Transforming your Passion into Profession

SAT-CHIT — ANAND —

Message from the Chancellor

Dear Students,

Looking at each of you fills me with excitement for the amazing things to come. I want to share something personal with you—a belief that has guided me throughout my journey: Dreams are only as big as the courage you summon to chase them. Life will present you with opportunities disguised as challenges, and how you face them will define your story. As your Chancellor, I am not just an observer of your journey but a passionate believer in your potential. My dream is to see every SAGE student rise above limitations, challenge the status quo, and leave a mark on the world. I know the world outside can seem daunting—competitive, unpredictable, and constantly evolving. But that's precisely why SAGE University exists—to equip you with the tools, knowledge, and resilience to thrive, no matter what. At SAGE University, our philosophy stems from a shared vision of redefining education as a means of transformation. This is not just an institution; it is a launchpad for dreams. Our cutting-edge facilities, vibrant campus life, and globally relevant curriculum are designed to create an environment where you can excel in every aspect of life. As an institution, we recognize the importance of global exposure, industry alignment, and holistic development. That's why we have established collaborations with leading organizations and universities worldwide, ensuring you gain not just an education but a perspective. Here, we celebrate diversity, foster creativity, and encourage innovation—values that will shape you into a global citizen ready to lead with integrity and purpose. Together, let us make SAGE University a symbol of transformation, where dreams find wings, and possibilities become reality. Always remember, "SAGE Hai To Mumkin Hai".

Warm regards,
Er. Sanjeev Agrawal
Hon'ble Chancellor,
SAGE University Indore-Bhopal

Rewards & Rankings

Our Visionaries

Dear Students,
At Sage University, we believe in the power of dreams and the determination to achieve them. As you embark on this transformative journey, remember that education is not just about academics but about discovering your true potential. We are here to support and guide you every step of the way. The future is yours to shape—dream big and soar high!

Best regards,
Ms. Kiran Agrawal
Hon'ble Chairperson
The SAGE Group

Dear Students,
Welcome to Sage University, where innovation meets opportunity. As you step into this exciting phase of your life, remember that learning is a lifelong journey. At Sage, we aim to empower you with knowledge, skills, and confidence to thrive in a dynamic world. Believe in your abilities, embrace creativity, and always strive for excellence. Together, let us build a future full of possibilities and success.

Warm regards,
Ar. Shivani Agrawal
Managing Director,
The SAGE Group

Welcome to SAGE University,
Where education sparks transformation. Beyond academics, we nurture creativity, innovation, and real-world skills. Embrace challenges, unlock your potential, and shape a meaningful future. As Nelson Mandela said, "Education is the most powerful weapon to change the world." Strive for excellence!

Warm regards,
Ms. Sakshi Bansal
Managing Director,
The SAGE Group

Welcome to SAGE University,
A hub where dreams take flight and aspirations transform into achievements. We empower you with knowledge, skills, and a change maker's mindset. With hands-on learning, innovation, and groundbreaking research, we prepare you to thrive in a competitive world. Remember, "The future belongs to those who prepare for it today." Let's shape tomorrow together!

Best regards,
Dr. Prashant Jain
Pro-Chancellor,
SAGE University Indore-Bhopal

Advisory Panel

At SAGE University Indore, we are committed to pushing boundaries and expanding our horizons. This vision is brought to life through the invaluable guidance of our Advisory Board. Comprising esteemed thought leaders and experts from diverse fields across the country, our Advisory Board plays a pivotal role in helping us bridge disciplines and recognizing the synergies between them. Through regular interactions with these visionary leaders, our students gain unparalleled insights and are equipped with the knowledge and perspective needed to excel in their chosen paths.

