.

I extend my best wishes to all students, faculty members, and stakeholders for their continued success and achievements.

Why Join SAGE University....

Ranked as the best university in Central India, SAGE University Indore is a hub of educational innovation and excellence. We are dedicated to nurturing future leaders by blending top-tier academics with core values, ensuring holistic development for every student. At SAGE, learning transcends professional expertise—it instills cultural understanding and ethical grounding. This unique approach is why our alumni consistently secure positions in leading private and public-sector organizations.

Our mission is to set the benchmark for quality education through cutting-edge infrastructure and globally aligned teaching standards. With experienced faculty fostering an environment of curiosity and learning, we provide the right platform for talented students to thrive.

Throughout the academic year, students participate in numerous workshops, seminars, and events, enhancing their skills and knowledge. Our state-of-the-art campus includes Apple labs, an amphitheater, air-conditioned classrooms, and a well-stocked library—designed to

support students' intellectual and personal growth. Advanced laboratories and a meticulously maintained sports ground further contribute to their holistic development.

At SAGE University, we are committed to creating a vibrant, inclusive, and opportunity-rich environment where students can excel academically and personally.

Exclusive Advisory Board...

ANUBHAVANAND SARASWATI

Advisory

Swami Anubhavanand Saraswati is well-known as the "Happy Guru". He quotes, "I am not miserable and I don't make others miserable". His philosophy is living in the present — here and now. He neither has a home nor an organization and never collects funds. He travels worldwide sharing joy and spreading a message of love and simplicity.

His teachings revolve around the Bhagavad Gita and Vedanta, widely appreciated globally. Many believe his lectures have the power to heal worldly wounds. Swamiji is truly a great asset to India's spiritual world.

PANDIT VIJAY SHANKAR MEHTA

Advisory

A true inspiration, Life Management Guru Pandit Vijay Shankar Mehta was born on 2nd July, 1957. Son of economist Prof. Vallabh Das Mehta, he delivers discourses on more than 75 subjects related to daily life.

For the last 13 years, he has presented spiritual lectures in India and abroad. His innovative course 'Meditation through Hanuman Chalisa' is globally accepted. He advocates 'no negative life' and the 'power of self-management' inspiring countless souls.

N RAGHURAMAN

Advisory

N Raghuraman, postgraduate from Mumbai University and IIT SoM alumnus, is a seasoned journalist with over 35 years of experience in leading national dailies. He has excelled in product launches, government interfaces, HR alignment, research, competitor analysis, and strategic planning.

He believes in balancing growth with profitability and uses his network and insights to craft motivational stories. He has been part of the Prime Minister's international media team for several years.

A versatile leader with achievements in government interfaces, customer research, and strategic development. He became the youngest editor of the Indian Express at age 33, covering industries from pharma to petroleum.

ORGANOGRAM

SAGE PEDAGOGY

SAGE pedagogy is based upon discovery learning, Group learning, Hands-on learning, Independent Study, and Critical thinking. The uniqueness of the courses and programmers of SAGE University is 'Let us work " instead of" Let me teach" from 1st day. Best learning and teaching strategies give deliverables in the form of "Project-Based Learning" to achieve the employability of students. The approach of Micro, Minor, Macro, and Major (Final year Project) project-based learning model of the courses is unique methodologies of lively learning.

This unique academic model system is to produce employable graduates who are fitted to undertake employment in industry, commerce, or public service as professionals by developing their capabilities in relation to innovation, integration of ideas and concepts, interactive development, information provision, and imaginative approaches to processes and problem-solving. The curriculum is designed to provide a Personal Development Planning opportunity for all students concerning enhancing their employability through increasing their independence, inventiveness, ingenuity, and developing their all-around intelligence concerning solving problems, working with other people, and communication skills. All the programs/course syllabus should be concerned with the following themes:

STRATEGIC ROADMAP DEPLOYMENT

A team of experienced faculty members drawn from various academic programmes was entrusted with the responsibility of developing a visionary strategic roadmap aimed at achieving academic excellence, institutional growth, and enhanced performance in national assessment and accreditation frameworks such as NIRF and NAAC. The key initiatives identified through this exercise formed the foundation of the University's Quality System and its Key Performance Indicators (KPIs).

To effectively achieve the objectives outlined in the strategic plan, all departments aligned their goals and action plans with these shared KPIs. To ensure continuous compliance with quality standards, monitor processes, and address departmental challenges, various Directorates were established as Process Owners. Data generated through this measurement and monitoring system is regularly reviewed in the Deans and Directors Monthly Structured Meeting as well as the Section Heads/Directorates Monthly Structured Meeting. Necessary corrective and preventive measures are discussed during these meetings, and their implementation is closely monitored to ensure continuous improvement.

As a result of its well-planned strategy, quality-driven approach, commitment to innovation, research excellence, and conducive academic environment, the University has achieved several significant milestones. The University was awarded the prestigious NAAC A+ Grade, reflecting its unwavering commitment to quality, transparency, and excellence in higher education. In addition, the University has established a distinct identity through its accomplishments in NIRF rankings, research and innovation, industry collaborations, student achievements, patents, startups, and various national and international recognitions.

Today, the University continues to advance toward new benchmarks of excellence by prioritizing continuous quality enhancement, Outcome-Based Education, digital transformation, research excellence, global collaborations, and student-centric learning practices.

SAGE Institute of Advance Computing

Dr. Lalji Prasad
HEAD, Institute of Advance
Computing

Education is not merely the acquisition of knowledge; it is the development of the ability to think critically, adapt to change, and contribute meaningfully to society. In the rapidly evolving world of technology and innovation, quality education empowers students with the skills, values, and confidence required to address complex challenges and create impactful solutions.

At the Institute of Advanced Computing, we are committed to fostering academic excellence, innovation, and lifelong learning. Through a blend of rigorous curriculum, industry-oriented training, research opportunities, and emerging technologies, we strive to nurture competent professionals and responsible citizens who are prepared to lead in the digital era.

Our focus remains on creating an environment that encourages curiosity, creativity, collaboration, and continuous growth, enabling students to realize their full potential and contribute positively to society and the nation.

Computer Lab

The Institute of Advance Computing at SAGE University Indore is recognized among the top institutions in India, providing a strong foundation for students aspiring to build global careers in computer science and engineering.

The institute focuses on emerging technologies such as Artificial Intelligence, Cyber Security, Cloud Computing, and Data Science. With an industry-driven approach and innovative learning environment, it prepares students to develop cutting-edge skills and leadership qualities.

Overview

IAC collaborates with leading global universities and industry partners to provide advanced learning opportunities. Students engage in real-world projects, industry interactions, and global exposure programs.

Partnerships with organizations such as Huawei Technologies, Quick Heal, Amazon AWS Educate, and CDAC ensure access to modern technologies and industry-relevant training.

International collaborations with universities like Tennessee Tech University (USA) and National Dong Hwa University (Taiwan) provide opportunities for faculty exchange and research guidance.

Vision

To empower students with cutting-edge computer science technologies and develop them into globally competent professionals.

Mission

- To provide industry-oriented and research-driven education in computer science
- To develop skilled engineers with entrepreneurial mindset
- To deliver hands-on experience in emerging technologies
- To promote ethical values and societal responsibility
- To strengthen international collaborations for academic excellence

SAGE Institute of Architecture

To design is basic human instinct but needs to be constantly relearned. It goes beyond just making objects of desire. It is about adding constant value to the way we live, work, play and rejuvenate. In Institute of Design, young learner will relearn not just 'What' to think but 'How' to think. They will experience intense joy of creating new things and undergo new learning experiences. We will learn magic of colours. We will learn how form and function are not different but one thing. We will learn how nature inspires us to design by observation, mimicking and integrating ideas for new products, systems and experiences. We will learn what do we use material culture to give concrete 'form' to our ideas. We will learn how design thinking enables us to address challenges we face today. I heartily invite the young aspiring learners to take a step forward and join us for this exciting and meaningful journey. Institute of Design is located at serene and pristine campus of SAGE University on the hills where wind blows freely.

Er. Sanket Jain
HOD, Institute of Architecture

Overview

The Institute of Architecture at SAGE University provides a strong foundation for building a global architectural career. It emphasizes industry collaboration and entrepreneurial learning to prepare students for modern architectural challenges.

The institute promotes in-depth study of arts, history, and culture, helping students understand their role in society and design sustainable, safe, and innovative built environments.

The Institute of Architecture is ranked 1st for Campus Design Excellence in Madhya Pradesh and 2nd in India.

Vision

- To create an environment for research and knowledge sharing
- To promote excellence with professional orientation
- To encourage creative innovation in architecture
- To design sustainable and humane habitats
- To develop ethical, professional, and leadership qualities
- To deliver outcome-based education aligned with future architectural trends

Mission

To develop a vibrant, knowledge-driven environment and establish a center of excellence in architecture focused on sustainable and humane habitat development.

Salient Features

- Professional programs for future architects and planners
- Strong curriculum providing a solid foundation in architecture and planning
- Focus on research and academic enrichment
- Regular expert lectures, workshops, and industry events
- Recognized by Council of Architecture (COA)
- Strong placement support for students
- Guidance from experienced architects and industry professionals
- Educational tours for practical exposure

Institute of Agriculture Sciences

I am pleased to share that the SAGE University, Indore, launched the B. Sc. (Hons.) in Agriculture course in the academic session of 2017-18. This program has been instrumental in enhancing students' knowledge and skills in modern agricultural technologies. Our aim is to equip students with the expertise needed to disseminate these technologies to farmers, secure rewarding jobs, and become successful entrepreneurs in the diverse fields of agricultural sciences.

The scope of agriculture is vast, and the future economy will rely heavily on advancements in this sector. We are committed to providing our students with the best education and resources to thrive in this essential field. We encourage society and the community to take full advantage of the opportunities and benefits offered by the SAGE Institute of Agriculture Sciences.

Dr. Deepak Kumar Sinha
Head of the Institute

Field Work and Demonstration

Overview

The Institute of Agriculture Sciences at SAGE University Indore was established in July 2017 to strengthen agricultural development in the Malwa region. The institute focuses on agricultural education, research, and the transfer of modern technologies related to crop production and animal management.

The primary objective is to transform traditional agriculture into a modern, scientifically driven production system. The institute provides a strong academic foundation in agriculture and allied sciences, preparing students for industry and research opportunities.

Recognized as one of the leading agriculture institutes in Indore, it offers programs such as B.Sc Agriculture with a focus on skill development and practical learning.

Vision

To educate students with modern agricultural techniques and integrated farming systems.

Mission

- To impart scientific education in agriculture and allied sectors
- To develop skill-based and entrepreneurship-oriented programs
- To promote sustainable agricultural practices and values

Program Educational Objectives (PEO)

Decision Making Abilities: Students will develop problem-solving, decision-making, and management skills.

Technical Solutions: Students will be able to identify, formulate, and solve technical problems related to agriculture.

Agricultural System Management: Students will gain knowledge of cropping systems, soil fertility, and water management.

Economic Decision Making: Students will understand input-output relationships in agriculture to make effective and profitable decisions.

SAGE Institute of Arts and Humanities

At our institute, we believe in providing quality education & professional training to our students, so as to make them competent as per the current employment market. We don't limit our students till text books, but we provide them practical exposures as well. My team is dedicated to make them first a better human being, and then a successful career oriented professional. I wish all the best to my all dear students!

Dr. Padmashri Sharma
HOD, Institute of Arts & Humanities

The Institute of Arts and Humanities at SAGE University Indore focuses on understanding the human condition through the study of history, culture, society, and behavior. The discipline explores socio-cultural, economic, and political systems, enabling students to develop a deep understanding of human evolution and societal structures.

The institute offers a wide range of academic opportunities in subjects such as Political Science, Geography, History, English, Economics, and Psychology. Students are equipped with critical thinking, analytical abilities, and communication skills essential for diverse career paths.

Academic Approach

The programs are designed to develop effective communicators and thoughtful professionals. A holistic learning environment enables students to participate in internships, fieldwork, research projects, and practical activities, preparing them for academic as well as professional excellence.

Graduates from the institute can explore careers in administration, content development, research, education, and various interdisciplinary domains.

Vision

To enhance the humanitarian capital of society and explore limitless possibilities through quality education in arts and humanities.

Mission

- To enrich knowledge and promote learning through dedicated academic practices
- To develop skilled professionals through goal-oriented education
- To encourage intellectual growth and ethical values among students

Salient Features

- Industry and academically aligned curriculum
- Personality development programs to enhance confidence and communication
- Interactive teaching methods including presentations, projects, and field surveys
- Co-curricular and competitive activities to encourage creative thinking
- Cultural events and activities to showcase student talent
- Regular guest lectures by academic and industry experts
- Experienced faculty with strong academic and research background

Classroom Activity with expert Session

SAGE Institute of Commerce

Institute of Commerce offers a range of innovatively designed programs whose curricula are constantly updated to meet the changing requirement of the industry and to meet the needs of major stakeholders. We believe that our students have got sufficient calibre to accept in their job profiles and can maintain the consistency in expectations of the corporate world. We encouraged our students to get experience in the corporate world through internship/projects. Curriculum is designed to encourage them to take up mini projects to support theoretical knowledge with practical experience. They also visit local industries to learn to deal with corporate world. These projects enable them to understand the relevance of working in a group and also help them to realize the better aspects and importance of teamwork.

Institute of Commerce has student level cell to motivate and trained them to organize events, participate in inter-college events youth festival and also get involved in activities of social relevance. Students used to organise seminar of experts from different area of industries and education. With all these inputs one finds our students knowledgeable, hardworking, practical-oriented and effective for working in any environment. We have designed our syllabus to create a balance between curricular knowledge with personal and professional skills. The curriculum is taught by a distinguished faculty combining academic excellence and real-world experience with dedication and commitment. Expert used to call by us to deliver lecture and take seminars. We are encouraged to see many industries coming back to our department, which reinforces our belief in the effectiveness of our curriculum and its suitability to meet the dynamic corporate world.

With this brief introduction, we welcome you to be a part of Institute of Commerce, Sage University, Indore for getting an innovative and expert centre of excellence in education, training, and research.

Dr. Abhijeet Chatterjee
Head of Institute

MoU with Tie-up

The Institute of Commerce at SAGE University Indore provides a strong foundation for building successful careers in commerce, finance, and business domains. The institute focuses on delivering industry-oriented education while nurturing entrepreneurial thinking among students.

With a global perspective and strong industry connections, the institute prepares students to adapt to the dynamic financial and business environment. The programs are designed to develop technical knowledge, analytical skills, and professional competence required in modern commerce fields.

Overview

The financial sector in India is undergoing rapid transformation due to economic reforms and globalization. The Institute of Commerce offers comprehensive programs that address the evolving needs of the banking and finance industry.

Programs such as B.Com (Hons.) are designed with specializations in Accountancy, Banking and Finance, Taxation, Economics, and Computer Applications. The curriculum integrates academic knowledge with practical exposure through projects, internships, and industry interactions.

Vision

To provide value-driven professional education in commerce and develop competent professionals for global opportunities.

Mission

- To offer industry-relevant programs in accounting, finance, and commerce
- To integrate information technology into teaching and learning processes
- To develop skills for professional and entrepreneurial opportunities
- To promote experiential learning, personality development, and extracurricular engagement

Program Educational Objectives (PEO)

- To build strong foundational knowledge in commerce principles and practices
- To develop globally competent graduates and corporate professionals
- To provide industrial exposure through internships and practical training
- To support holistic personality development through academic and co-curricular activities

SAGE Institute of Computer Application

Institute of Computer Application is committed to achieve excellence in Computing Technology, Research and assesses the success and leadership of its programs using the highest standards of quality, innovative teaching & Learning. Our goal is to establish Center of Excellence in Computer Application to create a platform for academia, industry and R&D to share knowledge. Our aim is to achieve global leadership in human development and excellence in education. Our objectives of imparting professional education, combined with fostering innovative thinking, application of knowledge, inculcating

professional ethics and consciousness to social responsibilities, are being met at Institute of Computer Application in an integrated form. Institute of Computer Application plays a vital role in producing world class software developer, required to meet the demands of the fast changing global society. Apart from curriculum based studies, emphasis is laid on promotion of innovative-driven projects, interaction with industries & International Universities, soft skills and personality development, co-curricular and extra-curricular activities. We encourage and promote research activities and integrate it with teaching learning process. We believe in lifelong learning and training, leading to benefits of the society. We at ICA run the Industry linked programs to provide platform for Students and our Industrial partners to work together in the development of computing technology, with excellence in education and research activities, collaborations with global Universities MNCs, we aim to make the institution globally visible. I am confident that with the concerted efforts of ICA, the institute will scale to greater heights of excellence in the years to come.