The SAGE Story : 43 Glorious Years of Excellence & Impact

For over four decades, The SAGE Group has been a beacon of innovation and societal growth in Central India. Established 43 years ago, it has evolved into a dynamic organization dedicated to transforming lives through its ventures in Real Estate, Education, Electrical Infrastructure, Healthcare, and Social Initiatives. Under the leadership of Er. Sanjeev Agrawal, Chancellor of SAGE University Indore and Bhopal and CMD of The SAGE Group, the organization has earned national and global recognition for its commitment to creating a positive impact. The group has touched countless lives, empowering students, clients, and communities alike. The SAGE Group's entities include SAGE Realty, SIRT Bhopal, SAGE International Schools, SAGE University Indore, SAGE University Bhopal, Agrawal Power, and Apollo SAGE Hospital. Through the True SAGE Foundation, the group supports underprivileged communities with free education and essential resources, fostering hope and opportunity. Established in 2017, SAGE University Indore has transformed higher education in Indore by offering world-class facilities, innovative programs, and a commitment to academic excellence. SAGE University Bhopal, launched in 2020, continues this legacy, redefining education standards. Rooted in excellence, driven by compassion, The SAGE Group continues to innovate and bring lasting happiness to society.

SAGE University

SAGE University, Indore epitomizes academic excellence in Central India, offering a world-class educational experience. As the youngest private university in India and the first in Madhya Pradesh to achieve the prestigious NAAC A+ Grade, we are committed to providing top-tier education. Our pedagogical approach focuses on transforming passion into a profession, preparing students for successful careers in a competitive job market. At SAGE University, we believe in nurturing talent through an innovative learning environment that combines academic rigor with practical exposure. Our state-of-the-art infrastructure, globally-oriented curriculum, and dedicated faculty ensures a holistic education that empowers students to excel in their chosen fields. We foster a culture of research, entrepreneurship, and global collaboration, enabling students to develop the skills and mindset needed to lead in a rapidly evolving world. By prioritizing industry-relevant learning and fostering critical thinking, we equip our graduates to tackle real-world challenges and drive meaningful change. Join SAGE University, Indore, where ambition meets opportunity, and potential turns into achievement. With a steadfast commitment to shaping the future, we create an ecosystem of innovation, excellence, and success. Take the first step toward unlocking your dreams and making an impact that resonates far beyond the classroom. Discover your path to greatness with SAGE University, Indore - Where education meets inspiration, & possibilities are endless. Here, we believe in providing a platform that transforms ambition into success & prepares you for a future full of opportunities.

SPORTS FACILITIES

Mr. Pankaj Adwani, 28-time International Billiards and Snooker Federation (IBSF) world champion

We offer top-notch sports facilities catering to various interests. Our campus features a running track, squash, badminton, cricket, football, and basketball grounds, along with indoor games like chess, carom, billiards, and snooker. Volleyball enthusiasts will find dedicated space for practice and competition. Our modern gym facilities, equipped with expert trainers, help students pursue their fitness goals effectively. Additionally, our prestigious Billiards and Snooker Academy provides personalized coaching. With these amenities, students can participate in international and national level events, showcasing their talents to esteemed dignitaries from around the world.

RESEARCH & INNOVATION

We are committed to providing an outstanding environment for excellence in research and development across all disciplines. Our world-class research facilities and infrastructure, including the AICTE-IDEA Lab, Tissue Culture Lab, AI/ML & Robotics Lab, Central Instrumentation Facility, industry-sponsored and collaborated labs, intellectual property development initiatives, and research conferences, offer opportunities for learners to engage in on-campus research and pursue their research endeavors. We believe in fostering innovation and creativity, empowering students and faculty to contribute meaningfully to their respective fields and make impactful discoveries.

CULTURAL EVENTS AND SEMINARS

We believe in the power of cultural events and seminars to enrich the academic experience and foster a sense of community. Our campus regularly hosts a diverse range of events, including celebrity visits, annual fests, concerts, and seminars, providing students with unique opportunities for inspiration, learning, and entertainment. These events offer platforms for intellectual discourse, artistic expression, and cultural exchange, encouraging students to explore new ideas, perspectives, and talents. From thought-provoking lectures by renowned speakers to vibrant performances by talented artists, the students of SAGE excel in all fields.