Dr. Sanjay Dubey
Head of the Institute

MOU & Tie-Up

The Department of Computer Application focuses on preparing students to design, develop, and implement software solutions. The academic curriculum is designed to build strong technical, managerial, and soft skills required for successful careers in the IT industry.

Overview

Computer Applications is a rapidly growing domain in science and technology. Recognizing its importance in business and industry, the university established the Institute of Computer Application to promote research and skill development in this field.

The institute offers Bachelor of Computer Application (BCA) and Master of Computer Application (MCA) programs with specializations in Artificial Intelligence, Data Science, Cloud Computing, and Cyber Security, along with research opportunities leading to PhD.

The institute is recognized among the leading BCA and MCA colleges in Indore, providing industry-relevant education and career-focused training.

Vision

To focus on developing competent and skilled computer professionals.

Mission

- To provide a student-friendly environment focused on practical learning
- To deliver education through rigorous coursework aligned with industry needs
- To continuously adapt to global technological advancements in collaboration with IT professionals

Program Educational Objectives (PEO)

- To develop professionals with strong technical knowledge and ICT skills
- To enable students to solve real-world problems through teamwork
- To build global professionals with ethical and research-oriented mindset
- To promote lifelong learning and societal contribution

Collaborations...

IMAGINXP (COLLEGEDEKHO ASSURED)

College Dekho Assured follows an industry-led dynamic curriculum designed by experts to match current market requirements.

- Industry driven curriculum
- Three teacher model: faculty, corporate coach and mentor
- Hands-on practical learning
- 1250+ corporate coaches
- 500+ corporate tie-ups
- 250+ live projects
- Industry certifications
- ImaginXP is a leading higher education platform offering career guidance, certification programs and industry exposure to students.

Overview

Institute of Design (IOD), SAGE University Indore has greatly enabled the students to study the fundamentals as well as the depth of the designing process and create masterpieces in the world of design.

IOD has created an innovative, creative, expressive and open environment for young minds so that they can contribute to the evolving design ecosystem. The institute provides upgraded and sophisticated facilities to ensure that students and future designers remain updated with the latest trends in the design field.

Vision

Aspire to excel in design education by preparing innovative, environmentally and socially responsible citizens.

Mission

- To provide professional design education with high academic standards
- To develop interdisciplinary skills and creative abilities
- To promote responsible design practices for society and environment
- To bridge the gap between academia and industry
- To develop globally aware and socially responsible professionals

Program Educational Objectives (PEO)

- To impart excellent design education for evolving technological world
- To promote research and innovation in emerging design fields
- To develop professionals with responsibility towards society and environment
- To enhance creative and multidimensional learning

Salient Features

- Interdisciplinary Approach: Integration of art, engineering, psychology and business.
- Hands-on Learning: Studio work, workshops, internships and live projects.
- Industry Curriculum: Courses aligned with current industry trends.
- State-of-the-Art Facilities: Design studios, labs and creative spaces.
- Expert Faculty: Experienced professionals with industry exposure.
- Creativity & Innovation: Encouraging critical thinking and new ideas.

Workshop Activities

Institute of Engineering and Technology

Education is the capability to pay attention on everything without getting rid of your temper. It is a best tool which provides the basic learning about society & its culture, improving your understanding capabilities in daily life, providing you better stand in surrounding. Education provides the direction for enlightening the mind, giving power of thinking to solve unknown problems and generating solutions.

Dr. Rajat Bhandari

Head of Institute

IAC Core – CST & Institute of Engineering & Technology (ME/CE/EC)

The programs at the Institute of Engineering and Technology are designed to build strong foundations in engineering principles and professional practices. These programs provide a flexible academic base, enabling graduates to take up responsible engineering roles and specialize in their chosen fields.

The curriculum prepares students for entry-level engineering positions while equipping them with the skills required for advanced specialization and professional growth.

Overview

Engineering programs at SAGE University are structured to provide a stimulating and accessible learning environment. Students gain an understanding of the global and societal impact of engineering solutions, along with exposure to contemporary engineering challenges.

The programs cater to students from diverse academic backgrounds, enabling them to develop both intellectually and professionally. Courses offered include B.Tech and M.Tech in Civil Engineering, Mechanical Engineering, Electronics and Communication, Computer Science, and Information Technology.

SAGE Institute of Journalism and Mass Communication

Journalism and Mass Communication has become one of the most dynamic and influential disciplines in today's information-driven world. It plays a vital role in shaping public opinion, promoting awareness, and contributing to the social, cultural, and democratic development of society. With the rapid advancement of digital technologies and communication platforms, the media landscape is continuously evolving, creating new opportunities and challenges for aspiring media professionals.

At the Institute of Journalism and Mass Communication, we are committed to nurturing creative, ethical, and skilled communicators who can effectively respond to the demands of the modern media industry. Our academic approach combines theoretical knowledge with practical exposure, enabling students to develop critical thinking, professional competence, and a strong sense of social responsibility.

Guided by the philosophy, "Where Modernity Blends with Tradition," the institute fosters an environment that harmoniously integrates contemporary learning practices with enduring Indian values and ethics. While modern education equips students with innovative tools, technologies, and global perspectives, our traditional value system instills integrity, empathy, and responsibility. Together, these principles empower our students to excel professionally and contribute meaningfully to society.

Dr. Jamna Mishra

Head of Institute, Journalism & Mass Communication

JMC Activities

Student participating in group discussion on

Er. Sanjeev Agrawal, Chancellor of Sage University giving journalism award to

Journalism is a powerful medium for disseminating information to a wide audience and plays a vital role in shaping public opinion. The field extends beyond traditional reporting to include film production, event management, public relations, advertising, corporate communication, and digital media.

The SAGE Institute of Journalism and Mass Communication (IJMC) focuses on developing skilled media professionals who can adapt to the evolving landscape of global media and communication industries.

Overview

Established in 2016, IJMC is committed to excellence in journalism and mass communication education. The institute emphasizes academic rigor, practical exposure, and industry interaction to prepare students for dynamic media careers.

Regular guest lectures, workshops, and industry collaborations help students stay updated with current trends. The institute also focuses on research and knowledge creation, encouraging students to think critically and creatively.

With a strong blend of theoretical and practical learning, students are trained to understand media as a powerful tool in shaping society and global culture while respecting diversity and ethical values.

Industry Scope

The media and mass communication industry is one of the fastest-growing sectors globally. It offers diverse and rewarding career opportunities in journalism, broadcasting, digital media, advertising, and public relations.

IJMC equips students with the skills and confidence required to succeed in the modern media industry, ensuring they are industry-ready professionals.

Salient Features

- Advanced media lab with hands-on training facilities
- Practical exposure through projects, production, and media activities
- Industry-oriented curriculum aligned with current media trends
- Dedicated and experienced faculty with academic and industry expertise
- Technical support staff for practical learning and production work
- Individual mentorship based on student interests and career goals
- In-house media initiatives including platforms like SageTV

Institute of Management Studies

Management education today plays a pivotal role in shaping future leaders, entrepreneurs, and professionals capable of navigating the complexities of a dynamic global business environment. At the Institute of Management Studies, we are committed to providing a transformative learning experience that combines academic rigor, industry relevance, innovation, and ethical values.

Our MBA program is designed to equip students with strategic thinking, leadership capabilities, analytical skills, and a global perspective. Through experiential learning, industry interactions, internships, live projects, and research-driven activities, we strive to bridge the gap between classroom learning and real-world business challenges.

We believe that effective management is not only about achieving organizational success but also about creating sustainable value for society. Therefore, alongside professional excellence, we emphasize integrity, social responsibility, teamwork, and lifelong learning.

I am proud of the achievements of our students, faculty members, and stakeholders who continue to contribute towards the growth and excellence of the institute. Together, we remain committed to nurturing competent professionals and responsible leaders who are prepared to make meaningful contributions to the corporate world and society at large.

I extend my best wishes to all our students for their future endeavors and encourage them to continue pursuing excellence with dedication, innovation, and confidence.

Dr. Paras Jain
Head of Department & Associate Professor
Institute of Management Studies (MBA)

The world of business is undergoing unprecedented transformation driven by technological advancements, globalization, and changing consumer expectations. In such a dynamic environment, management education plays a crucial role in preparing individuals to lead organizations with vision, resilience, and responsibility.

At the Department of Management Studies, we are committed to creating an ecosystem that inspires innovation, nurtures leadership, and encourages entrepreneurial thinking. Our objective is not only to impart knowledge but also to develop professionals who can analyze complex situations, make informed decisions, and drive meaningful change.

Through a blend of academic rigor, industry engagement, experiential learning, and research-oriented activities, we strive to equip our students with the competencies required to excel in the corporate world and beyond. We encourage our learners to embrace challenges as opportunities, think creatively, and uphold the highest standards of ethics and professionalism.

Dr. Ritu Joshi
Head of Department & Associate Professor
Institute of Management Studies (MBA- Applied)

The Bachelor of Business Administration (BBA) program serves as a strong foundation for aspiring managers, entrepreneurs, and business leaders. In today's competitive and rapidly evolving business environment, students require not only academic knowledge but also the skills, confidence, and adaptability to succeed in diverse professional settings.

At the Department of Business Administration, our mission is to nurture young minds through a balanced blend of academic excellence, practical exposure, and value-based education. We focus on developing analytical thinking, communication skills, leadership qualities, and entrepreneurial abilities that prepare students for future challenges and opportunities.

Our curriculum is designed to provide students with a comprehensive understanding of business principles while encouraging innovation, teamwork, and ethical decision-making. Through industry interactions, workshops, projects, internships, and co-curricular activities, we strive to create an enriching learning experience that bridges the gap between theory and practice.

Dr. Bharat Bhati
Head of Department & Associate Professor
Institute of Management Studies (BBA)

The Institute of Management Studies (IMS) at SAGE University Indore is committed to delivering world-class management education through its BBA, MBA, and PhD programs across various specializations. As one of the leading business schools in Central India, IMS focuses on developing future-ready managers and leaders equipped with industry-relevant skills.

With a modern campus, experienced faculty, and strong academic framework, the institute ensures holistic development of students. Its strategic location near Pithampur, an industrial hub, provides excellent exposure to real-world business environments and corporate practices.

IMS maintains strong collaborations with corporate organizations, SEZs, and international universities, offering students global exposure and opportunities for academic and professional growth.

Vision

To provide value-driven and state-of-the-art management education to students and stakeholders.

Mission

- To offer industry-relevant management programs with application-based learning
- To integrate modern technology, infrastructure, and teaching methodologies
- To build ethical and value-based decision-making capabilities
- To promote experiential learning, personality development, and extracurricular engagement

MST- Exam

Group Activities

SAGE Institute of Sciences

Institute of Sciences nurtures excellence in area of Life Sciences, Forensic Science biotechnology and microbiology with a focus on carrying out multidisciplinary research. The major goal of institute is to provide foundation to intellectual and creative minds of youth. Institute has a state of the art laboratories with well-equipped basic and sophisticated instruments required at both undergraduate and postgraduate level. Institute is enriched with distinguished academicians with high level of competence in both academics and research in the fields like natural Sciences, biotechnology, microbiology, forensic science, zoology, botany, physics chemistry, immunology, computer science, human physiology, nanotechnology, communication skills etc. Institute is having well-established and dedicated plant tissue culture lab for research and commercial activity. Faculty members of Institute are Ph.D with an experience of over 10 years and are expertise in their field. The institute believes to impart education of fundamentals so that students can well apply the knowledge and attempt to solve applied problems in real life situation. The teaching methodologies are synced with present emerging trends. Grooming of students is done for an industrial and research oriented career. Institute undertakes extensive interaction with industries through projects and trainings. The institute fosters dynamic learning environment and offers exposure to interact with eminent researchers, entrepreneurs, through expert lecture and invited talks. Institute stress upon modern methods of teaching applying latest tools. Classes are made lively and interactive. The curriculum is upgraded in consultation with professionals and academicians keeping in mind the present day requirements. The curriculum stresses on developing analytical & communication skills, team work abilities and ethics. Institute of sciences aims to establish as with its signs of achievements and efforts grown up rapidly are being noticed at national and International levels in terms of academics, research and student placements.

Dr. Sandeep Kumar Verma
HOI, Institute of Sciences

Science is all about logical thinking and learning and It grows with experience. Here at SAGE University, we are having a perfect blend of applied as well as basic science subjects. The Institute maintains active research environment for carrying out collaborative and interdisciplinary research. We have latest research facilities. Our institute is well organized with laboratories and classrooms. We are planning to increase the opportunities for our students to do successful research with an innovative approach.

Dr. Jagrati Singhal
HOD, Institute of Sciences

LAB Activities with Experiments

Institute of Sciences Activities

Detection of Protein using Biuret Reagent

The Institute of Sciences at SAGE University Indore is dedicated to achieving excellence in academic and research domains by aligning with global standards in scientific education. The institute focuses on building strong foundations in core scientific disciplines such as Biotechnology, Microbiology, Botany, Zoology, Chemistry, Physics, Computer Science, Cyber Security, Mathematics, and Forensic Science.

With a dynamic academic environment, the institute nurtures intellectual and creative minds, encouraging innovation, analytical thinking, and research-driven learning. Students are provided with opportunities to explore multidisciplinary approaches and develop skills required for both industry and research-oriented careers.

Overview

We encourage our students to think critically, act ethically, and contribute meaningfully to society. Together, let us pursue knowledge, justice, and excellence.

Dr. Niti Nipuna Saxena
HOD, ILLS

LAW & LEGAL Studies Highlights

The Institute of Law and Legal Studies offers a wide range of academic programs designed to provide comprehensive legal education. The curriculum is continuously updated to align with changing legal frameworks and global developments.

The institute focuses on developing analytical thinking, practical exposure, and professional skills through a dynamic and creative learning environment that integrates law with social sciences.

Overview

Approved by the Bar Council of India (BCI), New Delhi, the institute prepares students to understand and work within complex legal systems. Students develop skills in legal writing, argumentation, and analytical problem-solving.

The institute provides practical exposure through training, internships, and real-world legal experiences, ensuring students are well-prepared for careers in law and related professions.

Vision

To achieve excellence in legal education by incorporating international standards, fostering innovation, and developing professionals committed to legal excellence and social responsibility.

Mission

- To promote holistic development and create responsible legal professionals and citizens
- To recognize individual potential and provide the best training for career and life goals

Program Educational Objectives (PEO)

The objectives of the law programs ensure that graduates of BBA LLB, BA LLB, and LLB develop strong professional competencies and legal expertise.