Pedagogy

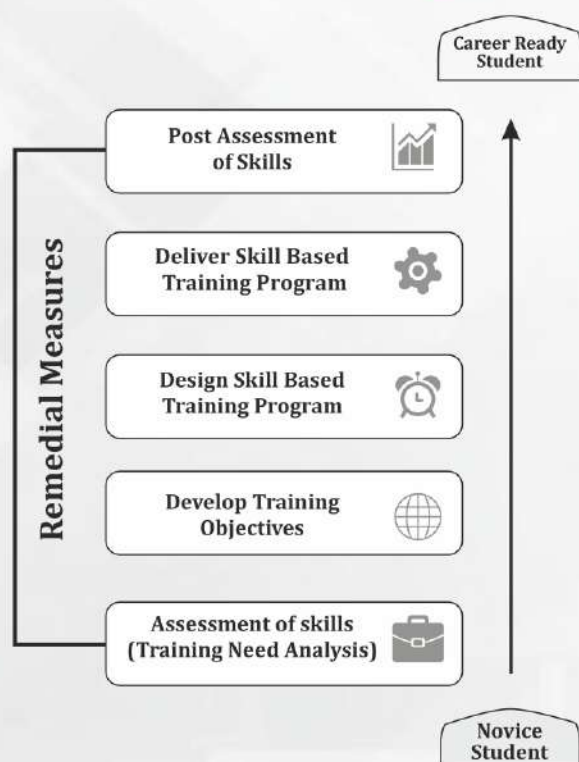

SAGE University Indore is dedicated to fostering exploration, innovation, learning, and critical thinking through its distinctive SAGE pedagogy. Guided by the philosophy of "Explore and Develop," we offer unique career pathways and academic programs that emphasize practical learning. Our focus is on shaping employable graduates equipped with strong technical expertise, creative problem-solving skills, and effective communication abilities, ensuring their holistic development and success in the professional world.

Corporate Relations Cell

The Corporate Relations Cell (CRC) at SAGE University Indore (SUI) fosters strong connections with industries to bridge the gap between academia and the corporate world. CRC plays a vital role in shaping students' careers by identifying key technical and professional skills in demand, offering relevant training, and organizing value-added courses. It also provides career counseling, skill-based learning, and guidance to ensure students secure the right opportunities with top organizations.

Student Progression Index/ Training

Understanding the Student Progression Index (SPI)

The efficiency with which students progress through the various phases of their academic careers is gauged by the Student Progression Index (SPI).

Measuring Student Retention and Academic Completion

It shows how well students stay in school, finish their courses, and advance to higher education.

Indicator of Institutional Support Systems

An institution's supportive academic, mentoring, and teaching systems are indicated by a high SPI.

Identifying Student Performance Gaps

SPI assists educational institutions in identifying areas where students may be performing poorly or leaving out.

Improving Learning Outcomes and Institutional Quality

Enhancing the Student Progression Index helps to improve learning outcomes and the general calibre of the school.

ACADEMIC & INDUSTRY PARTNERS

OUR PARTNERS IN EXCELLENCE

Facilities

Auditorium

The state-of-the-art auditorium at SAGE University Indore serves as a dynamic venue for lectures, seminars, conferences, and cultural events. Equipped with modern audio-visual facilities, it provides a platform for intellectual exchange, fostering creativity, innovation, and holistic development among students through a range of academic and extracurricular activities.

Library

Our well-stocked library is a cornerstone of academic excellence, offering a vast collection of books, journals, e-resources, and digital databases. Designed to foster research and intellectual growth, it provides students with a serene environment for study, exploration, and learning, supporting their academic pursuits.

Cafeteria & Mess

The cafeteria and mess at SAGE University offer a variety of delicious and nutritious meals to cater to the diverse tastes of students. Designed for comfort and convenience, these spaces provide a social setting where students can unwind, enjoy a meal, and engage in conversations, fostering community life.

Lush Green Campus

Our campus is nestled in the heart of nature, offering students a peaceful and inspiring place to learn, grow, and thrive. With acres of lush green spaces, outdoor study areas, and tree-lined pathways, it's the perfect environment for academic and personal development.

Open-Air Amphitheatre

We offer students a vibrant campus life with a dedicated open air venue, for entertainment performances and outdoor activities, which creates opportunities for a variety of co-curricular and extra curricular activities, contributing to holistic development of students.

Facilities

T.V. & Film Studio

The TV and Film Studio at SAGE University Indore, is a state-of-the-art-facility tailored for aspiring filmmakers and media professionals. Equipped with advanced cameras, green screens, professional lighting setups, and post-production tools, the studio provides a hands-on environment for creating high-quality audiovisual content. Students can explore their creativity, refine their technical skills, and bring their cinematic visions to life while gaining practical industry experience.