- To acquire and apply legal knowledge to complex socio-legal problems
- To prepare students for careers in courts, industries, and corporate sectors
- To develop professional skills such as argumentation, drafting, and legal documentation
- To understand and apply professional ethics in legal practice
- To build legal research and reasoning skills

SAGE Institute of Pharmaceutical Science

It's my great pleasure that I got an opportunity to convey few words from the desk of HOI, institutes of Pharmaceutical Sciences, SAGE University, Indore. It is very much clear that the education has become a compulsory subject for the parents as well as for the students. Words getting a good qualification carry over by parents ensures the secured, prestigious and for smooth life. Dear parents all of have faced the "struggle for existence and survival of the fittest". Now the time has come for young to inheritance (pass on) of acquired character. When the question comes about pass on the knowledge, there should not be any sort of compromise. "Your single compromise may cost a lot." Since 15 th January 2016, a great opportunity and gift is given by Er. Sanjeev Agrawal Sir who has established an undefeatable, not challengeable university at Rau, Indore named SAGE University where the motto is "Where Success is a Tradition" without any compromise. Compromise word is not available at any noo of SAGE University. Respected Chairman Er. Sanjeev Agrawal Sir has provided all the facilities such as from the infrastructure to equipments, learned staff to fully equipped labs and required facilities before the start of the course so the students should not face any problem even from the first day of entrance to the SAGE University- it indicates the devotion of our University. We are bonded to provide the better to best teaching, expert in handling the equipments and practicals because our ultimate goal is to generate Research Oriented Students. institutes of Pharmaceutical Sciences which provides 100 seats in B. Pharm and 60 seats in D. Pharm and collaborated with the pharmaceutical companies throughout the India welcomes all the young blood to join us and create your future secure. Thanks to parents/guardians and good luck to my youngsters.

Dr. Raghvendra Dubey
HOI, institutes of Pharmaceutical Science

Pharmacy education combines academic research with professional training, enabling students to understand drug manufacturing, analysis, distribution, and effective usage. The program also focuses on ethical practices and patient interaction in healthcare systems.

Overview

The Institute of Pharmaceutical Science at SAGE University is approved by the Pharmacy Council of India (PCI) and recognized by the Madhya Pradesh Private University Regulatory Commission (MPPURC).

The institute aims to provide quality education in pharmaceutical sciences and develop skilled healthcare professionals. Students gain knowledge in drug formulation, analysis, and healthcare applications, along with specialization opportunities in various domains of pharmacy.

Vision

To educate and empower students in pharmaceutical healthcare for transforming lives and improving society.

Mission

- To develop creative and skilled pharmacy professionals
- To promote healthcare values through technology and innovation
- To build strong collaborations with academia and industry
- To prepare self-reliant and highly competent pharmacists for society

Program Educational Objectives (PEO)

- To develop professionals with strong pharmaceutical knowledge and skills
- To build strong theoretical and practical foundations in pharmaceutical sciences
- To enhance teamwork, communication, and ethical practices
- To develop analytical and critical thinking for solving industry and healthcare challenges

- To develop analytical and problem-solving skills for industry and healthcare challenges

Institute of Performing Arts

At the Institute of Performing Arts, we embrace challenges as opportunities for growth and transformation. We encourage our students to explore, experiment, and push boundaries in the realm of artistic expression. Our teaching methodology is not merely contemporary; it is forward-thinking, designed to keep pace with the rapid evolution of our field while upholding the rich tapestry of traditional Indian arts and culture.

As the guiding Head of the Department, I firmly believe in a philosophy where modernity seamlessly blends with tradition. It is this symbiotic relationship between the old and the new that propels us forward, enabling us to carve our mark in the annals of artistic excellence.

I encourage each of you, faculty members, staff, and students alike, to embark on this journey with an open mind and a fearless spirit. Together, let us celebrate the richness of our cultural heritage of arts while embracing the limitless possibilities of the future of arts.

Dr. Janmna Mishra
HOD, SAGE Institute of Performing Arts

Consultancy Overview...

The Directorate functions in alignment with the core mandate of SAGE University, Indore striving to strengthen national security and resilience by transforming academic expertise into actionable and impactful solutions. Our efforts are directed towards fostering a dynamic ecosystem of consultancy and projects that not only address immediate national challenges but also contribute meaningfully to the long-term vision of Amrit Kaal and Viksit Bharat.

We take pride in our strong collaborations with Ministries of the Government of India, defence establishments, law enforcement agencies, industry leaders, corporate organizations, and our global MoU partners. These partnerships enable us to integrate diverse perspectives, co-develop innovative solutions, and deliver consultancy services that are both globally informed and locally relevant.

Guided by rigorous methodologies, innovative approaches, and the highest standards of academic integrity, the Dean offers expertise in policy support, capacity building, technology assessment, risk analysis, and institutional strengthening. Each initiative is designed to be practical, impactful, and future-oriented, equipping stakeholders with the tools and strategies required to effectively respond to evolving challenges. Beyond consultancy, we are committed to empowering professionals and institutions through sustained knowledge transfer and capacity-building initiatives. By equipping policymakers and practitioners with advanced insights and frameworks, we aim to create a lasting impact in strengthening institutional capabilities and promoting sustainable security practices.

As India advances towards the vision of Viksit Bharat, the Dean aspires to serve as a catalyst—bridging academia with practice and partnerships with purpose. We remain dedicated to contributing towards building a safer, stronger, and more secure nation.

SAGE University Indore – Patent Achievements (2024-25)

PATENT PUBLISHED – 2024-25

S. No	Applicant's Name	Institute Name	Patent title	Application ID	National/International
1	Dr. Prashant Jain, Dr. Dinesh Jain, Dr. Abhay Kothari, Dr. Shivangini Mourya, Dr. Pratik Jain, Rohan Kumar Thawait, Nisha Patel, Pradeep Patel	IAC & IET CSE IT	A System and Method for integrated IoT and Cloud-Based Cognitive Behavioural Therapy (CBT) for Personalised Mental Health Care using AI	202421036569	National

ANNUAL REPORT - 2024-25

2	Ms. Sakshi Agrawal, Anuj Kesharwani, Ranveer Singh, Dr. Hemang Shrivastava	IAC	A System and Method for AI-Enhanced Exploratory Data Analysis and Insight Generation	20242104693 5	National
3	Dr. Prashant Jain, Prof Prachi Gour, Dr. Basant Ochani	IET CE	Method for Concrete Work Crack Detection using IoT and Machine Learning	20242104811 9	National
4	Ms. Sakshi Agrawal, Dr. Vijay Bhat	IAC - CORE	Educational Tool for Simulating a Virtual Electron Diffraction Tube	20242104264 8	National
5	Ms. Sakshi Agrawal, Achyut Verma, Isha Senger, Sofia Sayyed, Dr. Hare Ram Sah	IAC	SIGN LANGUAGE TRANSLATION METHOD AND APPARATUS THEREOF	20242105188 3	National
6	Dr. Prashant Jain, Dr. Ati Jain, Ms. Anshu Prajapati, Mr. RaviKant Kori	IAC	Vulnerability Assesment and Penetration testing Assesment Server - Side Web-Application Framework	20242104914 1	National

ANNUAL REPORT - 2024-25

7	Dr. Prashant Jain, Ms.Snehlata Mishra, Dr. Ritu Tandon, Dr. Lalji Prasad, Dr. Abhay Kothari	IAC, IET CSE IT	A System and Method for Federated Learning with IoT Devices for Personalised Health Monitoring and Intervention	20242105404 8	National
8	Dr. Prashant Jain, Dr. Ritu Tandon, Dr. Lalji Prasad, Prof Snehlata Mishra, Dr. Parag Goyal, Anshul Mishra, Mr. Abhishek Pandey	IAC, IET CSE IT	AI-Enabled Tool for Cancer Image Classification	20242105318 9	National
9	Ms. Sakshi Agrawal, Harsh Rahul, Arpit Rai, Abhishek Pagare, Dr. Kuntal Barua	IAC	Cipher-Security: A Cryptography-Enabled Data Transmission and Storage System	20242105446 8	National
10	Ms. Sakshi Agrawal, Ms.Vidhi Patel, Sourabh Kumrawat, Dr. Nitika Kadam, Prof. Suranjit Kosta	IAC	AI DRIVEN AND IOT ENABLED VIRTUAL MOUSE	20242105618 6	National

ANNUAL REPORT - 2024-25

11	Dr. Prashant Jain, Arijit Bhowmik, Himashu Tripathi, Dr. Kuntal Barua	IAC	A SYSTEM FOR THE DEVELOPMENT OF A LIGHTWEIGHT GNU/LINUX DISTRIBUTION FOR SECURITY TESTING	202421056184	National
12	Dr. Prashant Jain, Dr. Ati Jain, Mr. Shivang Kumar Gangrade, Mr. Sumit Gupta, Mr. Ritik Jaiswal	IAC, CSE IT	A SYSTEM FOR PROVIDING INTERNSHIP FOR POTENTIAL PROSPECTS	202421062378	National
13	Dr. Prashant Jain, Dr. Rekha Ranawat, Dr. Hemant K Gupta, Abhishek Agrawal, Riya Gupta, Priyanshi Chouhan	IAC Core	A PLATFORM AND METHOD FOR CONDUCTING ONLINE INTERVIEWS	202421059700	National
14	Dr. Prashant Jain, Dr. Sachin Patel, Dr. Abhay Kothari, Dr. Deepak Kumar Yadav, Gladwin George, Tanishq Ahirwar, Aadil Ashaq	IAC, CSE IT	A SYSTEM AND METHOD FOR IDENTIFYING HARMFUL INGREDIENTS IN FOOD ITEMS AND BEVERAGES USING ARTIFICIAL INTELLIGENCE	202421062379	National

ANNUAL REPORT - 2024-25

15	Dr. Prashant Jain, Mr. Abhishek Pandey, Mr. Anshul Mishra, Mr. Gupta Ankith Kumar, Dr. Kuntal Barua, Dr. Ritu Tandon, Prof Snehlata Mishra	IAC, CSE IT	A SYSTEM FOR THE PURIFICATION OF WATER THROUGH MICROORGANISM DETECTION USING DEEP LEARNING	20242105907 5	National
16	Dr. Prashant Jain, Dr. Taranpreet Singh, Dr. Hemang Shrivastava	IAC	A SYSTEM AND METHOD FOR CONTEXTUAL CRIME SCENE INTERPRETATION USING HYBRID DEEP LEARNING TECHNIQUES	20242106349 9	National
17	Dr. Prashant Jain, Dr. Hemant K Gupta, Megha Gupta, Dr. Rajat Bhandari, Dr. Manoj K Ramaiya	IAC CORE	AN ADVANCED DATA HIDING APPROACH FOR DYNAMIC DATA PROTECTION	20242106643 9	National
18	Dr. Prashant Jain, Dr. Abhay Kothari, Prof Kundan K Mishra, Pavan K Sahu	IET CSE IT	A System for File Sorting Based on Internet of Things (IoT)	20242106843 3	National

ANNUAL REPORT - 2024-25

19	Ms. Sakshi Agrawal, Dr. Sachin Patel, Dr. Dilip Solanki, Mr. Anas Ahmed, Mr. Daksh K Vaidhya, Mr. Deepak Dangi	IAC Spec, IET CSE IT	A System and Method for AI-Powered Resume Generation with Real-Time Feedback	20242106843 0	National
20	Ms. Sakshi Agrawal, Prof Megha Gupta, Dr. Nidhi Gupta, Dr. Mukesh Yadav, Mr. Jaydeep Shrivastava, Mrs. Deepa Taware, Ms. Pratiksha Wagadre	IET EC	Applicant Tracking System with Large Language Model Integration	20242107137 4	National
21	Dr. Prashant Jain, Dr. Dinesh Jain, Dr. Abhay Kothari, Dr. Akhilesh Upadhyay, Rishabh Lath, Dipesh Mahajan, Taniya More, Garima Malakar	IET CSE IT	System and Method for Intelligent Timetable Generation Using Cloud and IoT Technologies	20242107137 5	National

ANNUAL REPORT - 2024-25

22	Dr. Prashant Jain, Dr. Dilip Solanki, Dr. Ritu Tandon, Mr. Manish, Mr. Harshul Meda	IET CSE IT, IAC Spec	A SYSTEM AND METHOD FOR PROVIDING ACCESS TO GOVERNMENT SCHEMES AND PRIVATE SCHEMES TO FARMERS	20242106891 5	National
23	Dr. Prashant Jain, Dr. Dinesh Jain, Dr. Abhay Kothari, Vipul Varshney, Deepak Rathod	IET CSE IT	A SYSTEM AND METHOD FOR RECOMMENDING VIDEO CONTENT USING DEEP LEARNING ALGORITHMS	20242107137 3	National
24	Dr. Prashant Jain, Dr. Shivangini Mourya, Dr. Lalji Prasad, Dr. Dinesh Jain, Dr. Ritu Tandon, Master Prince Singh, Ms. Khushi Jaiswal, Dr. Swati Dubey	IET CSE IT, IAC Spec	A Virtual Medical Assistant	20242106958 2	National
25	Dr. Prashant Jain Dr. Abhay Kothari Sruti Agarwal, Harsh Maheshwari Aditya Joshi Prof. Sadhna Pandey	IET CSE IT	UML DIAGRAM SELECTOR SYSTEM AND METHOD THEREOF	20242107210 3	National

ANNUAL REPORT - 2024-25

26	Dr. Prashant Jain, Prof Garima Hardia, Prof Rashmi Rani, Prof Suranjit Kosta, Altohid Sheikh, Divyanshu Jaiswal, Aditya Singh, Hasnain Ansari	IAC Core	A System and Method for Petrol Pump Quantity Fraud Detection using IoT-based Sensors	20242107417 5	National
27	Dr. Prashant Jain, Ayush Solanki, Krishna Pawar, Raj Geete, Dr. Hare Ram Sah	IAC spec, IET CSE IT	A System for Sentiment Analysis of YouTube Videos	20242107264 2	National
28	Dr. Prashant Jain, Prof. Neha Sharma, Prof. Rishi Yadav, Altohid Sheikh, Divyanshu Jaiswal, Aditya Singh	IAC-CORE	A System for AI-Driven Social Media Automation	20242107344 5	National

ANNUAL REPORT - 2024-25

29	Dr. Prashant Jain, Dr. Rekha Ranawat, Dr. Manoj Kumar Ramaiya, Mr. Anshul Mishra, Ms. Prachi Mishra, Ms. Swastika Pathak, Mr. Abhishek Pandey	IAC-CORE	System and Method for Fake Job Detection Using Shallow and Deep Learning	20242107529 6	National
30	Dr. Prashant Jain, Dr. Dinesh Jain, Prof. Jeetesh Jain, Dr. Abhay Kothari, Gaurav Sarode, Akshay Patidar	IET CSE IT	An IoT-Enabled Intelligent Calculator with Voice Recognition, Natural Language Processing, and Adaptive Learning Capabilities	20242107632 3	National
31	Dr. Prashant Jain, Dr. Rajat Bhandari Dr. Nirupma Tiwari, Dr. Hemant Kumar Gupta, Ms. Tanu Joshi, Mr. Naved Khan, Mr. Rushan Khan	IAC CORE	A System for Adaptive Voice-Based AI Assistance with Speech recognition and Contextual Understanding	20242107743 0	National

ANNUAL REPORT - 2024-25

32	Dr. Prashant Jain, Onkar Singh, Jyoti Kumari, Rashi Tomar, Dr. Ati Jain	IAC Spec	AN APPARATUS FOR GENERATION OF ELECTRICAL ENERGY	20242107671 6	National
33	Dr. Prashant Jain, Dr. Dinesh Jain, Dr. Abhay Kothari, Dr. Sudhir Agrawal, Prof. Jeetesh Kumar Jain, Deepak Gandhavar e	IET CSE IT	A System for an E-Counselling using IoT and Cloud-based Technologies	20242107594 5	National
34	Dr. Prashant Jain, Mrs. Puja kumari, Dr. Souravh Bais, Dr Raghvendra Dubey, Dr Shashi Alok, Dr: Vipin Dhote, Mr. Ankit Rai, Mr. Alok Kumar Soni	Inst of Pharmacy	A TRIMETAZIDINE COMPOSITION FOR CHRONIC RHEUMATOID ARTHRITIS MANAGEMENT	20242100615 8	National
35	Dr. Prashant Jain Dr. Abhay Kothari Dr. Aarti Sharma Ms. Aadrika Katare	IET CSE IT & IQAC	Internet of Things Based Calculator for Laplace Transform	20242107902 7	National