Design Studio

The Design and Drawing Studio at SAGE University Indore is a creative space designed for students to explore and express their artistic ideas. Equipped with advanced tools for design, sketching, and modeling, the studio fosters creativity and innovation, helping students develop their skills in architecture, engineering, and design.

Tissue Culture Lab

The Tissue Culture Lab at SAGE University Indore provides students with hands-on training in biotechnology, specifically in plant tissue culture techniques. The lab is equipped with advanced tools and equipment, offering a platform for research, experimentation, and innovation in agricultural and biological sciences.

Apple Lab

Our Apple lab is equipped with the latest technology to support students in mobile app development. These specialized labs offer hands-on learning experiences for students to design, build, and test applications on both platforms, preparing them for a career in the ever-evolving tech industry.

Android Lab

Our Android lab is equipped with the latest technology to support students in mobile app development. These specialized labs offer hands-on learning experiences for students to design, build, and test applications on both platforms, preparing them for a career in the ever-evolving tech industry.

Facilities

Premier Moot Court

SAGE University Indore's Premier Moot Court is designed to simulate real-life courtroom experiences for law students. Equipped with the latest legal resources, it offers a platform to practice legal research, advocacy skills, and courtroom procedures, preparing students for successful careers in law and legal services.

Hostel Facility

Our modern hostel facilities offer a comfortable and secure living environment for students. Equipped with essential amenities such as Wi-Fi, laundry services, and recreational areas, the hostels ensure a homely atmosphere that supports academic focus and personal growth, making students feel safe and comfortable.

AICTE IDEA Lab

AICTE IDEA Lab at SAGE University Indore is a state-of-the-art innovation hub that empowers students and faculty to ideate, prototype, and convert ideas into real-world solutions using advanced tools and hands-on learning. The lab promotes interdisciplinary collaboration and bridges academics with industry and startups, fostering an innovation-driven mindset and supporting the development of practical, market-ready innovations.

Harnessing Solar Power: SUI's Green Initiative

SAGE University Indore proudly embraces sustainability with its rooftop solar panel system. This renewable energy facility significantly reduces the campus's carbon footprint by generating clean electricity. As a beacon of environmental responsibility, it inspires students and visitors to prioritize eco-friendly solutions for a sustainable tomorrow.

Transport Facility

Our modern Transport facilities offer a comfortable and secure travelling environment for students. Equipped with essential amenities such as Wi-Fi, GPS, Speed Control services, and an atmosphere that supports making students feel safe and comfortable.

Facilities

Agricultural Farm & Polyhouse

Our Agricultural Farm and Polyhouse provide students with practical exposure to modern farming techniques. With a focus on sustainability and innovation, students can engage in hands-on learning in crop cultivation, horticulture, and environmental management, preparing them for careers in agriculture and related fields.

Google

Microsoft

NVIDIA

Central India's 1st Google Digital Campus, Microsoft Authorized Centre & NVIDIA Lab

SAGE University Indore is proud to be Central India's first Google Digital Campus, offering students access to cutting-edge digital tools and resources. As a Microsoft Authorized Centre, SAGE University Indore provides students with access to official Microsoft certifications and training. We also have an MoU with NVIDIA along with its lab and a premier robotic lab.

SAGE Community Radio 89.6 FM

SAGE Community Radio 89.6 FM offers students hands-on experience in broadcasting and media communication through live shows, interviews, and content creation. With modern studios and real-world exposure, it helps learners build confidence, creativity, and industry-ready communication skills.

State-of-the-Art Sports Running Track

SAGE University Indore takes a giant leap in promoting fitness and sports excellence with its world-class running track. Designed to meet professional standards, this facility empowers athletes and fitness enthusiasts to train effectively. It reflects the university's dedication to foster a healthy lifestyle and nurture talent in sports and athletics.

Drone Training Center

SAGE University Indore and Garuda Aerospace Ltd., Chennai, have joined forces to establish Indore's premier Drone Training Center. The inauguration ceremony, graced by SAGE Group Chairman, Er. Sanjeev Agrawal, and distinguished guests, marks the beginning of a new era in drone technology.