ANNUAL REPORT - 2024-25

36	Ms. Sakshi Agrawal, Abhishek Jain, Garima Patel, Ayush Kumawat, Prof Suranjit Kosta	IAC-Spec	A SYSTEM AND METHOD FOR IDENTIFYING A THREAT IN SURVEILLANCE SYSTEMS	20242107862 1	National
37	Dr. Prashant Jain, Prof. Neha Sharma, Dr. Nirupma Tiwari, Dr. Hemant Kumar Gupta, Sunil Verma, Shelja Joshi	IAC-Core	A System for Mobile Application Recommendation Leveraging Sentiment Analysis and Collaborative Filtering Techniques	20242109323 7	National
38	Ms. Sakshi Agrawal, Baber Latif Mir, Piyush Sagar, Sourabh Patel, Dr. Mukesh Yadav, Dr. Nidhi Tiwari, Prof. Megha Gupta, Mr. Pawan Bharade	IET EC	A Versatile Manual Agricultural Robot with Low-Maintenance Design, Safety Features, and Interchangeable Attachments	20242109405 2	National
39	Ms. Sakshi Agrawal, Mr. Raju Prajapat, Aakash Dodve, Prof. Megha Gupta, Dr. Nidhi Tiwari,	IET EC	A SYSTEM AND METHOD FOR DETECTION OF SLEEP AND ALCOHOL CONSUMPTION OF IN A VEHICLE	20242109575 6	National

ANNUAL REPORT - 2024-25

	Prof. Madhvi Singh, Dr. Mukesh Yadav, Dr. Shekh Kulsum Almas				
40	Dr. Prashant Jain, Dr. Smruti Sohani, Dr. Sanjeev Singhal	IQAC	METHOD FOR VISUALIZING IRON DISTRIBUTION IN MURRAYA KOENIGII LEAVES	20242109644 7	National
41	Ms. Sakshi Agrawa, Dr. Nidhi Tiwari, Prof. Megha Gupta, Dr. Mukesh Yadav, Laksh Shrivastava, Ankit Chilivant, Krishna Choudhary, Sumit Singh Jadon	IET EC	Smart Traffic Lighting System using Image Processing	20242109720 5	National
42	Dr. Prashant Jain, Dr. Ati Jain, Ms Dimple Sahu	IAC Spec	Method and System for Analysing Hindi Braille Text and Hindi Speech	20242110034 8	National
43	Dr. Prashant Jain Dr. Amrita Soni Dr. Aarti Sharma, Vinay Sharma,	IMS	Device for Technology Adoption Management in Banking Sectors	20252100445 6	National

On December 27, 2004, SAGE University London hosted the much awaited SAGE Forum 2004. The Grand Alumni Meet that brought together over 700 alumni from across India, the UK, and the US. The event was a transformative reaffirmation of nostalgia, accomplishment, and rekindled bonds.

The evening commenced with a grand inauguration led by the senior management authorities, setting an auspicious tone for the celebration. The official SAGEworld tour that followed! Inaugurated with the spirit of wisdom and learning, SAGEworld welcomed to the university's legacy.

The work was coordinated by Dr. Suresh Babu, Associate Professor, AE SUI and Prof. Mani Sundar, Assistant Professor, AE SUI under the guidance of Dr. Raj Prasad (AE, AE-256 RT) and Prof. Suresh Kumar (AE, AE-RT-50). The seminar proved to be a highly informative experience for all attendees.

SAGE Euphoria -2025

SAGE Euphoria '25 was the 3rd edition of the annual three-day college fest at SAGE University, Indore. Held from May 1-3, 2025, the event attracted thousands of attendees with over 25 thrilling events, dynamic competitions, and live performances by celebrities like Gajendra Verma and DJs Deafox and Checkmate.

Student Academic Excellence Awards

On April 23, 2025, Sage University Indore hosted the Student Academic Excellence Awards at Kalpavriksha Auditorium, graced by MD Ms. Sakshi Bansal. Over 1,000 students participated, with 140 students recognized for outstanding academic and extracurricular achievements. The ceremony celebrated dedication, holistic growth, and excellence, reaffirming the university's commitment to empowering students to achieve greatness...

Ted-x

Women – The Power of She Women – The Power of She was proudly hosted by SAGE University Indore on 7th March, celebrating the strength, resilience, and empowerment of women. The event featured five inspiring women speakers—Smita Das Jain, Dr. Priya Agrawal, Vinita Raj, Vartika Chandani, and Kajal Matta—who shared powerful journeys of leadership, entrepreneurship, creativity, and personal transformation. The talks emphasized self-belief, innovation, breaking stereotypes, and embracing change, leaving the audience motivated and empowered. More than an event, Women – The Power of She emerged as a movement celebrating the indomitable spirit of women.

A Two-Day National Conference at SAGE Institute of Sciences

The National Conference on "Advancements and Innovations of Biological Sciences in Research and Sustainable Development (AIBSRD 2025)" was held at the SAGE Institute of Sciences on March 27–28, 2025, bringing together academicians, researchers, and experts from across the country. The two-day conference featured insightful sessions by renowned speakers from CSIR-NBRI, Jamia Hamdard, IIT Indore, JNU, University of Delhi, and other leading institutions, focusing on advancements in neuroscience, sustainable bioengineering, and biotechnology, biodiversity, development. Organized under the leadership of Dr. Sandeep Kumar Verma and Dr. Jagrati Singhal, the conference fostered collaboration, innovation, and a shared commitment to research sustainability.

The Grand Oath Ceremony – SAGE Student Ambassador Council 2025

SAGE University Indore marked a historic milestone with the Grand Oath Ceremony of the SAGE Student Ambassador Council, where more than 1000 enthusiastic Sagians came together to take a pledge of leadership, responsibility, and transformation. The event symbolized a powerful commitment—not just to represent the university, but to influence change, inspire peers, and lead with purpose.

The ceremony was graced by the presence of Respected Managing Director, Ms. Sakshi Bansal, whose inspiring words ignited determination and confidence among the students. She emphasized that true leadership begins with self-belief and grows through consistent effort and contribution toward society. Her message motivated every ambassador to carry forward the values of discipline, innovation, and service—aligning with the core philosophy of SAGE University.

During the ceremony, student ambassadors took a collective oath to lead by example, uphold the dignity of the university, and take initiatives that create a positive impact on society. The hall resonated with enthusiasm as students promised to bring ideas into action and transform challenges into opportunities. The Student Ambassador Council embodies the University's belief that every student has the potential to become a changemaker. The event concluded with applause, inspiration, and a renewed spirit of leadership.

Grand Oath Ceremony

Advisory Meet 2025

SAGE University Indore proudly hosted the Advisory Meet 2025, a prestigious gathering that brought together industry leaders, academicians, and domain experts to deliberate on shaping future-ready education. The event highlighted the university's commitment to innovation, relevance, and academic excellence, bridging the gap between industry expectations and educational outcomes.

The meet witnessed the participation of global experts from leading organizations including Jio, Capgemini, and IBM, who shared strategic insights on emerging industry trends, skill requirements, and technological advancements. Their discussions emphasized the importance of aligning higher education curricula with real-world industry needs, preparing students to thrive in a dynamic professional environment.

The advisory sessions were enriched by thought leadership discussions on innovation in pedagogy, cutting-edge research, and integration of technology in education. Experts provided guidance on curriculum development, practical training modules, and strategies to foster creativity, problem-solving, and critical thinking among students.

The event was graced by the esteemed presence of Ms. Sakshi Bansal, Managing Director – The SAGE Group, whose vision of combining experience with innovation resonated strongly throughout the meet. She highlighted the significance of collaborative efforts between academia and industry in nurturing talent and shaping education that meets the demands of the future.

Governance Structure @ SAGE

SAGE University Indore follows a robust and participative governance framework that promotes transparency, accountability, academic autonomy, and institutional excellence. The University is governed through a well-defined organizational structure comprising the Chancellor, Pro-Chancellor, Vice Chancellor, Registrar, Finance Officer, Deans, Heads of Departments, and various statutory bodies such as the Board of Management, Academic Council, Finance Committee, Planning and Monitoring Board, Board of Studies, and IQAC. These bodies play a pivotal role in policy formulation, academic planning, quality assurance, financial management, and strategic decision-making, ensuring the effective functioning and sustainable growth of the University.

About The IQAC...

In pursuance of its action plan for performance evaluation, assessment, accreditation, and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent, and catalytic improvement in the overall performance of institutions.

Composition of IQAC

Training Cell...

Dr. Nitika Vats Doohan
HOD, Training Department

"At SAGE UNIVERSITY, we empower students and professionals to achieve their full potential by equipping them with industry-relevant skills, practical knowledge, communication and leadership skills, and a mindset for continuous learning. We aim to bridge the gap between education and employment, fostering a future-ready workforce that excels in a competitive job market and adapts to the industry's evolving demands."

Skill Building...

The Training Department at SAGE University, Indore is a dynamic and forward-thinking team dedicated to enhancing students' employability, competence, and holistic development. Comprised of experienced academicians and industry professionals, the department designs and delivers structured training interventions aligned with current industry standards and future career demands.

With a strong emphasis on practical exposure, innovation, and continuous learning, the department plays a pivotal role in shaping industry-ready professionals and future leaders.

Our Spectrum of Offerings...

Outbound Training Programs: Focused on preparing students to successfully navigate and excel in various stages of recruitment drives, including aptitude tests, group discussions, and personal interviews.

Competitive Exams & Civil Services Preparation: Structured guidance and training for Government job aspirants, covering examinations such as IAS, SSC, Banking (PO), and other competitive exams.

Higher Education Entrance Preparation: Comprehensive support for students aiming for global and national higher education opportunities through exams like GRE, GMAT, IELTS, and GATE.

ZAT & PAT: Periodic assessment framework designed to evaluate students' aptitude, technical knowledge, and overall readiness, ensuring continuous performance tracking and improvement.

MoUs & Centres of Excellence (CoE): Strategic collaborations with industry partners to establish Centres of Excellence, providing hands-on exposure, certifications, and industry-relevant skill development.

SPI (Student Progression Index): A structured performance monitoring system that tracks individual student growth across academic, skill-based, and employability parameters, enabling data-driven mentoring and interventions.

NSS Unit Activities with Participants - 2024-25

"Ek Ped Maa Ke Naam"

A program initiated by the Hon'ble Prime Minister of India, a massive plantation drive was carried out within the SAGE campus on 26th July 2024, wherein Prof. (Dr.) Arun Kulkarni, Vice Chancellor, and Dr. Manish Choudhary, Registrar, were present.

On the occasion of Hindi Diwas, a visit was organized to Village Pivdai on 19th September 2024 with the objective of promoting the importance of the Hindi language and fostering community engagement. During the visit, faculty members and students interacted with the local residents and conducted awareness activities highlighting the significance of Hindi as a medium of communication, culture, and national unity. Various educational and cultural programs, including speech sessions, essay writing activities, and discussions on the role of Hindi in contemporary society, were organized. The initiative provided an opportunity for students to connect with the rural community, understand local perspectives, and contribute towards the promotion of linguistic and cultural heritage. The visit concluded with active participation from villagers and reaffirmed the commitment to preserving and promoting the rich legacy of the Hindi language.

A cultural event was organized at Village Machla on 05 October 2024 with the aim of promoting cultural awareness, community participation, and social harmony. The event featured a variety of cultural performances, including folk songs, traditional dances, musical presentations, and other artistic activities that showcased the rich cultural heritage of the region. Students and faculty members actively

participated in the program and engaged with the local community. The event provided a platform for cultural exchange, encouraged the preservation of local traditions, and strengthened the bond between the university and the village community. The enthusiastic participation of villagers and students made the event a memorable and successful occasion.

Under the aegis of the National Service Scheme (NSS), Constitution Day was celebrated at SAGE University on 26th November 2024 to create awareness among students about the significance of the Constitution of India and their responsibilities as responsible citizens. The program commenced with a briefing session on the historical importance of Constitution Day and the values enshrined in the Constitution.

NSS volunteers actively participated in the event and took the Constitution Pledge, reaffirming their commitment to uphold the principles of justice, liberty, equality, and fraternity. Faculty members addressed the gathering and highlighted the importance of constitutional values in nation-building and social development. The activity encouraged students to develop a sense of civic responsibility and strengthened their understanding of democratic principles and citizens' duties.

A Blood Donation Camp was organized on 27th November 2024 in association with My Hospital and HDFC Bank. The camp was conducted with the objective of promoting voluntary blood donation and creating awareness about its importance in saving lives. NSS volunteers, students, faculty members, and staff actively participated in the initiative and donated blood enthusiastically. Medical professionals from My Hospital ensured proper

screening, counseling, and safe blood collection procedures throughout the camp. Representatives from HDFC Bank supported the event and encouraged community participation in this noble cause. The camp witnessed an overwhelming response and successfully contributed to strengthening the availability of blood for patients in need. The activity instilled a sense of social responsibility and humanitarian service among the participants, reflecting the core values of NSS.

Faculty Positions - 2024-25

IDEA EXPO : SAGE STARTUP SPARK

On June 13th and 14th, 2024, aimed at fostering innovation, collaboration, and entrepreneurship within our community. The primary objective of the Startup Conclave is to provide a platform for aspiring entrepreneurs, industry experts, investors, and ecosystem stakeholders to come together, exchange ideas, network, and explore opportunities for collaboration and growth.

Startup Fever is sweeping across industries, reshaping how new products are conceived and launched. In this era of rapid technological advancements, the role of education is more crucial than ever. As an avid enthusiast of entrepreneurship, I am thrilled to be part of SAGE University, Indore, where we are dedicated to fostering startup culture and entrepreneurship. At SAGE University, Indore, our vision is to create a dynamic educational ecosystem that brings entrepreneurs together, maximizing the potential of innovations and extending their benefits to a wider audience.

Er. Sanjeev Agrawal
Chancellor

At SAGE University, Indore, students have the privilege of learning from the best minds in academia and industry. They're not just encouraged to think outside the box; they're empowered to create new ideas and tackle challenges head-on. Through a vibrant culture of entrepreneurship and startup events, we ensure that no opportunity for growth goes untapped.

Join us and become part of a legacy of excellence at SAGE University, Indore. Together, let's shape a brighter tomorrow.

Future Vision and Strategy

Transforming Education, Research, and Societal Impact

SAGE University Indore envisions becoming a globally recognized institution driven by academic excellence, innovation, sustainability, and inclusive growth. The University's strategic roadmap focuses on creating future-ready graduates, advancing impactful research, and contributing meaningfully to society.

Academic Growth and Multidisciplinary Learning

The University plans to expand its academic landscape through new interdisciplinary schools in emerging domains such as Artificial Intelligence, Sustainability Studies, Health Sciences, Liberal Arts, and Design & Innovation. These initiatives will align with the National Education Policy (NEP) and promote flexible, multidisciplinary learning.

Research, Innovation, and Entrepreneurship

A strong emphasis will be placed on research excellence in areas including AI, renewable energy, smart technologies, healthcare innovation, and sustainable development. The University aims to strengthen Centres of Excellence, industry collaborations, incubation support, patents, funded research projects, and startup ecosystems.

Global Partnerships and International Engagement

SAGE University will continue expanding its global footprint through academic collaborations, student and faculty exchange programs, joint research initiatives, and international learning opportunities, fostering global competencies and cross-cultural understanding.

Community Impact and Employability

The University remains committed to community development, skill enhancement, entrepreneurship promotion, and social outreach initiatives. Focused efforts will be made to improve employability, support innovation-driven ventures, and contribute to regional socio-economic development.

Digital Transformation and Quality Excellence

Investment in smart infrastructure, advanced laboratories, digital learning platforms, and sustainable campus development will ensure a future-ready learning environment. Simultaneously, the University will strengthen quality assurance practices, governance systems, accreditation outcomes, and national and global rankings.

Through these strategic initiatives, SAGE University Indore aspires to emerge as a center of excellence that nurtures knowledge, innovation, leadership, and societal transformation.
